

ENVIRONMENTAL AND PUBLIC PROTECTION SCRUTINY COMMITTEE

14TH JANUARY 2018

FORTHCOMING ITEMS for next meeting to be held on 22nd February 2019

In order to ensure effective Scrutiny, Members need to be clear as to the purpose of requesting specific information and the outcome they are hoping to achieve as a consequence of examining a report. Limiting the number of agenda items may help to keep meetings focused and easier to manage.

Proposed Agenda Item	Background	Reason for report
LED Conversion Project update	The Authority has undertaken a project to introduce LED Lighting.	This item will enable the Committee to consider and comment upon on the progress on the LED project.
Highway Footway and Road Safety Investment Programme Update	The Highway and Footway programme is prioritised in accordance with resources available.	This item will enable the Committee to consider and comment upon the progress made on the Highway Footway and Road Safety Investment Programme in 2018/19.
Environmental Enforcement Team Activity Update	The remit of the Environmental Enforcement remit is quite wide and varied, but is governed by process within legislative frameworks.	To provide information to Scrutiny Members about the type of activities that Environmental Enforcement undertake in the course of their duty.
Budget Monitoring 2018/19	This item enables members to undertake their monitoring role of the Environment Department, Public Protection Services and Community Safety Team's revenue and capital budgets.	To enable the committee to undertake its monitoring role of the budgets which fall within its remit

**Items circulated to the Committee under separate cover
since the last meeting held on 10th December 2018**

No items have been circulated to members of the Environmental and Public Scrutiny Committee for information since the last meeting.
