R4	It is not possible to place an assurance that all assets are fully accounted for.	A list of all assets should be maintained which uniquely identifies individual assets including their location. This should be subject to physical check by an independent person at least on an annual basis. In addition, there should be a record of the movement of all assets.		A full list of assets is being compiled for all sites, which will be updated annually for tools, machinery and fixed equipment etc, and tracked through a 'live' stock inventory for goods and materials. Lists will be kept on the Council file Plan. A nominated officer will be responsible for maintaining these records at each site, countersigned by a Senior Manager.
