9. TO CONSIDER THE FOLLOWING NOTICES OF MOTION:-

9.1 NOTICE OF MOTION PROPOSED BY COUNCILLORS EDWARD THOMAS AND HEFIN JONES

“Llandeilo bypass

Council notes that the WELTAG1 report on the Llandeilo bypass in 2018 categorically eliminated as impractical, the concept of diverting HGVs away from Llandeilo town centre, without a bypass.

Council further notes that the Deputy Minister for Transport recently announced his intention to potentially resurrect this option pending further investigations. This would undoubtedly see HGV operators seeking shortcut diversions through rural villages in neighbouring wards on unsuitable roads or incur extra cost and time because of distance travelled. The impact would be felt by business in Llandeilo town who rely on HGVs for inward and outward deliveries, and an access only approach would render such action as ineffective and unenforceable.

This Council calls on the Deputy Minister to reconsider his announced intention and to adhere to the findings of the 2018 report. Furthermore, this council requests that the Welsh Government promptly publishes the results of the WELTAG 2 consultation undertaken in November 2020 and makes good on the commitment made in 2016/17.”

9.2 NOTICE OF MOTION PROPOSED BY COUNCILLORS KEVIN MADGE AND ROB JAMES

“Shadows Depression Support Group

Shadows Depression Support Group in Glanamman has made a significant difference to the population of the Amman and Gwendraeth Valleys over the last three years, providing a wide-ranging mental health service which impacts the wider community.

Shadow's funding was cut from the 5th of September which will affect the vulnerable people living in our communities they will be now more marginalised, and some will have their lives put at serious health risk due to this decision.

We are calling on Hywel Dda Health Board, Carmarthenshire County Council and GP Clusters to maintain the funding for these services or provide financial assistance to keep the services going until they receive grant funding this will help to maintain the mental health services provided for the Amman and Gwendraeth Valleys.”
