That this Council:

 - 1) Acknowledges the great efforts and professionalism the Dyfed Powys Police Force makes in carrying out its duties
 - 2) Further recognises how important that calls from members of the public are in assisting the Force by reporting incidents and giving intelligence on issues of crime and disorder.
 - 3) Notes that residents in Carmarthenshire are finding it difficult to access the 101-call system of reporting due to long delays in answering.

Council therefore:

Respectfully calls on the Chief Constable of Dyfed Powys Police to initiate a revamp of the 101-call system that will reinstall the confidence of the residents of Carmarthenshire in using this system which in turn will give a more accurate account of crime and disorder statistics.

10. PUBLIC QUESTIONS (NONE RECEIVED).

11. QUESTIONS BY MEMBERS:-

11 .1 QUESTION BY COUNCILLOR GARY JONES TO COUNCILLOR ALUN LENNY, CHAIR OF PLANNING COMMITTEE

“In view of the excellent initiative from Carmarthenshire County Council in working on a new strategy to develop natural outdoor features and spaces, can planning applications on the current LDP and proposed LDP be challenged via this strategy? And if so should not this be on top of any consideration when planning applications are received, along with residents views on retaining Green spaces in their locales”

11 .2 QUESTION BY COUNCILLOR GARY JONES TO COUNCILLOR HAZEL EVANS, CABINET MEMBER FOR ENVIRONMENT

“I found this gas canister whilst litter picking in the village. There’s no information on the bottle of where to return it to, so I booked a slot at Trostre, I knew there would be a charge but was shocked at the £20 charge. This will discourage people from returning them here and will stop people recycling. I understand that Cwm Environmental is a stand alone company, but can we exert any influence on them to amend this, and charge a nominal amount?”
