EXECUTIVE SUMMARY

EXECUTIVE BOARD

MODERNISING EDUCATION PROGRAMME (MEP)

APPROVAL TO IMPLEMENT FEDERATION PROPOSALS
(LOCAL AUTHORITY LED)

Background Information

With the increasing need to consider more so the federation between schools as an option to address current issues, the Local Authority needs to consider in detail the federation process (for LA led proposals), in particular the determination element of federation proposals.

The attached document sets out the powers that the Local Authority have in proposing federations, the federation process and the options open to the Local Authority in determining the proposals.

Determining the Federation Proposals

As can be seen from the federation process timetable (attached), the Local Authority is fully responsible for completing all stages of the process through to implementation, inclusive of determining whether or not to proceed with the federation. Established processes are already in place with the Local Authority for the determination of school reorganisation proposals, however there is no process in place for determining school federation proposals.

Whilst the collation of a federation report, seeking the views of stakeholders and the preparation of a consultation report can be completed by the Modernising Education Team, the Local Authority must decide on a process/person to determine the outcome of the federation proposals **following the end of the consultation period.**

Recommendation

It is recommended that the Executive Board approves that the **Executive Board Member for Education & Children** determines the outcome of federation proposals.
