NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

A17

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relating to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.**
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

A18

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Dear Sir,

**RE: Application for a Premises Licence
Trimsaran Rugby Football Club, Canolfan Plas Y Sarn, Heol Llanelli,
Trimsaran, Kidwelly, Carmarthenshire, SA17 4AA
Application Date 27/11/2019**

Further to the receipt of the above application, the Licensing Authority make the following representations:

a) Previous Enforcement Action / Prosecutions

The application relates to a building which has not previously been licensed and therefore there have been no previous prosecutions or enforcement action taken by the licensing authority in relation to these premises.

b) Complaints.

There have been no complaints received by the licensing authority in relation to these premises.

c) Responsible Authority Referrals.

The licensing authority has not received any referrals from the other responsible authorities in relation to the above premises.

d) Relevant Sections of the Statutory Guidance.

The Licensing Authority believes that the following sections of the Statutory Guidance are relevant to this licence application: - Section 1 Introduction, Section 2 relating to The Licensing Objectives, Section 5 relating to Premises

B2

licences, Section 8 relating to Applications for Premises Licences and Section 10 relating to Licence Conditions.

e) **Relevant Sections of the Local Licensing Policy.**

The Licensing Authority believes that the following sections of Carmarthenshire's Licensing Policy are relevant to this licence application :- Section 3 Fundamental principles, Section 4 Conditions of Licence, Sections 5 – 9 relating to The Licensing Objectives and Section 11 relating to Licensing Hours.

f) **Proposed Operating Schedule.**

Having considered the current application and the operating schedule put forward by the applicant, the Licensing Authority believes that, if the application were granted, the wording set out in the operating schedule, is not sufficiently precise to enable it to form clear enforceable licence conditions in accordance with section 18(2)(a) of the Licensing Act.

The Police and Environmental Health have both submitted letters of representation in relation to the application. The Police representation requests that additional conditions be attached to the licence should the application be granted. The Environmental Health representation also outlines licence conditions which they believe are appropriate to attach to the licence if the application is granted.

Further representations have been received from other persons, which set out their concerns regarding the application. The subcommittee will have to be satisfied that granting the application will not undermine the licensing objectives.

In view of the proposed hours of operation coupled with the location of the premises, I believe it would be appropriate to replace all the statements made in the operating schedule with conditions numbered 1 - 11, requested by the Police and conditions 1 - 4 requested by Environmental Health.

These representations have been prepared on the 24th of December with the benefit of viewing the original application and representations from the above parties.

I would be grateful if the applicant could contact me to discuss the above representations at the earliest opportunity and certainly prior to the application being referred to a Licensing Sub Committee hearing for determination.

If you require any further information or assistance, please do not hesitate to contact me.

Yours faithfully,

Mr E O R Jones

Further to the receipt of the above application, I would like to make the following representations on behalf of the Environmental Health Section.

The premises has not been previously Licensed by the applicant, therefore we do not have a history of "Public Nuisance" or "Public Safety" complaints. Nevertheless, I would like to make the following comments which are based on my professional opinion and also the following factors relating to this application;

- The nature of the application including the activities applied for.
- The proximity to residential properties
- The proposed operating schedule does not contain sufficient control measures.

Whilst considering the above I recommend that the following conditions should be attached to the Premises Licence in order to promote the "Prevention of Public Nuisance" and "Public Safety" Licensing Objective.

1. The consumption of alcohol shall be restricted to the Licensable area only.
2. After 22.00 the consumption of alcohol shall not be permitted in any outside location within the boundary of the premises.
3. No open glass or glass vessels to be removed from the Licensed area of the premises
4. During periods of regulated entertainment all external windows and doors shall be kept closed, other than for access and egress to the premise.

Subject: licencing of new Trimsaran Rugby Club - rear of Well pharmacy/ next to leisure centre Trimsaran.

Dear Sir/Madam

A recent new development is due to be finished soon and I expect that the club will be applying for a licence. We have serious concerns regarding the issuing of a licence – on the grounds of

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance

No noise report was carried out it seems no fencing has been put up and no tree barriers to mitigate noise nuisance are planned.

My understanding is that they built this new club because of neighbour complaints at the last site they were based at.

They have also opened up a track across a bridal track that is used by walkers and school children which is wide enough for vehicles so assume that it will be used to access any new developments and be a risk to public safety when they cross the public bridal path.

Could you please offer some reassurances that our concerns will be addressed before any licences are issued. I would also hope that any actions the club say they will take – actually have been actioned.

Regards

Subject: Licensing of the new rugby club trimsaran

I live at 66 Culla Road Trimsaran SA17 4DA

when we purchased the property August 2016 we had no information or consultation about a new building a hundred yards from our back garden it was the garden that we fell in love with as the house left a lot to be desired. The garden was peaceful and private.

last week i washing up in my kitchen admiring my garden and the variety of the birds on my bird table when i noticed people in what i presume will be the bar of above mentioned establishment looking straight into my property i had to pull the blinds down for privacy.

I believe there is to be a balcony from the byfold doors that look directly over my property .I have been told by locals the previous rugby club had problems with the police regarding noise and trouble.

If i could turn back time and had information about the proposed building of the rugby club we would not have purchase the house .

But we are stuck with it as i don't think it would help us to sell the property. So now my main concern is:-

* the noise issue ie: no sound barrier

* and my total lack of privacy not only in my garden but also in my home .

We feel very let down by the council.
