## ADDENDUM – Area West

<i>Application Number</i>	<b>W/35041</b>
<i>Proposal &amp; Location</i>	AFFORDABLE DWELLING AT LAND ADJACENT, TALIARIS, MAESYCRUGIAU, PENCADER, SA39 9DH

### **DETAILS:**

With regard to the concerns expressed by the Head of Public Protection in relation to potential noise impacts owing to the proximity of the proposed dwelling to the existing sawmills, Members are advised that the occupiers of Taliaris objected to a recent planning application (W/29701) which sought full planning permission for an extension to the sawmills. One of their grounds of objection was based on excessive noise levels emanating from the sawmills, with specific reference made to having “*over the recent five decades suffered increasing noise pollution from the sawmill*”. This reinforces the Authority’s concerns over the suitability of this site for a new residential dwelling in such close proximity to an existing industrial operation.
