Dear Sir,

**RE: Application for a Premises Licence
2 Nott Square, Carmarthen, Carmarthenshire, SA31 1PG
Application Date 18/10/2019**

Further to the receipt of the above application, the Licensing Authority make the following representations:

a) Previous Enforcement Action / Prosecutions

There have been no previous prosecutions or enforcement action taken by the licensing authority in relation to these premises.

b) Complaints.

There have been no complaints received by the licensing authority in relation to these premises.

c) Responsible Authority Referrals.

The licensing authority has not received any referrals from the other responsible authorities in relation to the above premises.

d) Relevant Sections of the Statutory Guidance.

The Licensing Authority believes that the following sections of the Statutory Guidance are relevant to this licence application: - Section 1 Introduction, Section 2 relating to The Licensing Objectives, Section 5 relating to Premises licences, Section 8 relating to Applications for Premises Licences and Section 10 relating to Licence Conditions.

B2

e) **Relevant Sections of the Local Licensing Policy.**

The Licensing Authority believes that the following sections of Carmarthenshire's Licensing Policy are relevant to this licence application:- Section 3 Fundamental principles, Section 4 Conditions of Licence, Sections 5 – 9 relating to The Licensing Objectives and Section 11 relating to Licensing Hours. In particular section 6.12 of the policy which identifies Nott Square as a hot spot of alcohol related crime and disorder.

f) **Proposed Operating Schedule.**

Having considered the current application and the operating schedule put forward by the applicant, the Licensing Authority believes that, if the application were granted, the wording set out in the operating schedule is not sufficiently precise to enable it to form clear enforceable licence conditions in accordance with section 18(2)(a) of the Licensing Act .

The Police and Environmental Health have both submitted letters of representation in relation to the application. The Police representation requests that additional conditions be attached to the licence should the application be granted. The Environmental Health representation also outlines licence conditions which they believe are appropriate to attach to the licence if the application is granted.

A further representation has been received from another person, which sets out their objection to the application. The subcommittee will have to be satisfied that granting the application will not undermine the licensing objectives.

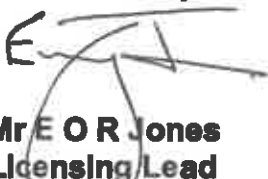

Given the proposed hours of operation of the premises, the activities requested and the location of the premises within a hot spot for alcohol related crime and disorder, I believe that if the application is granted it would be appropriate to replace all the statements made in the operating schedule with conditions requested by the Police and the conditions requested by Environmental Health.

These representations have been prepared on the 15th of November following a meeting at the premises on the 14th of November with the applicant and the responsible authorities to discuss the application.

I would be grateful if the applicant could contact me to discuss the above representations at the earliest opportunity and certainly prior to the application being referred to a Licensing Sub Committee hearing for determination.

If you require any further information or assistance, please do not hesitate to contact me.

Yours faithfully,

Mr E O R Jones

Dear Sir,

**Re: Premises Licence Application
2 Nott Square, Carmarthen, Carmarthenshire, SA31 1PG**

Further to the receipt of the above application and a site visit on the 14th of November 2019, I would like to make the following representations on behalf of the Environmental Health Section of Carmarthenshire County Council.

The premises has not been previously Licensed by the applicant, therefore we do not have a history of "Public Nuisance" or "Public Safety" complaints. Nevertheless I would like to make the following comments that are based upon my professional opinion, experience from dealing with similar venues across the county and also the following factors specifically relating to this application

- The nature of the application including the hours and activities applied for
- The nature of the locality and its proximity to existing residential properties
- The proposed operating schedule does not contain sufficient noise control measures.

In order to ensure that the "Public Safety" Licensing objective is being promoted we request that the following conditions are attached to the Premise Licence.

1. The consumption of all drinks at the premises shall be restricted to the Licensable area only.
2. No open glass or glass vessels to be removed from the curtilage of the premises.
3. The outdoor area located to the front of the premises and highlighted on the attached "Plan 1" is to be designated as the smoking area for the premises and all patrons must use this area for smoking.

The applicant has provided a Noise Impact Assessment (NIA) for the premises which was undertaken by Acoustics Consultants Ltd (Ref No 7808/BL version 4.0) dated the 21/10/19. The NIA report states (point 4.2) that whilst there are no specific noise

limits for amplified music from Licensed Premises. However they state that an internal limit in dwellings of NR 25 between the hours of 23:00 to 07:00 would provide sufficient protection to any residential properties in the vicinity. In order to achieve this level the report recommends that the applicant undertake specific mitigation work to the fabric of the building and also recommends that the music level inside the premises be set at 95dBA LAeq1hr. Therefore in order to provide clear and enforceable conditions from the information contained within the NIA I recommend that the following conditions are attached to the Premises Licence in order to ensure that the "Prevention of a Public Nuisance" Licensing objective is being promoted.

4. The development hereby approved shall be implemented strictly in accordance with the recommendations and mitigation measures contained in the Noise Impact Assessment Report undertaken by Acoustic Noise Consultants Ltd (Ref No 7808/BL version 4.0) dated the 21/10/19. The Noise Insulation Measures contained in the Report shall be completed prior to the use of the building and thereafter retained in perpetuity.
5. Upon request of the Licensing Authority the applicant must be able to demonstrate that the proposed development complies with the noise limits detailed in the NIA undertaken by Acoustic Noise Consultants Ltd (Ref No 7808/BL version 4.0) dated the 21/10/19. This evidence must be provided for written approval within 28 days of a written request from the Licensing Authority. In the event that the noise limits are not achieved the written submission should also specify further mitigation measures to ensure compliance with the noise limits specified.
6. A noise limiting device shall be used in relation to all sound amplification equipment used in conjunction with the Premises Licence.
7. The noise limiting device shall be installed and set at a level approved by the Council through its authorised Environmental Health Officer prior to the opening of the premises in conjunction with the premises licence.
8. The noise limiting device shall be properly secured so that it cannot be tampered with.
9. The noise limiting device shall only be reset with the authority of the Council through an authorised officer of the Environmental Health Section.
10. If deemed necessary, the noise limiting device shall be reset to a level approved by the Council through an authorised officer of the Environmental Health Section within 14 days of notification.
11. During periods of regulated entertainment all external windows and doors shall be kept closed, other than for access and egress to the premise.

On discussion with the applicant during the site visit on the 14th of November 2019 I understand that he is intending to seek further advice and clarity from his appointed Acoustic Consultants. This may result in a revised NIA being submitted. Should the

revised NIA demonstrate that an internal limit in dwellings of NR 25 can be achieved then I am willing to amend condition 5 and 6 above to reflect the detail contained within the revised NIA.

Should you agree with the above and wish to accept the conditions, you are required to confirm in writing that you do so. A copy of your acceptance should be forwarded to the Licensing Section and myself.

Accepting the above will enable me to withdraw the representation and the above requirements will become conditions of your premises licence.

If you wish to discuss the matter further, please do not hesitate to contact me.

Yours Faithfully

Carmarthen Town Councillors considered this application yesterday evening and wish to object to the grant of this licence on the grounds of: (a) preventing a public nuisance and (b) public safety.

The premises in question are next door to St Peter's Civic Hall, and Councillors believe that many people are deterred from using the facilities available at the Civic Hall due to the behaviour of the very many people who frequent this part of Carmarthen when under the influence of alcohol. This has a direct impact on the safety and well-being of members of the public, and in particular those members of the community who would otherwise use St Peter's Civic Hall. It is felt that granting this licence next door would have a further detrimental effect upon the use of St Peter's Civic Hall and the well-being of people who frequent it.

In the event of there being a hearing regarding this application Councillor Peter Hughes Griffiths (cc'd) has indicated his intention to attend to represent the Town Council.

From our previous discussions you will know that the Town Council has no access to any statistical data regarding antisocial behaviour; we have to rely on the information available from the police in this respect via a Freedom of Information request, and this is likely to take considerable time to obtain. It would be very much appreciated if you could advise me regarding any further information that the Town Council will need to include in support of its objection to this application and the best way in which to collate and present such information.

Carmarthen Town Councillors also believe that, in view of the increase in the number of licensed premises in the Nott Square/King Street/Queen Street area, it is now opportune to consider whether the area should in fact be subject of a cumulative impact policy, similar to Lammas Street.

Head of Homes and Safer Communities
Carmarthenshire County Council
3 Spilman Street,
Carmarthen
SA31 1LE

Dear Sir,

**RE: Application for a Premises Licence
12 Wind Street, Ammanford, Carmarthenshire, SA18 3DN
Application Date 16/10/2019**

Further to the receipt of the above application, the Licensing Authority make the following representations:

a) Previous Enforcement Action / Prosecutions

There have been no previous prosecutions or enforcement action taken by the licensing authority in relation to these premises.

b) Complaints.

There have been no complaints received by the licensing authority in relation to these premises.

c) Responsible Authority Referrals.

The licensing authority has not received any referrals from the other responsible authorities in relation to the above premises.

d) Relevant Sections of the Statutory Guidance.

The Licensing Authority believes that the following sections of the Statutory Guidance are relevant to this licence application: - Section 1 Introduction, Section 2 relating to The Licensing Objectives, Section 5 relating to Premises licences, Section 8 relating to Applications for Premises Licences and Section 10 relating to Licence Conditions.

e) **Relevant Sections of the Local Licensing Policy.**

The Licensing Authority believes that the following sections of Carmarthenshire's Licensing Policy are relevant to this licence application:-
Section 3 Fundamental principles, Section 4 Conditions of Licence, Sections 5 – 9 relating to The Licensing Objectives and Section 11 relating to Licensing Hours.

f) **Proposed Operating Schedule.**

Having considered the current application and the operating schedule put forward by the applicant, the Licensing Authority believes that, if the application were granted, the wording set out in the operating schedule is not sufficiently precise to enable it to form clear enforceable licence conditions in accordance with section 18(2)(a) of the Licensing Act .

The Police and Environmental Health have both submitted letters of representation in relation to the application. The Environmental Health representation requests that additional conditions be attached to the licence should the application be granted. The applicant has subsequently accepted those nine licence conditions should be attached to any licence granted. The Police representation also outlines twenty four licence conditions which they believe are appropriate to attach to the licence if the application is granted.

A further representation has been received from another person, which sets out their concerns regarding the application. The subcommittee will have to be satisfied that granting the application will not undermine the licensing objectives.

If the application is granted, I believe that given the hours and activities requested as well as the location of the premises in the centre of Ammanford, close to other licensed premises that have similarly late opening hours, it would be appropriate to replace all the statements made in the operating schedule with conditions numbered 1 - 24, requested by the Police along with conditions 1 - 9 requested by Environmental Health.

These representations have been prepared on the 12th of November with the benefit of viewing the original application and representations listed above.

I would be grateful if the applicant could contact me to discuss the above representations at the earliest opportunity and certainly prior to the application being referred to a Licensing Sub Committee hearing for determination.

If you require any further information or assistance, please do not hesitate to contact me.

Yours faithfully,

Mr E O R Jones

Dear Sir,

RE: Application for a Premises Licence

Further to the receipt of the above application and a site visit on the 25th of October 2019, I would like to make the following amended representations on behalf of the Environmental Health Section.

The premises has not been previously Licensed by the applicant, therefore we do not have a history of "Public Nuisance" or "Public Safety" complaints. Nevertheless, I would like to make the following comments which are based on my professional opinion, experience from dealing with similar venues across the county and also the following factors relating to this application;

- The nature of the application including the activities applied for.
- The proximity to residential properties
- The proposed operating schedule does not contain sufficient control measures.

Whilst considering the above I recommend that the following conditions should be attached to the Premises Licence in order to promote the "Prevention of Public Nuisance" and "Public Safety" Licensing Objective.

1. The consumption of alcohol shall be restricted to the Licensable area only.
2. After 22.00 the consumption of alcohol shall not be permitted in any outside location within the boundary of the premises.
3. No open glass or glass vessels to be removed from the curtilage of the premises.
4. The court yard located at the rear of the premises is to be designated as the smoking area for the premises and all patrons must use this area for smoking.

5. Access from the court yard into the rear lane shall only be used in the event of an emergency and not any other times.
6. All live music will cease by 12 midnight.
7. Recorded Music will cease at 12 midnight, however an extension will be permitted on 15 occasions within a calendar year for recorded music to cease at 2am. On occasions where recorded music is extended to 2:00am, notification must be given to the Licensing Section at least 48 hours before the event takes place.
8. During periods of regulated entertainment all external windows and doors shall be kept closed, other than for access and egress to the premise.
9. No music or speakers shall be provided to external areas of the premises.

Accepting the above will enable me to withdraw the representation and the above requirements will become conditions of your premises licence.

If you wish to discuss the matter further, please do not hesitate to contact me.

Yours Faithfully

Dear Mrs Smith.

Objections for a Premise
Licence at 12 Wind St
Channonford for the sale of
alcohol & entertainment

for the following reasons.

I have lived at Baptist
Lane since December 1994.

Friday & Saturday nights
were a problem until very
late. Young people very
noisy, banging my window
kicking my door. Foot prints
on the door and damage
A large hole was made
allowing water to come in

One night a young girl was
on the bonnet of a car
slow moving & she fell
off. 3 people tried to
pick her up. They were
so drunk & noisy.

I phoned the police. It
took 1 hr before they came.
They drove around
the car park and left.
I am surprised my window
did not get broken.

So please deny the
application

Yours faithfully
Rosemary Beard.

EXECUTIVE SUMMARY
LICENSING SUB COMMITTEE “A”
10TH DECEMBER, 2019

SUBJECT
Licensing Act 2003
Film Classification Request

To consider a request from Mrs Mair Craig on behalf of Llansadwrn Reading Rooms for a recommendation regarding the admission of children to view two previously unclassified short films.

The applicant wishes to screen the two films, “Flowers”, and “Mencap – Our Social Networks”, prior to the screening of a certificated feature film at the community cinema.

The premises intend operating the community cinema under the community premises exemptions set out in paragraph 6A of Schedule one of the Licensing Act 2003.

In order to satisfy the requirements of the Licensing Act 2003, the films shown must have a recommendation concerning the admission of children issued by either the film classification body (BBFC) or relevant licensing authority, which in this case is ourselves.

The committee is asked to refer to the guidelines in relation to age ratings produced by the British Board of Film Classification (BBFC).
