EXECUTIVE SUMMARY
EXECUTIVE BOARD MEMBER DECISIONS MEETING FOR ENVIRONMENT
11 MARCH 2021

Objection to proposed Roads Humps at Nantgaredig

1. Purpose

This report is to determine the objection received to the proposed implementation of road humps outside Nantgaredig Primary School to support a proposed 20mph Speed Limit. Full details of the proposals can be viewed in **Appendix 1 (Road Hump Plan)**. The purpose of the scheme is to introduce road humps to reduce traffic speeds in support of a planned 20mph Speed Limit and enhance road safety outside a Primary School.

2. Consultation

All statutory stakeholders have been consulted and do not object to the scheme.

3. Objections:

During the publication stage to the wider public only one objection was received. This objection is summarised in **Appendix 3** along with officer comments and recommendations.

In brief, the objection is explained below: -

B4310 Nantgaredig - Introduce a round top hump and raised plateau on the B4310 outside Nantgaredig Primary School in support of a planned 20mph Speed Limit.

The objector states that they would prefer to see further changes to the school access and that they consider road humps would not provide as much benefit as a new access to the school.

4. Recommendation:

To proceed with the implementation of the road humps in support of the 20mph Speed Limit and the interest of road safety.

Recommendations

That the Executive Board Member for Environment

- 1. Determine the objection**
- 2. Implement the proposals as described in Appendix 3**
- 3. Inform the objector accordingly.**
