**EXECUTIVE SUMMARY**  
**ENVIRONMENTAL & PUBLIC PROTECTION**  
**SCRUTINY COMMITTEE**

**1<sup>ST</sup> OCTOBER, 2018**

**REVIEW OF LICENSING POLICY**

**Context**

When the current Licensing Policy was adopted in February 2016, it was resolved that a further consultation would be undertaken regarding the possible adoption of a Cumulative Impact Policy in relation to Lammas Street, Carmarthen.

The legislation was amended in April 2018 to refer to Cumulative Impact Assessments rather than Cumulative Impact Policies.

**Consultation**

This consultation exercise was undertaken between the 3<sup>rd</sup> of April and the 1<sup>st</sup> of June 2018 and was aimed at responsible authorities, local residents, businesses, existing licence holders and their representatives.

Approximately a thousand individuals and organisations, including licence holders and their representatives, town and community councils, members of parliament, assembly members, county councillors, council departments and responsible authorities received consultation documents.

The survey was undertaken using the consultation facility on the Council's web site. This enabled the majority of consultees to be contacted via e-mail, thus reducing the cost whilst increasing the accessibility of the consultation. Properties within the area highlighted in the consultation document received a hand delivered consultation letter.

The Authority's licensing section in conjunction with the council's legal department have reviewed the policy document in light of the consultation responses, revised government guidance, amendments to the Licensing Act and recent case law.

The Key issues raised as a result of the consultation exercise were:-

- That there is evidence to support the adoption of a Cumulative Impact Assessment for Lammas Street, Carmarthen.

**The Key changes to the Policy document include :-**

- A Cumulative Impact statement in respect of Lammas Street, Carmarthen. (Page 21)
- An amended schedule of delegations to reflect amendments to the Licensing Act 2003 and to deal with film classification requests. (Page 33)

A revised licensing policy document, incorporating amendments to reflect the review process is attached.
