### **RISK REGISTER**

#### **BRIEF SUMMARY OF PURPOSE OF REPORT**

##### **Introduction**

The Risk Register is a working document that captures all the risks identified in relation to the functions of the Dyfed Pension Fund. This is regularly monitored and reviewed.

The register includes:

- Details of all identified risks
- Assessment of the potential impact, probability and risk rating
- The risk control measures that are in place
- The responsible officer
- Target Date (if applicable)

There are no amendments following the current review and the register's approval in April 2017.
