Leisure is a much valued, front line service providing a range of health and well-being related facilities, activities and programmes, all aimed at getting:

**More people, More active, More often.**

We want Carmarthenshire to be a place:

- That is the most active and healthy in the UK
- Where every person is an active participant at a 'Community Club' or 'Leisure / Cultural Facility'
- Where every child is hooked on Leisure / Cultural activity for life

The service aims to deliver 7 key Outcomes for residents and visitors to the County:

- Outcome 1: People can access opportunities to be active
- Outcome 2: More children & young people are hooked on leisure / cultural activity for life (0-24)
- Outcome 3: More people (25+ yrs) are active in Leisure and Culture
- Outcome 4: People are affiliated to clubs / community groups or facilities
- Outcome 5: People are given the skills to become physically and creatively literate for life
- Outcome 6: People achieve their potential
- Outcome 7: Our facilities and services are well managed and efficient

The purpose of this annual report is to update members in relation to actions and measures delivered by the division in relation to the above aims and objectives.

The division is also in the process of drafting its 2017/18 business plan which looks forward at next year's actions and would welcome members' observations and comments as part of that process.
