# EXECUTIVE SUMMARY

## 22<sup>ND</sup> DECEMBER 2016

### Public Service Board Scrutiny

Public services boards have replaced the former Local Service Boards, and are specifically required to:

- a) Undertake a well-being assessment for the area
- b) Set local well-being objectives as part of a well-being plan
- c) Take all reasonable steps to meet those objectives

The Well-being of Future Generations (Wales) Act 2015 requires a designated overview and scrutiny committee of a local authority to have a key role in assuring democratic accountability of the Public Services Board via its prescribed role as outlined in the Act namely:-

#### 35 Overview and scrutiny committee of local authority

- (1) Executive arrangements by a local authority under Part 2 of the Local Government Act 2000 (c. 22) must ensure that its overview and scrutiny committee has power—
  - (a) to review or scrutinise decisions made, or other action taken, by the public services board for the local authority area in the exercise of its functions;
  - (b) to review or scrutinise the board's governance arrangements;
  - (c) to make reports or recommendations to the board with respect to the board's functions or governance arrangements;
  - (d) to consider such matters relating to the board as the Welsh Ministers may refer to it and to report to the Welsh Ministers accordingly;
  - (e) to carry out such other functions in relation to the board as are imposed on it by this Act.
- (2) An overview and scrutiny committee must send a copy of any report or recommendation made under subsection (1)(c) to—
  - (a) the Welsh Ministers;
  - (b) the Commissioner;
  - (c) the Auditor General for Wales.
- (3) An overview and scrutiny committee may, for the purpose of exercising a power mentioned in subsection (1), require one or more of the persons who may attend a meeting of the public services board (see paragraph 7 of Schedule 3), or anyone designated by such a person, to attend a meeting of the committee and provide it with explanations of such matters as it may specify.
- (4) Where a local authority has more than one overview and scrutiny committee, the references in this Part to its overview and scrutiny committee are to the committee that the local authority designates for the purposes of this section.

The designated scrutiny committee is specifically expected to:-

- Formally receive the Wellbeing Assessment and Wellbeing Plan from the Public Services Board
- Act as a statutory consultee for the Wellbeing Assessment and Wellbeing Plan
- Review the Wellbeing Plan if directed to by the Welsh Minister (who has the power of referral but not approval)

Chapter 6 of the Welsh Government Shared Purpose: Shared Future: Statutory Guidance 3 states that:-

“174. In order to assure democratic accountability there is a requirement for a designated local government scrutiny committee of the relevant local authority to scrutinise the work of the public services board. It will be for each local authority to determine its own scrutiny arrangements for the public services board of which it is a member. For example, existing legislative powers can be used to put in place joint arrangements, such as ‘co-opting’ persons who are not members of the authority to sit on the committee, and where appropriate to appoint joint committees across more than one local authority area.

175. While it will continue to be entirely legitimate for a subject scrutiny committee (such as a children and young people’s scrutiny committee) to scrutinise the public services board’s work in relation to a specific issue, it is important that one committee takes an overview of the overall effectiveness of the board. This is the reason one committee must be designated to undertake this work. “

The Welsh Government has commissioned Public Governance Wales to produce Ministerial Guidance for Local Government Scrutiny Committees and this is awaited.
