Pwrpas y Fforwm Cydnerth Lleol yw:

Sicrhau y cyflawnir dyletswyddau'r ddeddf yn effeithiol, y mae angen eu datblygu yn ddull amlasiantaeth ac yn ddull unigol fel ymatebwyr.

Dylai gyflawni:

Proffiliau risg y cytunwyd arnynt ar gyfer yr ardal drwy gyfrwng cofrestr risg cymunedol gan ddefnyddio dull trefnus a chydlynol sydd wedi'i gynllunio er mwyn annog ymatebwyr - mynd i'r afael ag holl agweddau'r polisi:

The purpose of the LRF:

Ensure effective delivery of the duties under the act, which need to be developed into a multi-agency environment and individually as responders.

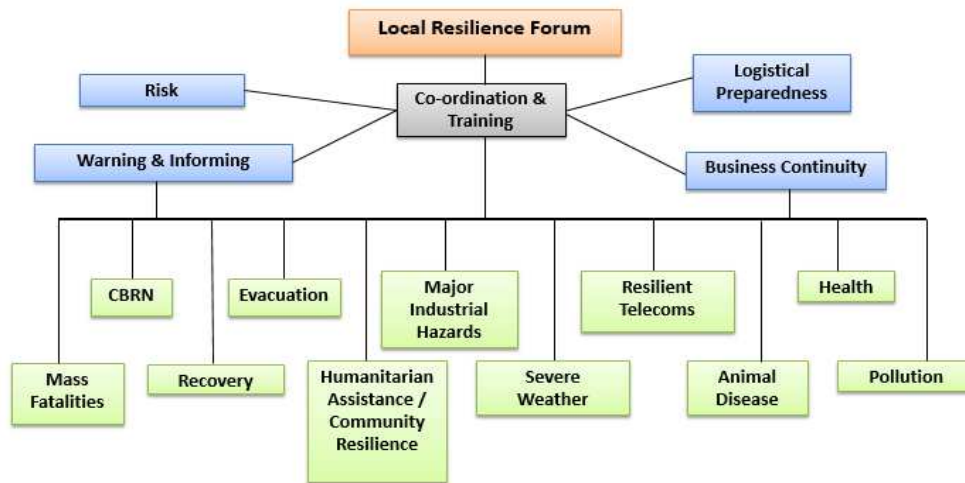

Should deliver:

Agreed risk profiles for the area, through a community risk register & systematic, planned and co-ordinated approach to encourage responders - address all aspects of policy:
