## EXECUTIVE SUMMARY

# ENVIRONMENTAL & PUBLIC PROTECTION SCRUTINY COMMITTEE 11<sup>th</sup> DECEMBER 2015

## Review of Gambling Policy

The current Gambling Policy was adopted by the Authority in December 2012 and came into effect on the 31st of January 2013. The legislation requires it to be reviewed at least every three years to ensure that it reflects feedback from the local community that the statutory objectives are being met.

The Authority's Licensing Section in conjunction with the Council's Legal Services Division has reviewed the policy document in light of revisions to Gambling Commission guidance. The Authority has liaised closely with the Gambling Commission to ensure that the revised document embraces the changes being introduced by the commission, which included hosting a collaboration meeting with representatives of the Gambling Commission, Pembrokeshire and Ceredigion licensing authorities.

The key changes to the legislation and guidance include:

- Revisions to Licence Conditions and codes of practice, including the introduction of premises specific risk assessments from April 2016.
- Developing a more local focus for gambling policies, including the option of developing a local area profile.

As part of the review, the Authority is required to undertake a consultation exercise aimed at the chief officer of Police, representatives of gambling businesses and persons representing the interests of residents and businesses in the area, in order for their views to be formally considered by the Authority.

The consultation began on the 7th of July and finished on the 13th of September 2015.

Approximately two thousand individuals and organisations, including licence holders and their representatives, town and community councils, members of parliament, assembly members, county councillors, council departments and responsible authorities received consultation documents. The responsible authorities include, The Licensing Authority, Dyfed-Powys Police, Mid and West Wales Fire and Rescue Service, Gambling Commission, Environmental Health (Pollution Section), Planning Authority, HMRC, Children Services.

On this occasion the survey was undertaken using the iLocal consultation facility on the Council's web site. This enabled the majority of consultees to be contacted via e-mail, thus reducing the cost whilst increasing the accessibility of the consultation.

A total of 44 responses were received.

The key issues raised as a result of the consultation exercise and review were:

- No areas of the county were identified as suffering with gambling related problems.
- There is evidence of a link between gambling and financial exploitation.

A revised gambling policy document, incorporating amendments to reflect the relevant consultation responses is attached.
