Re: Temporary Event Notice ref 5242.

Dear Mr. Lee.

With reference to your application for a Temporary Event Notice at Llandyssul Paddlers, Llandyssul SA44 4AA on the following dates and times,

Friday 28th.October 2016 14.00 to 03.00
Saturday 29th October 2016 09.00 to 03.00
Sunday 30th.October 2016 09.00 to 16.00.

For the Supply of Alcohol, Regulated Entertainment and Late Night Refreshment.

The Police will object to the application, the reason being is that they believe that the Crime and Disorder objective will not be met.

The Police are of the opinion that incidents of Crime and Disorder will take place if the TEN application were to be granted.

Yours Sincerely

Subject: RE: TEN Llandysul Paddler's Field.

Objection – TEN Llandysul Paddlers, Wilkes Head Square, Llandysul (28/10/2016 – 30/10/2016)

In relation to the application for a Temporary Event Notice (TEN) at the Llandysul Paddlers site in October I would like to raise an objection on behalf of the Public Health Section on the grounds of potential noise nuisance. The applicant is proposing regulated entertainment until 03:00 a.m on the 28th and 29th October 2016 and the likely low background noise levels at this location in the early hours of the morning, coupled with the music at the event is highly likely to give rise to noise complaints. Historically the event has given rise to complaints from the Ceredigion County Council Authority area when the event was previously operating until 03:00a.m. The music is also taking place in a marquee which provides very little in the way of noise attenuation.

In terms of mitigation I would propose that the applicant consider a finish of 01:00 or 01:30 at the latest to minimise the intrusion to residents living in the area.

Kind Regards

Mathew Elias
Environmental Health Officer
Food Safety and Health Section.
