In response to a query regarding the suspension of the Woodford fund, the Committee was advised that Link was providing asset services to the fund however the suspension had no impact on the WPP and its operations. It was further advised that investment managers for the WPP would be hired on a segregated account basis where possible and that systems were in place to monitor the liquidity of the fund.

In response to a query, the Committee was advised that the Global Growth Fund was operated by Link and the Global Opportunities Fund was operated by Russell due to its more complex investment structure.

A query was raised in relation to responsible investment and climate change. 8. BREACHES REPORT 2019-20 [FORMERLY AGENDA ITEM 7]

In the Code of Practice No. 14, published by the Pensions Regulator in April 2015, paragraphs 241 to 275 provide guidance on reporting these breaches. The Dyfed Pension Fund Breaches Policy was approved by the Dyfed Pension Fund Panel in March 2016. Under the policy, breaches of the law were required to be reported to the Pensions Regulator where there was a reasonable cause to believe that:

- a legal duty which is relevant to the administration of the scheme has not been, or is not being, complied with;
- the failure to comply was likely to be of material significance to the Regulator in the exercise of any of its functions.

The Committee noted that since the last meeting there had been a number of instances where employee/employer contributions had not been received on time. However, all contribution payments were now up to date or expected to be received shortly and no report had been sent to the Pensions Regulator.

UNANIMOUSLY RESOLVED that the Breaches Report in relation to the Dyfed Pension Fund be noted.

- The risk control measures that are in place
- The responsible officer
- Target Date (if applicable)

10. WALES PENSION PARTNERSHIP UPDATE [FORMERLY AGENDA ITEM 9]

The Treasury & Pension Investments Manager provided the Committee with an update on the milestones and progress of the Wales Pension Partnership. He advised that the Global Growth and the Global Opportunities sub-funds had both increased in value since having been launched. Work on Fixed Income sub-funds was ongoing and all eight constituent funds were committed to completing this by the end of the year. A sub-group of the Officer Working Group was exploring options regarding Private Markets. Following review meetings with Link, it had been decided that one of their employees would be fully dedicated to working on the WPP. The Committee was further advised that the WPP website would be launched on 20 September 2019 and would be available to the public on 23 September 2019. A communications policy would be developed and a governance workshop would be taking place after the next WPP Joint Governance Committee meeting on 20 September 2019.
