4. TO CONSIDER AN APPEAL BY APPLICANT A.W-R. AGAINST A DECISION BY OFFICERS FOR THE NON-PROVISION OF FREE SCHOOL TRANSPORT

Following the application of the public interest test it was **UNANIMOUSLY RESOLVED** pursuant to the Act referred to in minute 3 above, not to publicise the content of the report as it contained exempt information relating to a particular individual. The public interest test in this matter related to the fact that the report included personal information relating to the applicant. Disclosure would support transparency and accountability in the decision-making process, however, on balance the public interest in maintaining confidentiality outweighed the public interest in disclosure because of the need to protect the identity of the applicant and the family.

The Chair welcomed officers from Legal, Environment and Education & Children's Services to the meeting. The Panel considered the written representations of the

appellant in respect of the refusal of the Stage 1 Review Panel to grant A.W-R. free school transport to the nearest LEA designated school which was located within the statutory walking distance and therefor, did not meet the criteria outlined in the Council's policy for the provision of assistance.

The Panel considered the observations of the departmental officers, together with the individual circumstances of the case and the assessment of the potential walking route from A.W-R.'s home address to the designated school.

UNANIMOUSLY RESOLVED that arrangements be made for the walking route from A.W-R.'s home address to the designated school to be re-assessed.
