

COMMUNITY SCRUTINY COMMITTEE

12th FEBRUARY 2016

Forthcoming items for next meeting – Thursday 24th March 2016

Discussion Topic	Background
Leisure Services Division Annual Update and Input into the Business Plan 2016/17	This report will provide details of progress made by and performance of the Leisure Division during 2015/16 and will include Countryside Services, Cultural Services and Sports and Leisure Services. It will also allow the Committee to comment on the Division's key priorities and aims for 2016/17.
Economic Development Update	This report will provide details of progress made within Physical and Community Regeneration, Business Services, Regional Learning Plan, Marketing and Tourism as well as the Swansea Bay City Region.
Supporting People Programme Update	This item, deferred from the February meeting, will be a progress report on the Supporting People Programme for Vulnerable Adults.
Revenue and Capital Budget Monitoring 2015/16	This is a standard quarterly item which allows members to undertake their monitoring role of the relevant service budgets.

Please note that a joint meeting with the Planning Committee has been arranged for the 24th March 2016 in order for members to monitor progress in implementing the recommendations made following the Planning Enforcement Task & Finish Group review. The Committee's meeting referred to above will follow on at the conclusion of the joint meeting.

The latest version of the Community Scrutiny Committee's forward work programme is included on the following page.
