# EXECUTIVE SUMMARY EXECUTIVE BOARD 23RD OCTOBER 2017

### Carmarthenshire County Council's Annual Report for 2016/17

- 2<sup>nd</sup> Year's progress report on the Corporate Strategy 2015-20 (Including our Summary Annual Report 2016/17)
- Full Annual Report 2016/17

### 1. BRIEF SUMMARY OF PURPOSE OF REPORT.

### 2<sup>nd</sup> Year's progress report on the Corporate Strategy 2015-20 (Including our Summary Annual Report 2016/17)

 When we published the Corporate Strategy 2015-20 we promised to conduct an annual progress report and we set out a set 24 Outcome measures to judge our progress against

(The Corporate Strategy will be reviewed for 2018/19 as the Well-being of Future Generations (Wales) Act 2015 states that we must incorporate our Well-being Objectives within the Corporate Strategy)

- By law we also have to publish a summary and full Annual Report
- It makes sense to combine the Corporate Strategy progress and summary report into one document to avoid duplication and align plans and reports
- In the recent WAO Annual Improvement Report they found that our combination of a short summary and a full version – gave all the information needed.

### Full Annual Report 2016/17

- In previous years we combined Annual Reporting and Improvement Planning
  (ARIP) into a single document. This year we separated them because the new
  Well-being of Future Generations Act required the publication of our Well-being
  Objectives by the 31<sup>st</sup> March, and it made sense to incorporate our Improvement
  Plan within that. We could not have produced an Annual Report before the years
  end.
- In the future we will continue to integrate our Improvement Plan and Well-being Objectives in a single plan looking forward. We will also aim to integrate the Annual reporting of both the Improvement Plan and Well-being Objectives in a single report.
- By law we have to publish a full Annual Report
- 2016/17 end of year progress on our Key Improvement Objective Priorities are incorporated into this document

Progress on the WAO Corporate Assessment Proposals for Improvement are incorporated into the document together with the National Survey for Wales results for 2016/17.

### 1. Policy, Crime & Disorder and Equalities

The Annual Report is aligned to our Integrated Community Strategy Outcomes & Goals.

### 2. Legal

We had to publish our Well-being Objectives by the 31st March and we incorporated our Improvement Plan for the year ahead in that publication.

In previous years we combined Annual Reporting and Improvement Planning into a single document to meet the Local Government Measure requirements. This year we have had to separate them.

### 3. Finance

See the Making Better use of Resources theme.
