licences, Section 8 relating to Applications for Premises Licences and Section 10 relating to Licence Conditions.

e) Relevant Sections of the Local Licensing Policy.

The Licensing Authority believes that the following sections of Carmarthenshire's Licensing Policy are relevant to this licence application:- Section 3 Fundamental principles, Section 4 Conditions of Licence, Sections 5 – 9 relating to The Licensing Objectives and Section 11 relating to Licensing Hours.

f) Proposed Operating Schedule.

Having considered the current application and the operating schedule put forward by the applicant, the Licensing Authority believes that, if the application were granted, the wording set out in the operating schedule, which refers to the existing licence conditions, is not sufficiently precise to enable it to form clear enforceable licence conditions in accordance with section 18(2)(a) of the Licensing Act .

The Police and Environmental Health have both submitted letters of representation in relation to the application. The Police representation requests that additional conditions be attached to the licence should the application be granted.

Further representations have been received from a number of other persons raising concerns regarding the granting of the application and making reference to problems experienced when the premises was being operated by the previous licence holders. The subcommittee will have to be satisfied that granting the application will not undermine the licensing objectives.

The Environmental Health representation requests that the applicant outlines how they intend to manage the premises to ensure that it does not impact negatively on its neighbours.

Following a brief meeting at the premises on the 7th of March 2018 you forwarded the attached list of control measures. I would also be grateful if you could forward a copy of your response to the Environmental Health representation in advance of the application being considered by committee.

If the application is granted, I believe it would be appropriate to replace all the statements made in the operating schedule with conditions numbered 1 -22, requested by the Police along with the control measures outlined in the attached document.

These representations have been prepared on the 25th of March 2018 with the benefit of viewing the original application and representations from the Police, Environmental Health and the other persons.

I would be grateful if the applicant could contact me to discuss the above representations at the earliest opportunity and certainly prior to the application being referred to a Licensing Sub Committee hearing for determination.

If you require any further information or assistance, please do not hesitate to contact me.

Yours faithfully,

Mr E O R Jones

Dear Sirs,

I write to object to the application for a Licence for Alcohol at the property in Jackson's Lane- King St, which used to be known as Jackson's Wine Bar. The applicant is Jasmine Louise Thomas.

My family own property opposite these premises, and I actually lived in the flat upstairs with my parents and my children when it first became a Wine Bar back in the late 80's, and remember how it affected our lives then! Noise not only from loud music but drunk revellers throughout the night, until the early hours. Bad language, fighting, using the lane as a toilet, vandalism such as broken windows and drain pipes, doors kicked etc. We often had to hose down the pavement and walls in the lane in the morning. It was not pleasant.

I am saddened by this application, and hope you consider it carefully. Does the town really need yet another drinking establishment in this area? I sincerely hope not.

Yours sincerely,

Sue Edwards

Subject: Jackson's wine Bar Premises License application

To whom it may concern,

I am writing regarding the application for premises license for Jackson's Wine Bar. I am the owner of Caffi Iechyd Da which is diagonally opposite the entrance to Jackson's wine bar on Jackson's Lane.

My business has been here for many years and though we are a fully licensed premises we are a restaurant so we open in the evening for dinner service, special events, poetry and spoken word events, local book launches, talks and acoustic music events.

The focus is very much on food and entertainment and we have always had absolutely zero problems with noise or disorderly behaviour, none whatsoever, because of the type of events we hold and the customer base that we attract.

However, in the past when the old Jackson's wine bar was open we had a lot of problems with noise, disturbance and drunk aggressive very undesirable people. The door staff of the wine bar would eject customers into the street and they would then cause a problem trying to get into my restaurant/ being aggressive and noisy outside - as it is so close, just further down the alley and obviously this is detrimental to my business - if you can imagine this sort of behaviour when people are sitting having a quiet meal or during a storytelling event or similar?

Since the closure of the original wine bar it has been a huge relief for my business and the general area feels more civilised and a safe environment in the late evening.

I am glad to see a venue in Carmarthen being regenerated and wish any new business owner the very best of luck in a new venture, however I am very worried that the wrong sort of business could really damage the reputation and feel of the whole area. If the premises license goes ahead I would want to see much more control over the way that the customers behave - Jackson's used to be known for selling cheap strong drinks and the customers tended to behave accordingly.

As a personal license holder myself and having run bars, pubs and hotels I see no reason why customers should be leaving a premises in a drunk and aggressive condition, they should never be allowed to get into that sort of state in the first place. I also strongly feel that the music that used to be played in that premises under previous ownership was much too loud and strongly impacted my business so I feel that some kind of sound proofing is a problem that needs to be addressed as, quite apart from my own problems this is also a residential area.

I hope that the reopening of the wine bar will prove a positive impact in regenerating the area however I will be very disappointed if the evening trade that I am building is destroyed so that we can go back to a few years ago when I would be having to clear vomit off my doorstep, reattach signs, and struggle to eject unwanted drunken people from my evening events.

Thank you for considering my concerns,

Yours faithfully,

Helen Oakes Caffi Iechyd Da

Subject: License application Jacksons Lane

We have been informed that the Wine Bar in Jacksons Lane is applying to renew a licence to sell alcohol. Our antique shop, Audrey Bull Antiques, specialises in high end jewellery and silver. So we have a sophisticated alarm system and grill fitted to the window and door. Before the wine bar closed we had two problems, firstly the behaviour of the people who have been Drinking, then leaving the premises are rowdy and even frightening for the people who use this busy thoroughfare, this certainly doesnt help our business when people are viewing Our shop window and entering and leaving the shop. Secondly our night time alarm was constantly activated by rowdy behaviour, people fighting, banging on and bumping inot the door and window protective grills, so much so That police response was withdrawn, which affected our insurance policy hugely We live in Saundersfoot and other key holders who may respond to the alarm live too far away. I can assure you, to be called to Jacksons lane late at night is extremly intimidating. We live in dread of this reopening and all this occurring again.

Sent from Outlook

Dear Sir/Madam

I would like to make a representation to the court

It is my strong objection to an alcohol Licence being issued to a Jasmine Louise Thomas of the former wine bar in Jacksons lane Carmarthen Town Centre

I believe that in the last few years the Lane to be a better, safer, area within the town centre and a bar at this location would only create crime and disorder therefore please prevent this change.

Also the prevention of public Nuisance is a concern of mine, as is the safety of the public who frequent the lane, of all ages.

My concern stems from a life time knowledge of the Jacksons Lane area of Carmarthen Town, owning properties at a short distance away.

Yours Sincerely,

Dear Sirs/Madam,

I am writing to express my concerns regarding a Premises Notice at a property in Jackson's Lane (formerly known as Jacksons Wine Bar), Carmarthen SA31 1QD, applied for by a Jasmine Louise Thomas

I was very distressed when I came across the licence notice on the Wine Bar door, as I, nor any other local residents or businesses had been personally notified by letter drop. I did not see anything in the local paper, the Carmarthen Journal, either.

This property has been closed for a few years and it is with great concern that I see an application for a Premises License for alcohol has been submitted to the council.

The hours of opening applied for are 12 to 23.00 Sunday to Wednesday and 12 to 01.00 Thursday to Saturday, giving half an hour to empty the premises after last sale of alcohol. This is 7 days a week during sleeping hours of surrounding residents.

I am a tenant [redacted] and it is on a pedestrian lane so is in very close proximity. It will be a great detriment to my home life and quality of life if they are to open under these conditions.

I am particularly concerned as I have multiple chronic health conditions that keep me at home the majority of the time, and weekends in this area are already problematic.

There are several residential properties in the area, who's inhabitants include children.

The [redacted] are often damaged and vandalised, being beaten and kicked every weekend. Regardless of the shutters the shops require to protect their properties, these are always smashed aggressively by large crowds. There are frequent fights and worrying instances of violence. The wine bar door happened to be kicked in so severely recently that it still has not been replaced. A shop around the corner also had it's window smashed in the last few months.

The lane is used as a shortcut through town by everyone, but on weekends is used as a public toilet, with people urinating and vomiting on a regular basis. [redacted] It is also where people go to take numerous drugs, and lewd behaviour seems to be a natural occurrence. It is also a danger with smashed glass throughout the evening, which the cleaning van does not always manage to pick up.

A lamp post was recently put up [redacted] after a complaint to act as a deterrent, but unfortunately has not seemed to stop anyone.

The Carmarthen town is a very attractive area until the weekends. This addition will only serve to make the risk to property worse and disturbance to residents unbearable.

There are already a large number of bars in the area, making me wonder about the cumulative limit. One in particular has very loud music that I believe goes over the decibel limit, as my property vibrates and hums throughout the time they have music playing.

[redacted]

ES

Complaints of high levels of noise, broken bottles, anti-social, violent and nuisance behaviour from customers, including lewd acts and urination in the lane from people spilling out from what was an outside area and the alarm constantly going off were very much a concern and many of these incidents were passed onto the police in the past.

It will make my flat and others homes a very difficult place to live, particularly for me as such an ill person who often can't go out and needs to rest due to my poor health.

The noise of the bottle disposal in the early hours and the delivery of barrels to surrounding bars can still be heard from my home, all of which contribute to extreme levels of noise at unsociable hours for residents.

This premises [REDACTED] will be too much.

Although still not safe or clean, there has been improvement since the closure of Wine Bar. Reopening would change this fact, when there were hopes of further improvement with the planned rejuvenation of the Shopper's Garden area.

Any tenant would be unhappy, but as I spend more time in my home than most people, I would be grateful if you could please consider all I have said.

I have viewed the proposed licence for myself, and although it has been noted that care will be taken in respect of residents, this has never been adhered to in the past.

The late hours of opening and noise would interfere with anybody's enjoyment of living here.

Can you please accept this letter as a strong challenge to the granting of this license and the hours applied for as it will directly impact on the Licensing objectives, Prevention of Crime, disorder, public safety and nuisance and to resident's safety.

I request that you please ensure my identity and anything that could allude to my identity be kept anonymous for fear of any reprisal. Many thanks.

Yours sincerely,

Dear Sirs,

I am writing to express my concerns regarding a Premises Notice at a property formerly known as Jacksons Wine Bar Jacksons Lane Carmarthen SA31 1QD.
The applicant is Jasmine Louise Thomas, (who I do not know).

This property has been closed for some years and it is with great concern that I see an application for a Premises License for alcohol has been submitted to the council.

The hours of opening applied for are 12 to 23.00 Sunday to Wednesday and 12 to 01.00 Thursday to Saturday. This is 7 days a week and at a time when residents would be sleeping!

I own a first floor flat opposite this property and as it is on a pedestrian lane it is in very close proximity.

There are also several other residential flats all around this property.

My family also own the shop 'Jennie's Alterations' and 'Audrey Bull Jewellers', which are on the ground floor of the flat. Both of which have had countless windows smashed in the past, despite there being shutters on the windows.

The Carmarthen town is a very attractive area until the weekends. This addition will only serve to make the risk to property worse and disturbance to residents intolerable.

Past experience of high levels of noise, broken bottles, anti-social violent and nuisance behaviour from customers, including lewd acts and urination in the lane from people spilling out from what was an outside area.

These acts were very much a concern and many of these incidents were passed onto the police in the past.

The noise of the disposal of bottles in the early hours and the delivery of barrels all contributed to extreme levels of noise at unsociable hours to residents that have lived there in the past and it was with great relief to many when it was closed.
