Dear Sir,

**RE: Application to vary a Premises Licence
PELICAN INN/PANED UN, Sycamore Street, Newcastle Emlyn,
Carmarthenshire, SA38 9AP
Application Date 26/07/2018**

Further to the receipt of the above application, the Licensing Authority make the following representations:

a) Previous Enforcement Action / Prosecutions

There have been no previous prosecutions taken by the licensing authority in relation to these premises. However following referrals from the Dyfed Powys Police, outlined in c below, licensing officers along with the Police Licensing Officer have met with the premises licence holder and designated premises supervisor on both occasions to discuss the management of the premises.

b) Complaints.

There have been no complaints received by the licensing authority in relation to these premises.

c) Responsible Authority Referrals.

The licensing authority has received two referrals from the Police in relation to the above premises. The first in May 2016 when the Police were called to a fight at the premises and subsequently witnessed loud music being played at the premises at 3.50 am. The second referral was received in March 2017, following receipt of a complaint of noise from a local resident.

d) Relevant Sections of the Statutory Guidance.

The Licensing Authority believes that the following sections of the Statutory Guidance are relevant to this licence application: - Section 1 Introduction, Section 2 relating to The Licensing Objectives, Section 5 relating to Premises Licences, Section 8 relating to Applications for Premises Licences and Section 10 relating to Licence Conditions.

e) Relevant Sections of the Local Licensing Policy.

The Licensing Authority believes that the following sections of Carmarthenshire's Licensing Policy are relevant to this licence application:- Section 3 Fundamental principles, Section 4 Conditions of Licence, Sections 5 – 9 relating to The Licensing Objectives and Section 11 relating to Licensing Hours.

f) Proposed Operating Schedule.

Having considered the current application and the operating schedule put forward by the applicant, the Licensing Authority believes that, if the application were granted, the wording set out in the operating schedule, which refers to the existing licence conditions, is not sufficiently precise to enable it to form clear enforceable licence conditions in accordance with section 18(2)(a) of the Licensing Act .

The Police have submitted a letter of representation in relation to the application. The Police representation does not object to the application but requests that additional conditions be attached to the licence should the application be granted.

Further representations has been received from other persons, which sets out their objection to the application. The subcommittee will have to be satisfied that granting the application will not undermine the licensing objectives.

If the application is granted, given the location of the premises and the permitted hours sought, I believe it would be appropriate to attach conditions numbered 1 -19, requested by the Police in their letter of the 7th of August. In addition to the Police conditions I believe that it would be appropriate to attach a further condition requiring the licence holder to place prominent signs both inside and outside at the entrances to the premises advising customers that no persons may enter or re-enter the premises after midnight.

These representations have been prepared on the 23rd of August 2018 with the benefit of viewing the original application and representations from the Police and other parties.

I would be grateful if the applicant could contact me to discuss the above representations at the earliest opportunity and certainly prior to the application being referred to a Licensing Sub Committee hearing for determination.

If you require any further information or assistance, please do not hesitate to contact me.

Yours faithfully,

No Seasonal Variations.

No Non Standard Timings.

Currently the Premises Licence holder and DPS is Cefin Evans, Mr Evans does not have day to day control at the premises.

Mr. Andrew Giles has for some time been in charge of the day to day business of running the premises. The Police therefore request that Cefin Evans be replaced as the DPS with a person who has the day to day control of the business.

There are no Police objections to the proposed variation; the Carmarthenshire Division of the Dyfed Powys Police will make the following representations.

With the later hours applied for the Police have asked for strong and robust conditions to promote the licensing objectives.

- 1. The whole of the licensed area with entry and exit areas must be covered by CCTV cameras, and there must not be any hidden or obscured areas .This will deal with issues which may have arisen outside the premises when customers have been arriving or leaving.**
- 2. The System must be installed by a company certified by SSAIB or NSI Gold standard.**
- 3. Main entrance exit to have a camera meeting a minimum of 100%R image quality.**
- 4. All footage must be of good quality and of a minimum performance capability sufficient to identify individuals.**
- 5. It must be in colour.**
- 6. It must record at a minimum of 12 images per second.**
- 7. All images will be time and date stamped.**
- 8. All footage during the hours of Licensable activities to be retained for a period of 30 days.**
- 9. The CCTV system must operate continuously, and if a defect arises the police must be informed and immediate arrangements must be made to rectify the fault**
- 10. All footage must on demand be made available to a Police Officer, Police Community Support Officer and Local authority Officer for viewing and a copy of that footage made immediately available to the above officers.**

11. At all times during the period of operation of the premises there must be a competent person on the premises capable of reply and be able to undertake the export of recordings quickly onto a removable storage medium. Memory Stick, CD, or DVD format is acceptable to the police. The master copy will be available to the police on demand.
12. The system must incorporate a means of transferring images from the hard-drive to a format that can be played back on any Microsoft Windows or MAC compatible computer. Ref The Pelican Inn

20 August 2018

Dear Sirs

For the past 20 years I've run a business, The
Maker's Mark, retailing locally produced Arts
& Crafts at No 15 Sycamore Street, some 20 odd
paces from the Pelican Inn. I live above my
business & my garden is at the rear of the property.

I wish to voice my strong objections to increase the
licensing hours at the Pelican Inn from

Sunday - Thursday 11pm to midnight

Friday - Saturday, from 11pm to 2.30 am

And here are the reasons why — but first

you'll have to bear in mind that I assumed that
the Pelican was legitimately open until 1-1.30 am

so you'll have to read some of this as the

problems the proposed extension to the opening hours

alors du cause

Taxis

2

Cars & Minibusses, even the odd small coach on occasion but it's not uncommon to have up to 3 assorted vehicles all sat in the vicinity outside the pelican with their engines idling in the early hours of the morning.

You're thinking now that it's just for a few minutes before they pick up their clients aren't you?

I know that you are because this would be logical/reasonable/sensible. But no! whether they are waiting 15 minutes or an hour they ALL without exception leave their engines running.

It is usual for taxis to be waiting 20-40 mins.

This is annoying because in the quiet of the night the sound of the idling engines immerse my home in a pulsating drone with a maah ta-ta-ta rrrraaaaah ta-ta-ta beat if their engines arn't up to scratch and, it stinks.

It's really relaxing to get some clean fresh air at night. Taxis idling for long periods of time really stink my home out more than cars driving past during the day. It makes me feel quite nauseous sometimes!

Other neighbours complaining to me about this

gave me incentive; on occasion to go out & ask the taxi drivers if they would mind turning their engines off whilst they're waiting & explained why. Most were Sweethearts, a few have been gruff & arsie and have gone & sat with their engines running around by the clock-tower instead. but people live by there too, so.

This issue is still an ongoing nuisance & a completely unnecessary one by my reasoning.

The third issue with the taxi drivers collecting clients from the Pelican in the early hours of the morning is that by that time the front doors are closed to new arrivals but the pub is still busy & playing loud music inside.

Consequently the taxi drivers have to hammer with some force on the front door of the pub in order to be heard above the noise inside.

Frankly this would wake the dead but oftentimes is not loud enough to alert the clients inside the pub, so, repeat until desired results are obtained.

It's very alarming, would certainly wake me if I was naive enough to go to sleep before 2am. I've got used to it - still gives me a start but no

longer creates that flight or fight anxiety response when you recognise that it's not a neighbour's door getting kicked in. This door hammering also occurs with drunk people desperate for more booze having already spent the evening in another pub, I presume.

Despite that these issues occur well past midnight, I do understand that the above issues are not directly within the control of the manager of the Pelican Inn. Regardless they are still problems in relation to the Pelican that I fear would continue from Midnight ~ 4am should this extension to the license be granted.

Now for the issues that are under the control of the licensee. Motorhead, & other such heavy metal bands. I am not a fan. I am not a fan of much of the music played at The Pelican & I don't want to have to listen to it in my home. The Pelican goes through phases where all is good & I get on with mine & my life. There may be a degree of background noise in my house of course but not to the extent of being

particularity intrusive or really interfering with the enjoyment of my home. Then there are phases and single occasions where the volume of the music is completely unacceptable & completely disrespectful of the lives of local residents.

By an unacceptable level I mean being able to hear clearly which tracks are being played whilst working inside No. 17 with all the doors & windows closed.

I mean thoroughly anti-social

It's meant to be a pub (not a nightclub). I don't want to be ringing the police at 3am to get the Pelican to stop when the pub is going through a loud phase. Certainly I, & I'm sure the Police have better things to do.

The last issue, not entirely unrelated to the above fairly frequent breeches of the current licensing hours. I've had previous issues which should be on file regarding heavy metal music from the Pelican being audible in my home at 2-3am. I must stress this was from the pub not from the flat above. I don't know where those files are now but when I met with the police I could prove this, it was absolutely evident from the

recordings that the pub was very much in full swing. At that time I was given to understand by the police that the license to play music was until 11pm?

Still to this day the music from the Pelican is frequently at its loudest from 11pm - 1am.

I have no issue with quiet lock-ins. I object when the whole neighbourhood has to share in them. It's anti-social & drunk people coming out of a noisy environment make a lot of noise.

I can understand the Pelican wanting to even out the playing field in regard to its licensing hours compared to the licensing hours of other pubs in town. And, by comparison, the frequent breaching of license & anti-social behaviour arising from the Bunch of Grapes, desited even though it is much further away from my property has had (its been behaving itself for the last few months) a vastly bigger detrimental impact on my life & the town. For all Andrews playing outside the rules, he runs a darn clean pub. It's the pub the towns traders meet for a pint. He puts a lot of effort in to his window displays, amusing chalk boards, flower displays. They always look brilliant, lots of care & thought

7
goes in to them. He has a reputation for
throwing people out — which is a positive thing!
He has standards & he won't tolerate drug taking,
drug dealing, aggressive drunken idiots, louts & yobs.
It's the pub I recommend to my customers. I'm
confident the experience they have there won't leave
me ashamed of my town. They'll be safe there.

I can understand the publican 'sibling-ish'
rivalry of 'Well they're getting away with it &
then some, so why can't I'.
Well because two wrongs don't make a right

Allowing pubs to be open until 2-2.30 in
the morning has been a disaster for the
town — good gosh I thought that Sir Ceredigion
only granted Hookers nightclub a license till
2am to spite Sir Gaerffyrddyn, it shouldn't
have set a precedent. That lesson should
have been learnt a decade + ago.

Right & fair would be to bring all the pubs
in line to close earlier & to enforce it.

Newcastle Emlyn is not a large town such as Llanelli or Carmarthen. It is a small narrow street of a market town, still with a high residential population living on the high street. When are we meant to get some sleep? From 3am till 7am, when the street cleaners & deliveries start?

As I said at the start of my letter, I've been in business for 20 years & in that time I've put over a million £'s directly back in to the local economy. I didn't achieve that by just sitting behind the counter & looking pretty. It's hard-bloody-work, & it's constant, a lifestyle rather than a job & a juggle to make ends meet.

It's the same for everyone along the high street. So why are Publicans/nightclub owners etc regarded like Chinese sons when it should be regarded as if we are all in it together.

Because we are

If the goal is towards a town full of charity shops, pubs & DHSS tenants then you're going about it the right way because the

Noise/music pollution from pubs & the opening till the middle of the night has had a colossal detrimental impact on my mental health & physical well being.

It has had a colossal detrimental impact on the peaceful enjoyment of my home & environs.

It has had a colossal detrimental impact on my income & the ability to run my business.

It costs me. In the hundreds & hundreds

For my part, Mrs Thomas doesn't like my Glenn Ibbitson canvases of nude men in the shop window. That's the extent of my 'negative' impact on the community

You can see the inequality here surely?

I appeal to you not to dish out more late licenses, rather reign it in for all pubs & get some order in this town to really 'improve the way we live & work' as a community

18th August 2018

I hope I can express how strongly I object to the extended licensing hours at The Pelican Inn, Newcastle Emlyn.

I live at the back of Sycamore Street - a garden and an alleyway from the rear of the Pelican - and I'm frequently disturbed by loud music, swearing, shouting & general alcohol-fuelled noise from the 'smoking area' - many times past midnight & beyond. I cannot have any windows open nor can I go to sleep on these occasions - the thought of it going on until 2.30/3am is intolerable. The landlord already breaches his licensing hours & shows little consideration to this being a residential area (at least 8 people in close proximity) however much he talks the talk in our conversations.

Newcastle Emlyn is a small, unique market town & having the proposed opening hours would not be of ANY benefit to the town, only the landlord. Experience has taught me that people who drink alcohol until the early hours tend to be loud, aggressive, rowdy and have anti-social behaviour. Also with 5 public houses in the main street, if these extended opening

hours are considered, what about another pub
... and another ... and another!

The jewel of the Teify Valley would be ruined.

Please, I appeal to you to reject this application

Yours

Fiona Mantle
