# **EXECUTIVE SUMMARY**

# EXECUTIVE BOARD 21<sup>st</sup> MARCH 2016

## MODERNISING EDUCATION PROGRAMME PROPOSAL TO CHANGE THE AGE RANGE OF PWLL PRIMARY SCHOOL FROM 4-11 TO 3-11

The Flying Start programme in Carmarthenshire is a Welsh Government prevention initiative, providing families with children aged 0-3 years with a range of targeted intensive prevention services, who live in geographic areas of deprivation within Carmarthenshire

The provision of good quality childcare for children from 2-3 years of age is the centrepiece of service delivered under the Flying Start initiative. The quality childcare provision focuses on children living in disadvantaged communities and aims to improve their outcomes in preparation for school and in the long term.

As a result of the original eight and more recently an additional nine geographic areas being identified to receive targeted services, Flying Start currently commission childcare based in a number of Carmarthenshire Primary Schools.

The age range of Pwll CP School is currently age range 4-11. This has presented the Authority with a challenge whereby children can benefit from interventions through the Flying Start programme until they are three years of age but have no provision for nearly a year until admitted to school. One of the advantages of the Flying Start programme located on school sites is to facilitate entry into school at the age of three. Therefore, to ensure continuity of progression for these disadvantaged children into primary school, the Authority has arranged for nursery provision to commence at these schools. The children can now benefit from interventions through the Flying Start programme until they are admitted to school. The Headteachers and Governing Bodies of these schools have been consulted on the new arrangements and are fully supportive.

Under the 2013 School Organisation Statutory Code a regulated alteration such as a change in the age range of a school by a year or more requires a statutory proposal to be published to formalise arrangements.

In order to support the seamless transition of pupils through the Flying Start programme to school admission, it is considered essential that the County Council moves to extend the age range of Pwll School from 4-11 to 3-11 as soon as possible, through formal statutory procedures.

EICH CYNGOR arleinamdani www.sirgar.llyw.cymru

In accordance with County Council's instructions, a formal consultation exercise was undertaken from 7<sup>th</sup> December 2015 to 29<sup>th</sup> January 2016. The results of the consultation exercise are contained in the attached report.

As this proposal commenced under the Authority's previous arrangements for determining school organisation proposals, the ECS Scrutiny Committee and the Executive Board are provided the opportunity to offer comment and a recommendation to County Council whether or not publish a Statutory Notice. Should County Council grant permission to proceed to Statutory Notice, the intention is to publish week beginning 9<sup>th</sup> May 2016.

If approved, following the end of the Statutory Notice period, an objection report which summarises any objections received by stakeholders, will be presented to the ECS Scrutiny Committee and Executive Board and ultimately County Council for determination.

#### Recommendation

That the Executive Board endorses the proposal and recommends to County Council the publication of a statutory notice.
