# Democratic Services Committee Room, - County Hall, Carmarthen. SA31 1JP. - 2.00 - 3.30 pm

#### 1. APOLOGIES FOR ABSENCE

Apologies for absence were received from B. Rees (Hywel Dda University Health Board).

The Chair welcomed Professor Medwin Hughes to the meeting as the new University of Wales Trinity St Davids representative on the Joint Committee.

UNANIMOUSLY RESOLVED that the change of representation on the Joint Committee, as notified by the University of Wales Trinity St Davids, be noted.

#### 2. DECLARATIONS OF PERSONAL INTEREST

There were no declarations of personal interest made at the meeting.

#### 3. CHAIR'S STATEMENT

The Chair referred to the recent announcement of suspensions by Swansea University. The Chair advised that the suspensions were entirely a matter of Swansea University, however, it would be prudent for the Joint Committee to understand and be responsive to any potential concerns relating to the City Deal.

The Chair informed Members that, upon finding out about the suspensions, he had immediately contacted the University's Registrar. The Registrar had assured him that, while the suspensions were linked to the Llanelli Life Science and Well-being Village, they did not relate to any of the other City Deal projects. The Chair reported that Swansea University had reaffirmed a strong commitment to the City Deal. He suggested, however, that in addition to these reassurances it would be valuable for the Joint Committee to undertake an internal review of due diligence into the City Deal. He suggested that the review could be undertaken in parallel with the independent review by the Welsh and UK Governments and chaired by himself with Pembrokeshire County Council taking responsibility for the Audit function.

The Leader of Carmarthenshire County Council advised the Joint Committee that Carmarthenshire County Council's Executive Board had endorsed the Llanelli Life Science and Well-being Village Full Business Case in principle and deemed it ready for submission to the UK and Welsh Government. Prior to any further action, however, Officers had been instructed to provide reassurance, including external expert legal advice that all due legal process had been followed and report back to the Executive Board accordingly. The Leader informed Members that this process was underway and that the results would be reported back to the Joint Committee. Officers had also been requested to look at alternative delivery methods to ensure that Llanelli Life Science and Well-being Village could be completed, and the Authority was fully committed to the project and confident that private sector funding could be obtained. The Authority continued to work with the two universities and Hywel Dda University Health Board to take the project forward, and he asked the Joint Committee to show support and remain committed to deliver all projects within the Deal.

The Chair thanked the Leader of Carmarthenshire County Council for the update on the Llanelli Life Science and Well-being Village, and confirmed that it reflected the view of the Joint Committee. He re-iterated that in his opinion, it would be sensible and prudent to take a review of due diligence for all projects, so that the City Deal remained on track and also ensure that all plans were robust. The review would include programme management, project status, visibility and ownership, capacity, roles responsibilities and functions and allow the Joint Committee to proceed with confidence. Findings of any Joint Committee review would dovetail into the Independent Review and be fed into Joint working arrangements. The project would not be progressed further until Carmarthenshire and the Joint Committee had received further assurance and detail of the revised

delivery model. He asked the Leader of Carmarthenshire County Council to forward to the Joint Committee, once available, all advice and documentation relating to the Carmarthenshire Council commissioned review, including the revised method of delivery.

## 4. TO SIGN AS A CORRECT RECORD THE MINUTES OF THE JOINT COMMITTEE MEETING HELD ON THE 22ND NOVEMBER 2018

UNANIMOUSLY RESOLVED that the minutes of the meeting of the Swansea Bay City Region Joint Committee held on the 22<sup>nd</sup> November 2018 be signed as a correct record.

#### 5. SWANSEA BAY CITY DEAL PROJECTS UPDATE

The Joint Committee received an update report on the following local and regional projects funded under the City Deal:

- Digital Infrastructure
- Swansea City & Waterfront Digital District;
- Skills & Talent;
- Yr Egin;
- Llanelli Life Science & Well-Being Village
- Llanelli Life Science & Well-Being Campus;
- Homes as Power Stations
- Centre of Excellence in Next Generation Services (CENGS);
- Astute Factory of the Future;
- Steel Science:
- Pembroke Dock Marine.

**UNANIMOUSLY RESOLVED** that the projects update report be received.

#### 6. INDEPENDENT REVIEW OF THE SWANSEA BAY CITY REGION CITY DEAL

The Chair advised that he had covered the majority of this item within his earlier statement, and that the Joint Committee would work with the UK and Welsh Government to achieve additional confidence in the deal. It was pleasing to note that the Governments did not propose to delay the Deal in any way and had advised that their Independent Review would be completed by the end of January.

In response to a statement by the co-opted representative of Abertawe Bro Morgannwg University Health Board, the Chair welcomed the offer by the co-opted representatives to fully contribute to the Joint Committee review. The Chair advised that he expected all partners to contribute so that the Joint Committee provided one review document which would feed into and align with the UK and Welsh Government review

#### **UANIMOUSLY RESOLVED that the update be received.**

#### 7. SWANSEA UNIVERSITY UPDATE

The Chair advised that he had covered this item within his earlier statement, and no further details relating to the suspensions at Swansea University were available as the investigation was ongoing.

UNANIMOUSLY RESOLVED that the update be received.

#### 8. EXCLUSION OF THE PUBLIC

UNANIMOUSLY RESOLVED, pursuant to the Local Government Act 1972, as amended by the Local Government (Access to Information)(Variation) (Wales) Order 2007, that the public be excluded from the meeting during consideration of the following items as the reports contained exempt information as defined in paragraph 14 of Part 4 of Schedule 12A to the Act.

# 9. PRESENTATION OF SWANSEA BAY CITY DEAL REGIONAL LOCAL FULL FIBRE NETWORKS (LFFN) SUBMISSION TO DCMS WAVE 3 COMPETITION

Following the application of the public interest test it was UNANIMOUSLY RESOLVED, pursuant to the Act referred to in Minute 8 above, to consider this matter in private, with the public excluded from the meeting as the report and presentation contain details about how the bid for LFFN monies will be structured. Although the public interest would normally favour transparency and openness, this is outweighed in this case because this is a bid in competition with others from a finite pot of monies, and the confidentiality of the bid therefore needs to be preserved.

The Joint Committee considered a report on the Swansea Bay City Deal Regional LFFN proposal for the Wave 3 DCMS competition. The Joint Committee was reminded that the regional bid and submission was being led by Swansea Council with the support of CUBE Ultra Ltd. It was advised that a proposal has been developed following extensive data analysis, cost modelling and consultation with all four Local Authorities within the region. The Joint Committee thereupon received a brief presentation from CUBE Ultra Ltd and Swansea Council on the proposal and was advised that the deadline for submitting bids to the competition was 5pm that day.

UNANIMOUSLY RESOLVED that the submission of the expression of interest to the DCMS Wave 3 competition, as presented to the Joint Committee on the 14<sup>th</sup> December 2018, be approved.

#### 10. URGENT ITEM

The Chair reported that pursuant to Section 100B(4)(b) of the Local Government Act 1972 he had decided to allow, as a matter of urgency, further discussion on

the Chair's statement, as a decision was required prior to the next meeting of the Committee.

#### 11. CHAIR'S STATEMENT

The Chair advised the Joint Committee that the Monitoring Officer had advised that no vote had been taken on the discussion regarding the Joint Committee undertaking its own review. He therefore asked the Joint Committee to formally agree this action.

Following further discussion, the Chair also advised the Joint Committee that he expected all members to make themselves available, on request, for Joint Scrutiny Committee meetings.

UNANIMOUSLY RESOLVED that the Swansea Bay City Region Joint Committee undertake an internal review into the City Deal, and that the review run in parallel with the UK and Welsh Government Independent Review, chaired by the Chair of the Joint Committee with Audit arrangements being undertaken by Pembrokeshire County Council.

## SWANSEA BAY CITY REGION JOINT COMMITTEE

### **24TH JANUARY 2019**

## TERMS OF REFERENCE FOR JOINT COMMITTEE INTERNAL REVIEW OF THE CITY DEAL

#### RECOMMENDATIONS / KEY DECISIONS REQUIRED:

To consider the terms of reference as detailed within the report.

#### **REASONS:**

The Joint Committee at its meeting held on the 14th December 2018 UNANIMOUSLY RESOLVED that the Swansea Bay City Deal Joint Committee undertake an internal review into the Swansea Bay City Deal governance arrangements, and that the review run in parallel with the UK and Welsh Government Independent Review. It was agreed that Pembrokeshire County Council would lead the Internal Review supported by a nominated Senior Auditor from Carmarthenshire, Neath Port Talbot and Swansea Councils.

A draft Terms of Reference for the Internal Review was agreed at a meeting of Council Leaders (Cllr Dole was unavailable) and Chief Executives on the 20th December 2018. Due to the requirement to coordinate the Internal Review with the UK and Welsh Government Independent Review, Pembrokeshire County Council's Chief Executive was given authority to amend the Terms of Reference on behalf of the Joint Committee.

# TERMS OF REFERENCE FOR JOINT COMMITTEE INTERNAL REVIEW OF THE CITY DEAL

#### **BRIEF SUMMARY OF PURPOSE OF REPORT**

The Joint Committee at its last meeting agreed to undertake an internal review of the City Deal governance arrangements.

The Final Terms of Reference and Programme for the Internal Review are attached for consideration.

DETAILED REPORT ATTACHED	YES

#### **IMPLICATIONS**

Policy, Crime &	Legal	Finance	Risk Management Issues	Staffing Implications
Disorder and Equalities				
YES	YES	YES	YES	YES

#### 1. Policy, Crime & Disorder and Equalities

The Internal Review will assess the policy framework and its application in creating a counter fraud, corruption and bribery culture with strong ethical standards to support the delivery of the Swansea Bay City Deal.

#### 2. Legal

Core Principle A within the Internal Review Programme details the expected behaviours and actions that demonstrate good governance in respecting the rule of law. This will form the basis for evaluating the effectiveness of current arrangements and working practices in place to respect the rule of law.

#### 3. Finance

The work undertaken to date has been at the financial risk of each individual Authority, however, the financial plans for the delivery of the Swansea Bay City Deal Programme and the financial arrangement for the Partner contributions will be covered within the Internal Review.

#### 4. Risk Management

Core Principle F within the Internal Review Programme details the expected behaviours and actions that demonstrate good governance in managing risk. This will form the basis for evaluating the effectiveness of current arrangements and working practices in place to manage risks to the Swansea Bay City Deal.

#### 5. Staffing Implications

Officers have been nominated from each Local Authority to form the Internal Review team, led by Pembrokeshire County Council.

## **CONSULTATIONS**

Meeting with UK Government and Welsh Government on 10<sup>th</sup> January 2019 to discuss the Terms of Reference and synchronising the two reviews.

# Swansea Bay City Deal Internal Review

## Terms of Reference and Programme

#### **Review Team:**

Jo Hendy - Pembrokeshire County Council (Lead)

Anne-Marie O'Donnell – Neath-Port Talbot County Borough Council

Caroline Powell – Carmarthenshire County Council

Nick Davies - City & County of Swansea Council

#### **Introduction& Background**

At the request of the Joint Committee an Internal Audit team, which includes representatives from the four partner Local Authorities, was requested to undertake an internal review of the Governance arrangements for the Swansea Bay City Deal. The request arose out of concerns around the suspensions of senior staff at Swansea University and the concerns in relation to the Life Science and Well Being Project (Delta Lakes project) which forms part of the Swansea Bay City Region Deal.

Carmarthenshire County Council as the Accountable Body for the Swansea Bay City Deal are responsible for the provision of Internal Audit for the Programme. To avoid any perceived conflict of interest, the Joint Committee agreed that Pembrokeshire County Council would lead the internal review. This Section 151 Officer for Carmarthenshire County Council agreed with this approach and will be engaged and updated regularly updated throughout the review.

#### **Interdependencies between Reviews**

Following concerns about the Life Science and Well Being Project, a number of reviews have been commissioned.

UK Government and Welsh Government have commissioned an independent review into the arrangements in place for the Swansea Bay City Region Deal which will cover all the projects. All parties agreed the Terms of Reference for this review in December 2018.

Wales Audit Office will be undertaking a review specifically into the Life Science and Well Being Project.

Carmarthenshire County Council have commissioned a Legal Review of the procurement process followed in respect of the Life Science and Well Being Project .

The Joint Scrutiny Committee has also requested a review.

A meeting will be held between representatives of the UK Government, Welsh Government and the Lead Officer for the Internal Review with a view to synchronising both reviews and avoiding duplication of effort.

#### **Purpose and Scope of the Internal Review**

The purpose of the internal review is to provide independent assurance to the Joint Committee that the governance arrangement in place for the Swansea Bay City Region Deal are robust and follows best practice to ensure the confidence of all stakeholders and the delivery of the Programme while acting in the public interest at all times.

In order to provide structure to the review, the CIPFA/SOLACE Delivering Good Governance in Local Government Framework 2016 will be used as the basis for evaluating the governance arrangements for the Swansea Bay City Deal. The CIPFA/SOLACE Framework was updated in 2016 to align with the 'International Framework: Good Governance in the Public Sector' and to reflect the changing environment in which Local Authorities operate. CIPFA/SOLACE guidance notes for Welsh Authorities published in November 2016, assist

Local Authorities and associated organisations such as Joint Boards, Partnerships and other vehicles through with Local Authorities in Wales now operate, to review the effectiveness of their own governance arrangements by reference to best practice.

The diagram below taken from the International Framework: Good Governance in the Public Sector (CIPFA/IFAC, 2014) and incorporated into the 'CIPFA/SOLACE Delivering Good Governance in Local Government Framework, illustrates the various principles of good governance in the public sector and how they relate to each other.

#### Achieving the Intended Outcomes While Acting in the Public Interest at all Times

The attached Internal Audit Programme defines how the Internal Review will assess the effectivness of the governance arrangements of the Swansea Bay City Deal against the principles of good governance. The Audit Programme identifies the behaviours and actions that demonstrate good governance, as defined within the core and sub-principles within the Delivering Good Governance in Local Government Framework, and what will be considered and reviewed to evaluate the effectiveness of arrangements in place.

# EXECUTIVE SUMMARY SWANSEA BAY CITY REGION JOINT COMMITTEE 24<sup>TH</sup> JANUARY 2019

## INDEPENDENT REVIEW OF THE SWANSEA BAY CITY REGION CITY DEAL

On Thursday 6<sup>th</sup> December the Swansea Bay City Region Joint Committee and City Deal Regional Office was advised that UK and Welsh Governments had agreed to commission an independent review of the Swansea Bay City Region City Deal. The statement said all partners remained committed to the success of the deal, and it has been agreed that work on individual projects would continue in parallel with the review.

Correspondence from both Governments stated that they will assess the progress to date, with a view to providing them with the assurance that all elements of the Deal will deliver the full economic benefits promised by the ambitious programme. In light of recent media reports, both Governments will also require that the review covers due diligence and governance in relation to all elements of the Deal and its implementation.

The Terms of Reference, as advised by UK and Welsh Governments are attached to this report.

All project business cases for projects to be considered for funding from the SBCD must meet the requirements of extant guidance from the UK and Welsh Governments. All projects approved by the Joint Committee must be submitted to the UK and Welsh Governments for approval by those Governments for release of Government Funding for the projects.

#### **FINANCE**

The recommendations of this review will inform future decisions on the release of joint government funding, as well as providing further confidence for potential private investors across the Deal as a whole.

Government funding is provided to the projects over a 15 year period and paid by the Welsh Government to the Accountable Body.

#### **Swansea Bay City Deal Independent Review**

#### **Terms of Reference**

#### Context

- Swansea Bay City Region Board published its vision document 'An Internet Coast' in February 2016; shortly afterwards the Welsh and UK Governments opened negotiations on a City Deal for the region in March 2016.
- 2. On 20 March 2017 the Heads of Terms for the £1.3bn City Deal were signed. This document provides the foundations for the City Deal, confirms the joint commitment among the four local authorities and the Welsh and UK Governments to ensure full implementation of the Swansea Bay City Region City Deal, subject to funding conditions set by Government being met. The Heads of Terms document also referenced a wider suite of control and governance documents, laying the foundations for the City Deal.
- 3. Over the next 15 years, the City Deal aims to boost the local economy by £1.8bn and generate almost 10,000 new jobs. It will be underpinned by £125.4m Welsh Government funding, £115.6m of UK Government funding, £396m from the four local authorities and other public sector bodies in the region together with £637m from the private sector.
- 4. The City Deal is structured around eleven project proposals, set against four themes, with major investment in the region's digital infrastructure and workforce skills and talent underpinning each.
- 5. In July 2018 all four local authorities approved their Joint Committee Agreement. This legal agreement establishes the key governance structures such as the Joint Committee, the Economic Strategy Board and Scrutiny Committee and commits the four local authorities to work together over the 15 years of the Deal.
- 6. The provision of Government funding is subject to the submission and approval of full business cases in relation to the eleven identified projects and the agreement of governance arrangements for the Deal, as was set out in the Heads of Terms.

#### **The Joint Government Review**

- 7. There is a requirement for a rapid, independently led joint Government review of the arrangements for the delivery of the £1.3bn Swansea Bay City Deal. The main focus of the review is to provide Ministers with an assessment of whether:
  - the projects which make up the Deal and the strategic level economic ambitions of the Heads of Terms can be delivered;
  - the governance arrangements provide a sufficiently robust framework for delivery of the aims and objectives of the City Deal; and
  - governance processes and the control mechanisms currently in place are being complied with and are operating effectively or advise whether amendments are appropriate to ensure the realisation of the outcomes envisaged in the City Deal;
  - the investment plans are robust and realistic.
- 8. The review will deliver a joint report to both Governments within the timeframes specified in paragraph 13, recognising a balance between urgency and comprehensive

assessment which is essential to ensure both confidence and credibility of the Review. The review will provide an assessment of:

- The capacity and capability of the Regional Office to support delivery of the City Deal and to provide the interface between the Region and Governments.
- The appropriateness of regional governance structures, including associated processes of both Governments and the region, linked to the City Deal to provide robust assurance.
- The confidence that the wider City Deal outcomes can be achieved by the portfolio of projects.
- The feasibility of the proposed timescales for delivery of the 11 projects within the overall City Deal and investment package.
- The due diligence processes and activities established in relation to the three first tranche projects.
- The key risks to delivery.
- Any recommendations that will improve the deliverability of the outcomes of the Deal.
- 9. Whilst the review should provide specific recommendations for action, all final decisions will rest with Ministers or the Joint Committee as appropriate.

#### **Specific questions**

10. The report should seek to address the following specific questions:

- i. Are the processes, as set out under the Heads of Terms and the Joint Committee Agreement, operating effectively or are there barriers in place that are/ could impede the smooth and timely delivery of the Deal?
- ii. Are the current internal assurance processes within the region delivering an appropriate level of assurance for both Welsh and UK Ministers and Leaders of the four Local Authorities?
- iii. Are the individual projects on track to deliver the anticipated programme level economic outcomes and to evaluate any variance since the original Deal was signed to ensure the overall city deal outputs are maintained or enhanced?
- iv. Has sufficient due diligence been undertaken in relation to all aspects of the financial proposals, particularly regarding the capital and revenue affordability of all projects, including the sourcing of non-Government funding, the undertaking of an appropriate level of financial probity and investigation into the track record of key participants and promoters of the projects?
- v. Has sufficient regard been given to managing the overall City Deal risk?

#### **Out of Scope**

11. The development of the business cases, recommendation of any individual business case approval for release of funding or consideration of alternative projects is out of scope.

#### **Engagement**

12. In addition to all relevant documentation the review should engage with relevant individuals and other work in both Governments and the region.

#### **Delivery**

13. The Review should conclude within one month of commencement. It will primarily take the form of a written report prepared for Ministers of both Governments. The report will

also be shared with the Leaders of the four City Deal Local Authorities in advance of publication.
