EXECUTIVE SUMMARY
POLICY & RESOURCES SCRUTINY COMMITTEE
7 FEBRUARY 2018

**CARMARTHENSHIRE WELL-BEING PLAN:
THE CARMARTHENSHIRE WE WANT**

The Well-being of Future Generations (Wales) Act 2015 places a duty on each Public Services Board (PSB) to develop and publish a county Well-being Plan by May 2018. As part of the preparation of this Plan, Carmarthenshire PSB has undertaken a detailed Well-being Assessment of the social, economic, environmental and cultural well-being of the county. The assessment, along with a series of engagement events were used to identify the Carmarthenshire well-being objectives for this Plan and the actions to make progress against those objectives.

The objectives and actions identified as part of this plan focus on areas of collective action that the PSB can influence by working together and does not therefore replicate what is considered to be the core business of the individual member bodies of the PSB, unless there is added value to be gained by the PSB working together.

From 11 October 2017 to the 3 January 2018 the PSB held a 12-week consultation on a first draft of the Plan (during which the Policy and Resources Scrutiny Committee were consulted). At its meeting on the 18 January 2018 the PSB considered the feedback from the consultation and further development work undertaken during the consultation period and agreed amendments to the Plan accordingly. The key amendments to the Plan are included on pages 14-18 where further information has been included against each of the actions in order to identify '*How we will do this...*' and '*Who will do this...*'. This will form the basis for a series of Delivery Groups which the PSB will now look to establish to make progress against the identified objectives and actions.

The PSB is therefore presenting its final Plan for consideration and approval by the four statutory members of the Board (Carmarthenshire County Council, Hywel Dda University Health Board, Natural Resources Wales and Mid and West Wales Fire and Rescue Authority). The Plan will then be adopted by the PSB for delivery from May 2018 onwards.
