- 2. DECISION RECORD - 12TH FEBRUARY 2019**

RESOLVED that the decision record of the meeting of the Executive Board Member for Environment held on the 12th February, 2019 be signed as a correct record.

- 3. REVIEW OF THE PUBLIC CONVENIENCE OPENING HOURS AT LLANSTEFFAN AND PENDINE**

The Executive Board Member considered a report detailing proposals to change the opening hours of the public conveniences at Llansteffan and Pendine (Springwell) to a twenty four hour basis, the latter being for a temporary period. It was anticipated that the comparatively excessive cost of operating Llansteffan public convenience would be significantly reduced by eliminating the need to open and lock the premises on a daily basis and that visitors to this popular tourist location would also benefit from facilities which would provide unrestricted access. The same reasoning also applied to the temporary opening of Pendine (Springwell) public convenience. The proposals would reduce the current Grounds & Cleansing service cost by approximately £12,500.00.

RESOLVED, in light of budgetary pressures and subject to the ongoing investigation of further options, that Llansteffan public convenience be made available on a twenty four hour basis along the lines indicated in the report and, for the same reason, the temporary re-opening of Pendine (Springwell) public convenience be made available on the same basis.
