The Licensing Authority believes that the following sections of Carmarthenshire's Licensing Policy are relevant to this licence application:- Section 3 Fundamental principles, Section 4 Conditions of Licence, Sections 5 – 9 relating to The Licensing Objectives, in particular paragraphs 5.1-5.5, 5.10, 6.1-6.4, 6.12 and Section 11 relating to Licensing Hours. C2

f) Proposed Operating Schedule.

The operating schedule submitted as part of the variation application indicates that the applicant proposes to operate in accordance with the conditions attached to the existing premises licence.

The Dyfed Powys Police have submitted representations objecting to the variation application as the premises are situated in Lammas Street Carmarthen, where there has been an increase in alcohol related crime and disorder since 2012.

Lammas Street Carmarthen is highlighted in the Council's Licensing Policy at paragraph 6.12 as a hot spot of alcohol related crime and disorder and as a result applicants are advised to pay special attention to measures aimed at preventing Crime and Disorder.

The licensing policy at paragraphs 5.1 to 5.5, advises applicants as follows :-

5.1 Applicants for new premises licences and those seeking variation of existing licences/permissions are advised to demonstrate how they intend to promote the four licensing objectives.

5.2 In order to do this applicants are advised to carry out a comprehensive and detailed assessment which should cover, amongst other things:

- a) The scope and nature of the licensable activities to be carried out.*
- b) The duration of such activities.*
- c) The nature and location of the premises in which the activities are to take place (this may include reference to beer gardens, smoking shelters or any other open areas forming part of the premises, or used by the premises for the carrying on of licensable activities and/or consumption of alcohol).*
- d) The nature and location of other premises in the vicinity and their occupants.*
- e) The skills and knowledge levels of persons engaged in carrying out those activities.*

5.3 The Licensing Authority advises that such an assessment should identify issues which could lead to the licensing objectives being undermined.

5.4 The Licensing Authority advises that such an assessment, and its conclusions, be incorporated within, or be annexed to, the operating schedule, which forms part of the application. Where an applicant chooses not to submit a risk assessment they are advised instead to provide a statement explaining why in their opinion one is not needed.

5.5 The Licensing Authority advises that the operating schedule sets out in detail the control measures the applicant intends to put in place to deal with the risks identified in the assessment.

3

In view of the nature of the application, the location of the premises and the subsequent representations submitted by the Dyfed Powys Police, the licensing authority believes it would be appropriate to request that the applicants provide the authority with a copy of the assessment detailed above, for consideration prior to the matter being referred to a sub committee for determination.

These representations have been prepared on the 29th of March 2016 with the benefit of viewing the original application and representations from the Police.

I would be grateful if the applicant could contact me to discuss the above representations at the earliest opportunity and certainly prior to the application being referred to a Licensing Sub Committee hearing for determination.

Yours faithfully,

Mr E O R Jones

The Carmarthenshire Division of the Dyfed Powys Police will object to the above application on the following grounds.

Lammas Street has been identified as a 'Hot Spot' within Carmarthen town centre for a number of years in respect of alcohol related crime and disorder and anti-social behaviour.

During the recent review of the Carmarthenshire County Council Licensing Policy, levels of alcohol related crime and disorder and anti-social behaviour were shown to have increased within Lammas Street since the previous review in 2012.

As a result of this increase the Police have in their response to the consultation in respect of the Licensing Policy made an application that the local authority adopts a Cumulative Impact Policy for Lammas Street.

Evidence in support of the objection will be provided in due course.

Yours Sincerely

I am a Support Staff member of the Dyfed Powys Police and am employed as a Licensing Officer for the Carmarthenshire Division of the Dyfed Powys Police. I have been a Licensing Officer both as a uniformed Police Officer and a support staff member for over 18 years.

On the 3rd. March 2016 I was served with an application to vary a Premises Licence in respect of the Drovers Arms Hotel, 106 Lammas Street Carmarthen. The application was made by Felinfoel Brewery Company Limited to extend the hours in respect of the supply of alcohol on Friday and Saturday nights from 08.00 to 02.00 to include Bank Holidays and Christmas Eve. Also to extend the hours in respect of late night refreshment from 23.00 to 01.00 Sunday to Thursday and until 02.00 on Friday and Saturday nights and again to include Bank Holidays and Christmas Eve.

I discussed the application with Inspector Alun Samuel my line manager within the Neighbourhood Development department and was instructed to make an objection to the application.

The Police objection is based on the following.

Lammas Street Carmarthen was identified as a 'Hot Spot' for alcohol related Crime and Disorder and Anti-Social behaviour in 2007; this was as a result of a review of the Carmarthenshire County Council Licensing Policy and has remained as a 'Hot Spot' since that time.

Within Lammas Street there are 8 premises that have the benefit of a premises Licence – 6 public houses, 1 hotel and 1 night club. There are 3 premises that have the benefit of a Premises Licence for Off sales only and 3 that have the benefit of a Late Night Refreshment Licence; one does not currently trade after 11pm. The two others are open until 03.30am on Saturday and Sunday mornings for the provision of hot food. Also within the street there are official and unofficial taxi ranks that operate until there are no more customers left.

The street is a one way street with a mixture of both business and residential properties and

at weekends is busy with both vehicle and pedestrian traffic until 5am. and often later especially on Bank Holiday weekends. This is as a result of the late night economy within Carmarthen town changing in 2013 when a premises in Lammas Street was granted hours until 4am on weekends for the supply of alcohol, with a further 30 minutes for 'drinking up'. This was in addition to the existing premises in the street that had a 4am. Premises Licence and had operated as a nightclub for a number of years. As a result of the second premises operating until 4am. at weekends for the supply of alcohol only, the number of persons within the street have increased, the majority have left other premises within the town centre that have closed and do not wish to pay to enter the nightclub but seek to carry on drinking until late.

In September 2015 I prepared a response to Carmarthenshire County Council in respect of a consultation document in relation to its review of their Licensing Policy. Data was provided by an analyst within the Information and Intelligence Directorate of the Dyfed Powys Police, her brief was to provide a profile for all alcohol related crime, disorder and anti-social behaviour incidents in Lammas Street from 01.05.2013 to 31.07.2015.

The report highlighted that there was a definitive correlation between crime and disorder and the evening and late night economy within Lammas Street on Saturday and Sunday. The key findings were that the largest proportion of incidents reported in respect of alcohol related crime, disorder and anti-social behaviour were between the hours of 00.00 and 03.00. The data clearly showed that levels of alcohol related crime, disorder and anti-social behaviour incidents increase during the evening hours right through until 06.00 hours in the morning where levels then start to fall.

Since February 2015 when there was a change of Designated Premises Supervisor at the Drovers Arm Hotel the character of the premises have changed with a younger crowd now as regular customers especially at weekends.

There are no recorded Crime and Disorder incidents at the premises apart from a call in December 2015 re loud music being played after 11pm. and August 2015 Police were

called to the premises in relation to a resident causing problems. The male who had been drinking at the bar was drunk and causing a nuisance as he was a resident he was escorted to his room to sleep it off. The officers attending noticed that prior to removing the male from the bar area that the bar maid handed back to him his bank card that had been kept behind the bar near the till, the officer took this to be for the male to continue to pay for drinks even though he was intoxicated.

The police are therefore concerned that by granting the application to vary the existing hours at the Drovers Arms Hotel will add to the already existing problems within Lammas Street in relation to alcohol related Crime and Disorder and Anti-Social behaviour.

Additional supporting evidence is currently being prepared and will be available as soon as possible.

On Monday the 6th of April 2015 I was on duty as unformed police sergeant covering Carmarthen Town and surrounding rural areas. I was supervising six constables and two special constables.

At 0100am I took up a patrol in Lammas Street due to the volume of people out drinking in the town. I liaised with door staff at The Golden Lion and Savannahs to monitor the numbers attending. As I recall at around 0200am there were 300+ in Savannahs and there was a large queue outside.

As more people were now arriving in Lammas Street I deployed five constables to join me. I established that The Golden Lion and Savannahs were open until 0400am and Chick King and Lammas Pizza were serving until 0500am.

As other licenced venues in Carmarthen closed Lammas Street became increasingly busy throughout the night. As time went on my officers and I had to deal with a number of incidents of minor disorder and anti-social behaviour. We were able to prevent any serious offences by early intervention and directing trouble makers to leave the area.

Due to the number of people out that night I kept all six of us out on foot in Lammas Street, I kept my two remaining officers on mobile patrol around the town centre.

At 0400am Savannahs and The Golden Lion closed, Savannahs staff informed me that around 220 people were still in the club at closing time.

As both pubs emptied a large number of these people piled into the two fast food venues opposite. Due to the size of these fast food outlets and the volume of drunken people they were a natural flash point for confrontation. Both fast food outlets had security staff that were very helpful however I was required to enter Chick King on two occasions to prevent trouble flaring. I witnessed two people coming out of the fast food venues and vomiting in the street, one other male vomited onto his freshly purchased pizza.

Both fast food outlets in Lammas Street understandably act as a beacon to drunken people after a night out. This in turn means that people do not disperse after the pubs have closed and disorder and anti-social behaviour takes place in the street.

As a result of Chick King and Lammas Pizza being open until 0500am six police officers were required to remain in Lammas Street until 05.15am when I felt the crowds had dispersed sufficiently and further disorder was unlikely.

It is my view that the 0500am licence granted to the fast food outlets is excessive and results in increased anti-social behaviour. This in turn places a strain on police resources and prevents other areas of the town and county getting policed.

Subject: FW: Drovers Arms Hotel: Hysbysiad o Gais am Drwydded / Notification of Application for a Licence

Hello Andrew,

Has the TC responded to this application please yet?

Personally, I do not see a major problem nor of any anti social behaviour as the Hotel is well away from the residential area which is approximately 30m west of the Hotel.

What I am aware of is that local pubs and Hotels in this area of Town are really struggling to survive and jobs will be lost and will cause a negative impact on employment that flies in the face of CCC planning policies re: employment etc; with the loss of a number of local jobs etc; - and also possibly cause a severe impact too on a well respected three star Hotel when we are short of decent hotel accommodation.

Moreover, youngsters find it very much cheaper and therefore consume a higher volume of alcohol by driving to e.g. Tesco and Morrisons etc; which causes far more issues during the "Night time Economy".

On a major issue. I do not agree with what seems to be the stringent and inflexible stance by the Town Council who seem to be attempting to label Lammas Street a "Hot Spot" similar to the Station Road in Llanelli - which will appear to many to be lacking in any real and genuine evidence of any situation similar to years of ongoing anti social behaviour that has taken place on a regular basis in Llanelli's Station Road for many years due to the very high number of outlets selling alcohol etc;!

The number of public houses and Hotels that sell alcohol in Lammas Street are the four registered three star Hotels – ie Drovers Arms Hotel, The Falcon Hotel, Golden Lion and the New Inn Hotel -and of course a Licensed shop at the lower end that sells cheap alcohol drink opposite the Carmarthen Town Business Club.

I have never witnessed any serious issues with the Drover's Arms – either anti social behaviour or otherwise - indeed never, as it well run and well organised and also well managed and to keep these places viable for local people to socialise is very important also for the Town – businesses that provides many jobs.

I don't view a problem either with the hours requested by the owner of the Drovers Arms Hotel as a few of the Lammas Street pubs etc; are being impacted by the long hours, it seems, of heavy drinking – due to much cheaper alcohol - in "Wetherspoons" on the other side of the Town in the middle of King Street where people drink from 11am!

Kind Regards,

"THE DROVERS ARMS HOTEL".**

Dear SCH, Licensing Committee,

I am aware as a Town and County Councillor after reading the website etc; that the owner, or Landlord, of the "Drovers Hotel", Lammas Street, Carmarthen, has applied for a licence to sell alcohol until 2am at weekends etc;.

As a local Councillor I am also very well aware that other establishments already have a licence until much later into the morning – indeed one of them until 05.30am.

As someone who walk around our Town quite often - and converse with many local residents and people - I am also very well aware that the Drovers Arms Hotel is one of the quietest public houses in the whole of the Town – not merely compared to other licensed establishments located in Lammas Street.

Moreover, I have been informed that there have been zero "recorded" incidents or confrontations or of record of ANY anti social behaviour, nor any instances of assaults, confrontations, violence etc; committed by any individuals – whether inside or outside of the Drovers Hotel premises –when compared to other Public houses in this street.

The "objection" by the Police - although I hate to have to say this – I feel isn't based on any evidence of incidents etc; that I have referred to above.

Obviously, as an elected local representative, it IS my duty to be always evenly balanced and impartial in my personal assessments of any issue that the County Council are involved in – indeed since 2004 when I first was elected as a County Councillor –and previously in 2002 as a town Councillor.

During my time as Councillor I have also held the positions of Carmarthen Town Sheriff in 2005-2006 and also 2008- 2009 also Mayor of our Town in 2010 – 2011.

Therefore, I did not come lightly to state what I have written what it seems both the Police and Town Council have stated. Indeed, if I came to a conclusion and believed that the application for a licence until 2am at the Drovers Hotel would be detrimental to the Town and local area then I would have objected immediately.

However, there seems to be absolutely zero evidence or ANY record of recorded affrays, violence, or confrontations, whether either inside, or outside, of the Drovers Arms Hotel.

I therefore came to a conclusion after lengthy deliberations and time that possibly the Police may have received inaccurate and therefore incorrect information from other landlords and public house owners etc;?
IF not, then where is this written recorded evidence etc of any incidents?

There are two licensed premises located approximately 30m and 50m to the west of this Hotel in question and one approximately 150m to the east along Lammas Street and they are open much later than the applicants the Drover's Arms Hotel.

Indeed, I believe it would be possibly advantageous that possibly SCH Licensing and possibly the Licensing Committee attend a site visit to view for themselves - and at first hand – possibly on a late Friday and Saturday evening to be able to view a possibly more accurate picture of the situation.

I fully support the Application by the Drovers Arms Hotel based on the evidence I have obtained.

Yours faithfully
