Dear *Chris*

Swansea Bay City Region City Deal: Financial Arrangements

I refer to the ongoing discussions you and others have been having with my predecessor and other colleagues in Welsh Government regarding the Swansea Bay City Region financing arrangements. In particular these have covered how the authorities within the city region are seeking flexibility to manage the financing of the City Deal projects, in the same way that authorities have flexibility to effectively and efficiently manage the funding of their own Capital Programmes.

As set out in the Heads of Terms, the Welsh Government and UK Government have committed to invest a combined total of up to £241 million on specific interventions, subject to the submission and approval of the full business cases in relation to the 11 identified projects and the agreement of governance arrangements. This funding is to be provided as capital funding. However, the Region has indicated that the nature of some projects means they require revenue rather than capital support.

Subject to confirmation by HM Treasury, the government capital grant funding is to be provided on a flat profile with payments of the grant being made over a 15-year period. The local authorities within the City Deal region are expected to manage the funding in respect of the individual projects in the most cost effective and efficient way. There are no plans for Welsh Government to set additional terms and conditions on the use of the capital grant funding or restrict any otherwise permitted funding mechanism beyond those already set out in the Heads of Terms and the standard requirements of grant offers to ensure the maintenance of the highest standards of regularity and propriety for the use public monies. Within this, we expect each local authority to optimise its own funding position.

As indicated previously, the Welsh Government will expect the equivalent value of the allocated grant funds to be clearly expended on the projects as per the business cases submitted.

In light of the Swansea Bay City Region's need for revenue funds to support some of its projects, the Welsh Government recognises the four authorities will need to manage their capital funding so as to enable revenue expenditure to be supported. If this is to be achieved (at least in part) through the use of the local authorities' available Capital Receipts, local authorities will need to have reference to the latest Direction from Welsh Ministers on the use of capital receipts, issued under section 15(1) (a) of the Local Government Act 2003 and the accompanying statutory *Guidance on Flexible Use of Capital Receipts*.

This may involve each local authority allocating borrowing against other capital projects within its capital programme, to maximise flexibility and make most effective use of resources (including the use of Reserves). This will be a matter for the local authorities concerned, provided they clearly identify that the total value of the City Deal funding provided has been incurred as expenditure on City Deal projects.

As was set out in the Heads of Terms, the Swansea Bay City Region will need to work with the UK Government and the Welsh Government to develop an agreed implementation, monitoring and evaluation plan for whole Deal which sets out the proposed approach to evaluating the impact of delivery.

Linked to this, as part of the grant procedures, the authorities will need to demonstrate clearly that all expenditure has been incurred on each project in line with the relevant business case. This is in line with the City Deal ethos of local accountability, where we have already set out in our letter of 7 July 2017 to the City Deal Accountable Officer (Mark James) that we do not intend to impose additional terms and conditions on the grant offers beyond those required as a matter of course to ensure financial propriety and good governance.

I hope this letter gives you and your colleagues within the City Region sufficient reassurance and confidence in relation to the available funding flexibilities to ensure all the projects can be delivered.

Yours sincerely
