Dear Sir,

**RE: Application to vary a Premises Licence  
STRADEY PARK HOTEL, Furnace, Llanelli, Carmarthenshire, SA15 4HA  
Application Date 05/10/2017**

Further to the receipt of the above application, the Licensing Authority make the following representations:

**a) Previous Enforcement Action / Prosecutions**

The premises licence holder, Gryphon Leisure Ltd, accepted a formal caution issued by the authority in 2010 for carrying out licensable activities at the premises other than in accordance with an authorisation under S136 of the Licensing Act 2003. The caution related to the provision of unlicensed entertainment in the rooftop lounge and a breach of the inaudibility licence condition.

**b) Complaints.**

The department received complaints regarding noise nuisance from a local resident, which lead to the caution outlined above. A further complaint relating to noise nuisance has been received on the 5<sup>th</sup> of September 2017, this complaint is currently being investigated by Environmental Health Officers.

**c) Responsible Authority Referrals.**

The licensing authority is liaising with Environmental Health Officers in relation to the recent complaint regarding noise.

**d) Relevant Sections of the Statutory Guidance.**

The Licensing Authority believes that the following sections of the Statutory Guidance are relevant to this licence application: - Section 1 Introduction, Section 2 relating to The Licensing Objectives, Section 5 relating to Premises licences, Section 8 relating to Applications for Premises Licences and Section 10 relating to Licence Conditions.

e) Relevant Sections of the Local Licensing Policy.

The Licensing Authority believes that the following sections of Carmarthenshire's Licensing Policy are relevant to this licence application:- Section 3 Fundamental principles, Section 4 Conditions of Licence, Sections 5 – 9 relating to The Licensing Objectives and Section 11 relating to Licensing Hours.

f) Proposed Operating Schedule.

Having considered the current application, which seeks to remove a licence condition which limits the use of the rooftop lounge to hotel residents only and the operating schedule put forward by the applicant, the Licensing Authority believes that, if the application were granted, the wording set out in the operating schedule, which refers to the existing licence conditions, is not sufficiently precise to enable it to form clear enforceable licence conditions in accordance with section 18(2)(a) of the Licensing Act .

The Public Health section have submitted a letter of representation in relation to the application. The representation requests that additional information be provided by the applicant as to how they intend to ensure that the use of the rooftop lounge does not cause a public nuisance.

Given the previous complaints and subsequent enforcement action in relation to this area of the premises coupled with recent changes to the Licensing Act 2003 which permits alcohol licenced premises to provide live and recorded music between 8.00am and 11.00pm without specifying those activities on the premises licence, the licensing authority also requests that the applicant provide further detail regarding proposed control measures. Consideration could then be given as to whether it would be appropriate to attach those control measures as licence conditions should the application be granted.

Several representations have been received from other parties, who live in the vicinity of the premises, which highlight a number of complaints regarding the effect that the operation of the premises is having on local residents. The subcommittee will have to be satisfied that granting the amendment requested in the application will not undermine the licensing objectives.

These representations have been prepared on the 1<sup>st</sup> of November 2017 with the benefit of viewing the original application and representations from Public Health services and other parties.

I would be grateful if the applicant could contact me to discuss the above representations at the earliest opportunity and certainly prior to the application being referred to a Licensing Sub Committee hearing for determination.

If you require any further information or assistance, please do not hesitate to contact me.

Yours faithfully,

Dear Mrs Saunders,

**Re: Premises Licence Variation**

**Stradey Park Hotel, Furnace Llanelli, Carmarthenshire SA15 4HA**

Further to the receipt of the above application, I would like to make the following representations on behalf of the Environmental Health Section of Carmarthenshire County Council.

I am aware that the above mentioned premises has a history of "Public Nuisance" related complaints. These mainly relate to noise complaints from entertainment held at the premises. Based on my professional opinion, experience from dealing with similar venues across the county and also the following factors relating to this application

- The nature of the variation application relating to a removal of conditions on the current Premises Licence.
- The residential nature of the locality
- The proximity to residential properties
- The proposed operating schedule does not contain sufficient control measures.
- Information contained with the representations received from "other persons" (local objectors)

Given the above factors I recommend that the applicant should provide further information on how they intend promoting the "Prevention of Public Nuisance" Licensing Objective as a result of this Licensing Application. Once this information has been received then I should be able to decide whether or not appropriate conditions are necessary for this application.

**Subject:** Gryphon Leisure Ltd Premises licence application

I am writing to oppose the above application on the following points:-

- The Stradey Park Hotel was originally granted the use of the rooftop lounge for residents only. They are already in breach of this as they currently use the lounge for afternoon teas and other meetings and events for the general public.
- Concern that if this is granted they will abuse that licence even further for other events and parties.
- This is not a soundproof building and noise would be an issue as the building sits on the highest point in the village and noise would reverberate across the valley.
- There is already ample facilities in the hotel and this is not required.
- There is already two pubs in the village providing this service.
- It is a matter of public safety, the emergency exit has been cleared and a designated path with lighting leads on to a private road which would be in danger of being used for overflow and illegal parking and in time that exit would be used more and not in an emergency only.
- Increased footfall of the general public accessing the private road and leading to unsocial behaviour.
- Public nuisance and environment issues, increased smells from the kitchen, urinating in the lane and woods, shouting and singing upon exiting the building, increased noise with collections for bins, glass etc.

Whilst I am not against progression of the hotel I am deeply concerned as a resident that backs on to the hotel, that the above issues would affect me and my family from enjoying our safe, secluded and peaceful location. We reside in a small village that already has two pubs, the hotel already has ample function rooms and a restaurant and this would be superfluous to requirements.

I hope that you take my points into consideration and decide against the sale of alcohol with a meal to the rooftop lounge for the general public.

I look forward to a favourable outcome.

**Subject:** Stradey Park Hotel - change of use, residents lounge.

Dear Sir /Madam

I feel that the proposed change to the hotel's licence is detrimental to the community of Furnace, and will only increase noise, anti social behaviour and parking problems in the village.

The noise levels especially on the weekends are unbelievable, with car doors slamming, alarms going off, shouting, taxi's, busses etc etc. These problems will only escalate if the hotel is granted permission to open what will become a "pub on the roof".

The hotel management have no respect for the community and have no respect for the council that granted them their existing licence, which is subject to regular abuse and disregard.

It is also unfair to the residents of the hotel, that may lose their peaceful retreat only to be faced with noise and anti social behaviour in the hotel passage ways near the bedrooms.

This hotel should have less freedoms, not more!.

Kind regards

Ben Morris

Ps, my wife and young child are also very disturbed by the guests of the hotel at night and sometimes when I return from work after a long shift the entire street is being used as an overflow car park for the hotel and I have to park some distance away from my home.

Subject: Fw: Variation of Licence, Gryphon Leisure Ltd / Residents Lounge / Stradey Park Hotel.

Ref - Complaint.

Dear Sir / Madam.

I wish to complain in the strongest terms about the above application. On the grounds of -

- 1, The Protection of Children from Harm.
- 2, The Prevention of Public Nuisance.

Over the years, the level of noise and disturbance endured by my self and my family has been considerable. This will only increase if what amounts to a "Roof Top Pub" opens on a massively over developed sight that operates relentlessly 24 hours a day, 7 days a week, 365 days a year.

The current level of noise seems to be getting out of hand with ever increasing frequency and volume. I have made countless phone calls to the Hotel to respect the residents and the terms of their licence. Indeed, I have had occasion to phone so often that I am now on first name terms with Tim, Tom and the rest of the duty management team!

My elderly mother, inlaws, Young nephews and grand daughter have all been disturbed at various times whilst visiting my home. I feel I have the RIGHT to enjoy some peace and quiet in my own home, and I also feel I should speak up for all the young children, the elderly and the less able or infirmed people in the village that endure broken sleep and Statutory Nuisance (under the terms of the "Noise and Statutory Nuisance Act 1993" ) and feel powerless to stand up to the might of Gryphon Leisure.

The Residents Lounge was built for the exclusive use of resident as a quiet retreat for hotel guests from the busy public spaces of the hotel. Planning was granted, and a plastic Conservatory type building was constructed for this express use. As such, the Residents lounge is wholly unsuitable to being used as a public restaurant. It is at the same level as the top floor of the newer accommodation block, has No dedicated access to the kitchen and all food has to travel some distance and then up the Guests stair well or the Guests lift.

It is common knowledge that the Sale of Alcohol to the Public, is already ongoing in the Residents Lounge and always has been, in direct violation of their existing Licence. Hen Parties, Birthday Parties and Cocktail parties are but a few of the uses the Residents Lounge has been put to. Therefore I think that with these ongoing multiple and long standing breaches of their current licence, the Authorities should withdraw the Licence for the Sale or Consumption of Alcohol altogether for the Residents Lounge.

It is a basic HUMAN RIGHT, to be allowed the "Peaceful enjoyment of Property.

Kind Regards.

J Morris.

Dear Mr Rees

I wish to object to the proposed change in licensing for the Stradey Park Hotel in Llanell.

The application was put up by the Hotel on 6<sup>th</sup> October 2017.

The reason I am objecting is because they do not abide by the terms of their licence at the moment – loud music and noise very late at night and early morning. I often have to phone the Hotel early in the morning complaining about the noise. Then they close the doors and windows and it stops for a while. This happens most weekends especially during the summer as there are many weddings and leading up to Christmas when there are many parties\dinners.

The conservatory on the roof I believe is for the use of residents only but I know it's used by non-residents for afternoon tea and eating and drinking.

I believe that by allowing them to extend their license it will only cause more disturbances in the area and I am totally against it.

Yours faithfully

Complaint.

Dear Sir / Madam.

I wish to complain about the above application to make the Roof Top "Residents Only" lounge at the Stradey Park Hotel, open and available to members of the public for the consumption of alcohol (with or without a meal?) on the following grounds.

- 1, The planning consent for the lounge (conservatory) was for the exclusive use of residents and the planning department was assured it was for Residents only to the exclusion of all others.
- 2, The building is unsuitable for the proposed use. Being a considerable distance from the kitchen and many floors higher.
- 3, The building is a high point in the village and is not sound proofed, This already pollutes the village with noise especially during summer months.

4, The building is already used to serve alcohol to non residents in direct contravention of the existing licence arrangements.

5. Since their last application was turned down, Nothing has materially changed at the Hotel site. In fact you could say that with the opening of a spa, and the use of the Restaurant for a large number of weddings etc, has increased the foot fall quite dramatically whilst there has been no obvious increase in the available Car Parking at the hotel.

6. Noise, loud music, light pollution, anti social behaviour, car alarms, property damage, doorstep urinating, and residential parking problems are all aspects of behaviour enjoyed!! by the residents of Furnace, brought to them curtesy of the hotel "Guests" . These problems will only increase with more development.

The Hotel has out grown it,s site, and is a fast changing from a lovely amenity in our village to a blight on our village.

Yours sincerely.

Ref, variation of Premises Licence / Gryphon Leisure Ltd / Stradey Park Hotel.

Complaint.

Dear Sir / Madam.

I wish to complain about the above application to make the Roof Top "Residents Only" lounge at the Stradey Park Hotel, open and available to members of the public for the consumption of alcohol (with or without a meal?) on the following grounds.

- 1, The planning consent for the lounge (conservatory) was for the exclusive use of residents and the planning department was assured it was for Residents only to the exclusion of all others.
- 2, The building is unsuitable for the proposed use. Being a considerable distance from the kitchen and many floors higher.
- 3, The building is a high point in the village and is not sound proofed, This already pollutes the village with noise especially during summer months.

4, The building is already used to serve alcohol to non residents in direct contravention of the existing licence arrangements.

5. Since their last application was turned down, Nothing has materially changed at the Hotel site. In fact you could say that with the opening of a spa, and the use of the Restaurant for a large number of weddings etc, has increased the foot fall quite dramatically whilst there has been no obvious increase in the available Car Parking at the hotel.

6. Noise, loud music, light pollution, anti social behaviour, car alarms, property damage, doorstep urinating, and residential parking problems are all aspects of behaviour enjoyed!! by the residents of Furnace, brought to them curtesy of the hotel "Guests" . These problems will only increase with more development.

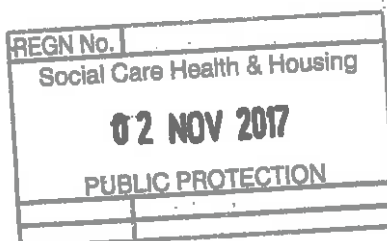

The Hotel has out grown it,s site, and is a fast changing from a lovely amenity in our village to a blight on our village.

Yours sincerely.
