ENVIRONMENT
12TH JULY 2018

Llanelli Shopmobility

The County Council has supported the Llanelli Shopmobility scheme since 2011. The current funding arrangement is due to expire this year.

The Llanelli scheme provides a valuable service for the disabled and has been relatively successful.

The group generates income from charges and fund raising. The scheme is however mainly reliant on the County Council's financial support. The Group has requested further financial support from the Council for the current year, amounting to £ 14,650.

Shopmobility is one of many initiatives being encouraged by the Authority to support the town and is one of the key priorities within our Integrated Parking Strategy i.e.

“To provide more facilities for the mobility impaired” – including appropriate levels of parking provision within car parks and through the encouragement of Shop Mobility schemes within town centres.”

The Council has set aside funding to fund a further twelve months support.

It is therefore recommended that the Llanelli Shopmobility scheme be supported for a further twelve months.

Recommendation.
