EXECUTIVE SUMMARY

POLICY AND RESOURCES SCRUTINY COMMITTEE

6TH DECEMBER 2017

Draft Carmarthenshire Well-being Plan: The Carmarthenshire We Want

The Well-being of Future Generations (Wales) Act 2015 places a duty on each Public Services Board (PSB) to develop and publish a county Well-being Plan by May 2018. As part of the preparation of this draft Plan, Carmarthenshire PSB has undertaken a detailed Well-being Assessment of the social, economic, environmental and cultural well-being of the county. The assessment, along with a series of engagement events, have been used to identify the Carmarthenshire well-being objectives for this Plan and the actions to make progress against those objectives. The four objectives are as follows:

- **Healthy Habits:** people have a good quality of life, and make healthy choices about their lives and environment
- **Early Intervention:** to make sure that people have the right help at the right time; as and when they need it
- **Strong Connections:** strongly connected people, places and organisations that are able to adapt to change
- **Prosperous People and Places:** to maximise opportunities for people and place in both urban and rural parts of our county

The objectives and actions identified as part of this plan focus on areas of collective action that the PSB can influence by working together and does not therefore replicate what is considered to be the core business of the individual member bodies of the PSB, unless there is added value to be gained by the PSB working together.

As part of the development of the draft Well-being Plan the PSB is required to seek advice from the Future Generations Commissioner. Attached as Appendix 1 is the advice received from the Commissioner which the PSB has considered and taken account of in this draft Well-being Plan. This advice will also be considered as part of the development of the delivery plans.

The PSB is currently undertaking a 12-week public consultation on its first draft plan and is seeking views on the objectives and actions as they prepare for the publication of the first Carmarthenshire Well-being Plan in May 2018. This report is seeking to gather the Council's comments on the draft Plan.

During October-December 2017 further work will be undertaken to develop detailed delivery plans for the short and medium term actions identified in the plan. These will be presented as part of the final Well-being Plan which will be re-submitted for consideration by the Council prior to approval by May 2018.
