EXECUTIVE SUMMARY
EXECUTIVE BOARD
1ST JUNE, 2020

SUBJECT:
REPORT OF THE STATUTORY DIRECTOR OF SOCIAL SERVICES

Under the Code of Practice issued under the Social Services and Wellbeing Act the Statutory Director of Social Services has a duty to advise councillors on – amongst other things – the challenges, risks and circumstances where staff issues affect our ability to discharge our statutory responsibilities, and to brief the Chief Executive and councillors on matters likely to cause public concern, and strategies to deal with those situations.

This is a summary report only and does not include all areas of activity. These will be covered in the Director of Social Services' annual report later in the year or by any further notes of advice deemed necessary to report.

In March we were at the start of a National Emergency with pressures growing as the incidents of Coronavirus infection grew in the county. Many services had ceased altogether with provision being modified to prioritise care to our most vulnerable clients based on individual risk assessments. The position has since developed with new systems now in place to manage risk alongside serious concerns across Wales in relation to the residential sector. Immediate service failure is still a risk in some areas and in others the service delivery model is under increasing strain. This notice reflects that overall position.

Overall the response by the council has been effective in maintaining social care services in extraordinarily difficult circumstances. Significant support financially and direct intervention and support by the Leader of the council, Lead member and the Chief Executive has contributed to the maintenance of most core provision to a good standard despite facing unprecedented challenges. The impact of the virus on residents in care homes is a serious and ongoing concern in Carmarthenshire as it is across much of Wales.

Throughout this emergency our thoughts are with those residents, care staff and families who have been impacted on so tragically by this virus.
