### **1. Policy, Crime & Disorder and Equalities**

The County Council's Transformations Regeneration Plan 2015-2030 highlights the aim to *transform the overall economic, environmental, cultural and social well-being of Carmarthenshire*. The Events Support Scheme as one of a set of aligned actions to grow events in the County by the County Council will make an impact to events that can in turn improve the contribution events and festivals make to the economy and communities in Carmarthenshire.

A criteria for assessment in this scheme is the contribution the applicant's events can make to the Heritage and Culture of their community including the positive use of the Welsh Language throughout the communication and delivering event activities through the medium of Welsh.

### **3. Finance**

The funding for this scheme has been provided through core funds from the Marketing & Media section of the County Council. The total agreed sum for the scheme is set at £20,000 for the financial year 2017 / 2018.

### **5. Risk Management Issues**

As a third party grant, the responsibility for successful event delivery is with the applicant who under the terms of the scheme are only allowed to make a claim after the event has occurred.
