Regeneration

3 T's Community Regeneration	Community & P & R	297	The Community Regeneration Unit has historically supported local communities to develop projects that alleviate poverty and improve quality of life. This has been achieved through working in partnership with key agencies and community members to improve existing services and develop new ones. During 2015 we will continue to develop our new key account management system supporting new and existing social enterprises and those organisations delivering vital services in our communities, supporting them to grow and become sustainable. Another key aspect of our work is working with local authority departments to identify opportunities for the delivery of services via the third sector, from asset transfer to public sector out-sourcing. Our core grants continue to support via one discretionary enterprise finance fund. Supporting third sector led projects that make a real difference in our communities and contribute to economic outputs and outcomes and a high return on investment. We have a successful track record of sourcing external funding for our communities, leveraging in over £8 million additional community investment into Carmarthenshire per year. Our Community Bureau continues to be a one stop shop for all information and funding enquiries for community, voluntary groups and third sector as a whole, supporting over 600 organisations per year. We also administer other grants for the authority and external partners including Welsh Church Fund and Mynydd Y Betws Community Benefit Fund. We also lead on the theme of digital inclusion for the authority.	48	48	0	Severance of post. Responsibilities being re distributed as part of ongoing Regeneration service realignment.
