**EXECUTIVE SUMMARY
EXECUTIVE BOARD

ANNUAL REPORT 2015/16 ON THE WELSH LANGUAGE

This Annual Report has been produced in order to comply with the Welsh Language Commissioner's monitoring arrangements. The Welsh Language Commissioner gave Carmarthenshire County Council a compliance notice regarding the Welsh Language Standards Regulations on 30 September 2015 which required CCC to comply with most of the standards by 31 March 2016. This Annual Report therefore focusses on the introduction work across the Authority.

The Welsh Language (Wales) Measure 2011 places a duty on county councils and county borough councils in Wales, national park authorities and Welsh Ministers to comply with standards in relation to the Welsh language.

The standards mean that the Welsh language must not be treated less favourably than the English language, and must also promote or facilitate the use of the Welsh language. This is in accordance with the two principles that form the basis of the Welsh Language Commissioner's work:

- in Wales, the Welsh language should be treated no less favourably than the English language
- persons in Wales should be able to live their lives through the medium of the Welsh language if they choose to do so.

The Welsh language Standards have replaced the Welsh language schemes and will:

- provide greater clarity to organizations on their duties on the Welsh language
- provide greater clarity to Welsh speakers about the services they can expect to receive in Welsh
- ensure more consistency of Welsh language services and improve their quality.

Quality Assurance

Representatives from the Welsh Language Commissioner's office met with Cllr Mair Stephens and officers from Regeneration & Policy on 25 October. The meeting was positive with feedback provided by both organisations on the implementation of the Standards and future steps.

During December 2016 and March 2016, the Welsh language Commissioner's Office undertook a series of quality assurance exercises. This included visiting reception areas, websites, social media and holding a sample of telephone calls. Carmarthenshire County Council has performed well in these exercises, specifically when looking at our corporate website and use of social media.
