EXECUTIVE SUMMARY
EXECUTIVE BOARD MEMBER DECISION MEETING FOR
PUBLIC PROTECTION

19TH JANUARY, 2018

SERVICE DELIVERY PLAN 2017/18
ENVIRONMENTAL PROTECTION SERVICES

The Environmental Protection Section is required by the Food Standards Agency and the Health and Safety Executive to produce an annual Service Delivery Plan. The format of the plan is prescribed in the relevant Framework Agreements.

The Plan provides an outline of the Council's service aims and objectives including links to the corporate objectives and plans. A brief description of the Council is included, defining its infrastructure, economy and organisation structure. The Plan also requires the scope and demands of the Environmental Protection Services.

The Plan is divided into sections' which provide details of specific areas of each of the services and workplans' for the coming year. This is an opportunity to highlight where there are weaknesses and strengths within the relevant Teams. There are specific areas that are highlighted as being at risk and those that the section is no longer able to provide because of the limited resources.

A breakdown of resources is provided, including staffing costs, administration, supplies and services, training etc. with comparisons between financial years. Details of the breakdown of the costs are included within the text.

The final section contains information and details of quality assessments and illustrates the various ways that the Section ensures consistency, efficiency and competency.

The Service Delivery Plan is subject to annual review.
