4. INFORMATION IN SUPPORT OF YOUR APPLICATION

Please set out below the reasons why you consider that the Standards Committee should grant a dispensation in this case:

(Please note that failure to complete this section will result in the application form being returned to you)

Llanddarog Community Council covers 3 villages to the east of Carmarthen, namely Llanddarog, Porthyrhyd and Mynyddcerrig.

In each of these villages there are community groups which are very active in running local community facilities and with which the Council has a close working relationship.

As these are small, close knit, communities there is an overlap between the membership of the Council and membership of these community groups.

In none of these cases has the Council nominated or appointed any of its members to serve on these community groups as a representative of the Council.

It is not uncommon for Council business to relate to, or be likely to impact, upon these community groups. This might include for example a decision by the Council to hire a facility run by a group in order to hold a Council event, or a request by a group for funding from the Council.

Councillor Youens is a member of the management committee of the Mynyddcerrig Workingmen's club and institute and the Mynyddcerrig Welfare Committee. As such she has a personal and prejudicial interest in any Council business relating to or likely to affect those organisations. The Councillor has no other personal or financial interest in such business.

The Workingmen's club and institute was founded in 1927 and is run as a not for profit community organisation. It is used for community events such as Christmas and Easter functions, sports days, horticultural shows, parties, fund raising events, welfare functions and as a polling station.

The Welfare Committee is a registered Charity established for the purposes of promoting the social, leisure and recreational interests of people in the area. It works closely and shares facilities with the Workingmen's institute and club.

I confirm that the information provided on this form is true to the best of my knowledge. I agree that this application and all the information contained within it may form part of a public report to the Standards Committee. I request a dispensation in respect of the above matter.
