4. INFORMATION IN SUPPORT OF YOUR APPLICATION

Please set out below the reasons why you consider that the Standards Committee should grant a dispensation in this case:

(Please note that failure to complete this section will result in the application form being returned to you)

I was granted dispensation last year for the same issue, I thought the matter was closed so did not renew or use the dispensation at the time. However, the matter has now come back up and I wish to talk about it and give an expert opinion

Having gone through the network transformation process on another of my sites 2.5 years ago. I am well placed to know what the process is , what risks are involved and what timescale/costs etc will be. Having been a Postmaster for 5 years on another site also, I am well versed in what the customer needs and requires from a Post Office and how their needs can be met. The other councillors do not have this expertise and background, and therefore I feel they will be making uninformed choices/decisions.

Having already been verified and chosen by Post Office Ltd to have the Post office relocate to my premises, this is not about making a decision, But only to clarify matters. Therefore the decision per se of the Council is irrelevant, so my contributing to the discussion will have no impact on the outcome. Therefore I feel I should be allowed to speak.

I also feel the other councillors have a prejudicial interest, in this matter as they wanted to Post office relocated to Glanamman community Centre, which is run and operated by Cwmamman Town Council. Therefore, they would benefit financially from Post Office moving there. Therefore I feel they would negatively impact upon my suitability

(please continue on a separate sheet if necessary)

I confirm that the information provided on this form is true to the best of my knowledge. I agree that this application and all the information contained within it may form part of a public report to the Standards Committee. I request a dispensation in respect of the above matter.
