Agenda Item 3

Dear Kirsten,

Please find attached the picture of the CCTV with all the cameras on, so we covered all the areas now and the whole pub will have continuous recording as per the request from the Police Department.

Just to let you know, I had a call from Mr. Bizby on the 6th December, since we agreed and have applied all the conditions asked by Mr. Bizby in the review application except condition 9. After our discussion, Mr. Bizby suggested that plastic glasses only after 21.30 in the external area till 22.30 which is the time permitted and we are happy with this advice and have attached a pic to follow the similar along with other suggestions. Please could you forward these attached pics.
