## Planning Appeals

### Summary

Planning and Environment Decisions Wales (PEDW) manages casework relating to the development and use of land in the public interest, and deal with planning appeals.

[A Guide to Engaging with Planning & Environment Decisions Wales](#)

The local planning authority makes decisions on planning applications, and the applicant can appeal a planning decision if either they disagree with it, or the decision was not made within 8 weeks.

This report provides the following information relating to planning appeals:-

- A description of the appeal stages
- The role and responsibilities of the parties
- How to comment on an appeal
- The appeal timescales
- Table 1 - Appeals Lodged as @ 02/10/2023
- Table 2 - Appeals in Progress as @ 02/10/2023

## Appeal Stages

### *Receipt to validation*

Appeal submitted ('lodged') to Planning and Environment Decisions Wales. On receipt, they check that it is a valid appeal. If all documentation is submitted with the initial appeal the validation stage will take 3 to 5 working days.

### *Validation to start*

Once the appeal has been validated, PEDW provide the timetable for the appeal. This includes deadlines for the submission of representations and support documents.

Appeals may be considered by a Planning Inspector in one of three ways:

- written representations which involve the exchange of written statements by the appellant and the Council
- informal hearing
- public inquiry

### *Start to event*

PEDW will identify a suitable inspector to consider the appeal submissions. The inspector will hold a site visit, hearing, or an inquiry.

### *Event to decision*

The inspector will make a final decision on the appeal based on the evidence submitted. Decisions are published on the [appeals portal](#).

## Roles and responsibilities

Further guidance on the roles and responsibilities of each party in the appeals or called-in application process can be viewed here:

<https://www.gov.wales/planning-appeals-guidance-procedural-guide>

## Comment on an appeal

Anyone can comment on a planning appeal.

The deadline for comments is 4 weeks after the start date of the appeal.

The local planning authority must tell anyone who has commented on the original application (interested parties) that there's an appeal.

We must do this within a week of the appeal being started by Planning and Environment Decisions Wales. Read the [detailed guidance about taking part in an appeal](#).

## Timescales

Most appeals are handled in writing and take about 14 weeks to determine. Informal hearings are likely to take up to about 21 weeks and public inquiries up to about 29 weeks.

## TABLE 1 - Appeals Lodged as @ 02/10/2023

There remains a backlog of new appeals waiting to be validated and started by PEDW. For several customer service, operational and resource reasons they have taken the decision to prioritise our Householder, Advert and Minor Commercial Appeal Services by starting these appeals ahead of other casework at this time. Except for a limited number of specialist cases that require bespoke procedural administration, all other casework will be dealt with in order of date of receipt.

The following appeals have been lodged with PEDW and are currently waiting a start date to progress. No comments should be submitted at this time.
