Topic – Road and Pavement Safety in Newcastle Emlyn
Desired Outcome

- Carry out, or procure, a thorough road and pavement safety review into all factors affecting the safe use of public roads and pavements in Newcastle Emlyn (Bridge Street, Castle Street, Church Lane, College Street, Ebenezer Street, Emlyn Square, Market Place, Market Square, New Road, Old Graig Street, Porth Street, Sycamore Street, Water Street, the area leading from the Tanyard Lane carpark out to College Street (by NFU) and all three public carparks).
- Highway designers should seek safety opportunities specific to the needs of Newcastle Emlyn and apply sound safety and traffic engineering principles and solutions to achieve a safer road and pavement infrastructure for Newcastle Emlyn. For example, improve the existing zebra crossing near the police station (or improve and convert it to a puffin crossing), install a second zebra or puffin crossing near Cawdor Hall (clock tower), remove all unnecessary sections of 'dropped kerb', install speed indicator devices and/or speed cameras, install safety barriers, increase safety signage.
- Promote and encourage the safe use of public roads and pavements by all classes of road and footpath users through the circulation of advice, information and knowledge gained from the review.

EXECUTIVE SUMMARY

MULTI-LOCATION MEETING POLICY

With the implementation of “The Local Government and Elections (Wales) Act 2021 the Welsh Government has provided Councils the power and freedom to convene multi-location meetings which will enable greater accessibility and public participation in local government decision making.

Meetings must be capable of being held virtually, but each authority can decide whether their meetings will be held fully virtually or multi-location (where some participants are in the same physical location, whilst others join the meeting virtually, also referred to as ‘hybrid meetings’). Authorities cannot hold purely physical meetings (apart from the Dyfed Powys Police & Crime Panel which is subject to separate regulation).

For all meetings, participants must be able to speak to and hear each other; and for meetings which are required to be broadcast participants must also be able to see and be seen by each other. These requirements took effect from May 2021, when the temporary provisions for remote attendance at meetings made under the Coronavirus Meeting Regulations 2020 ended.

The Policy should be considered alongside the existing arrangements for meetings as detailed within the Council Constitution, but will not be included in the Constitution itself.

The Constitutional Review Working Group considered the draft policy at its meeting held on the 20th July 2022 and recommended to the Democratic Services Committee that the policy be endorsed.

Carmarthenshire County Council

Democratic Services Multi-location Policy

Multi-Location Meetings (otherwise known as Hybrid meetings) came into force as part of the Local Government & Elections (Wales) Act 2021 – Section 47, with the aim of increasing accessibility and improved participation in Local Government.

Introduction

The purpose of this policy is to provide guidance to Councillors, Officers and the public as to how we manage and conduct multi-location (hybrid) Committee meetings.

Multi-location meetings (sometimes known as hybrid meetings) are a combination of face to face meetings and virtual meetings, whereby some Councillors, officers and the public attend the Council Chamber or other venue, and some attend remotely.

During Multi-location meetings, it is a legal requirement that all participants will be able to see and hear each other and translation facilities will be available for all.

As a Local Authority we have a duty to make and publish arrangements for the purpose of ensuring that local authority meetings are able to be held by means of any equipment or other facility which enables persons who are not in the same place to attend the meetings.

Multi-location meetings will operate as close as possible to the Council's usual meeting practice and all Constitution rules apply.

Broadcasting of Meetings

As a Council we will ensure that all formal meetings are broadcast live and available for Archive viewing for a period of 6 months. Any discussion in relation to exempt items will not be broadcast. Section 46 of the Local Government & Elections (Wales) Act 2021 requires us to make this provision so that members of the public not in attendance at the meeting can see and hear the proceedings. This section specifically applies to meeting which are open to the public.

Notice of a Meeting

We will ensure that each Agenda sets out how Committee Members, Officers and the Public can attend the meeting, and these will be published at least 3 clear days before the meeting is held. The Local Government & Elections (Wales) Act 2021 requires that notices of meetings and electronic information relating to meetings must remain available in an electronic format and be available for a minimum of six years following the date of the meeting.

Agendas, Reports and minutes of formal meetings are published on the Authority's website. A small number of hard copy agendas will also be available to members of the public attending physically.

Agendas, report and minutes can be viewed [here](#)

Physical attendance

Due to Covid 19, the number of persons allowed to attend in person will be determined in by the Chief Executive and takes into account the latest Covid 19 Guidance or regulations.

As of 16th June 2022 it has been agreed that there will be no limit on the number of people permitted in the Chamber, however the Authority's commitment to net Zero Carbon is one of our primary corporate objectives. Multi-location (hybrid) meetings can contribute to the Council's net Zero objective, and attending remotely helps by limiting the travelling and commuting we do is essential to achieving this .

Attend remotely if you can.

Remote attendance

- Committee members and officers can join meetings remotely via Zoom if they so wish.
- Committee Members and Officers should consider their personal appearance and background, check what people can see behind and in front of you, be careful not to allow exempt or confidential papers to be seen in the video-feed.
- When attending you should remember once on camera everyone can see your surroundings, try to ensure you are in a room by yourself with no distractions (i.e. family members or pets will be seen in the background). If possible, arrange for a non-descript background.
- To maintain confidentiality and ensure you abide by the Code of Conduct, **members attending remotely must be alone when exempt reports are considered.**

Preparing for a Multi-location meeting

- Join the multi-location meeting no later than 15 minutes before the start to allow the Democratic Services Officers to gain an accurate list of people in attendance and the opportunity to resolve any equipment issues for those attending remotely.
- Make sure your equipment is fully charged or plugged in to a mains socket as remote meetings can use a lot of battery. Your iPad and laptop will be needed. We recommend that you use your iPad to read the paperwork via the Modern.gov app and your laptop to connect to Zoom if attending remotely. Also make sure your mobile phone is switched off or on silent.

- Make sure you have read the paperwork before the meeting. Prepare thoroughly as the Chair will assume that everyone has read the reports, any contributions are necessary and the debate is focussed.

During the meeting

- The Democratic Services Officer will note the participants. Physical attendees should sign the attendance register.
- The Chair will welcome everyone to the meeting and outline how the meeting will work.
- To aid the meeting arrangements, if you know in advance that you wish to speak, please notify the Chair or the Democratic Services Officer before the meeting starts. If you wish to speak, please use the 'raise your hand facility' on Zoom or raise a physical hand if attending in person.
- If attending remotely and you require Welsh to English simultaneous translation, you should click on the interpreter button and select 'English'. If attending in person, headphones are available at the rear of the Chamber and should be plugged into the microphone unit. Please choose the headphone icon  and select English from the list. Leave the headphone on the desk at conclusion of the meeting so that the headsets can be cleaned and isolated for 72 hours before re-use.
- Only speak when invited to by the Chair. Speakers should announce their name **before making a comment**. When referring to a specific report, page, or slide, mention the page number so that all members have a clear understanding of what is being discussed at all times.
- To speak remotely please switch on the microphone button and your camera on the bottom toolbar on your screen. To speak in the Chamber, press the microphone button on the device before you

For physical attendees, If the red light above the microphone button comes on, the microphone is activated and you can speak. If the green (flashing) light above the microphone button comes on, your request-to-speak is accepted and you are placed in the waiting list:

- **Green on:** In the waiting list.
- **Green flashing:** First in the waiting list.
- You cannot speak until the **red light** above the **microphone** button comes **on**
- Only one person may speak at any one time.
- Multi-location meetings will operate as close as possible to the Council's usual meetings practice and normal constitution rules apply.

- Where members of the public are exercising speaking rights at the meeting either in person or via remote attendance, the Chair will as part of their introduction explain the procedure for their participation which will reflect those relevant elements of the above. Members of the public must adhere to this procedure.
- Remember, the meeting may be open to the public or webcast so it is important to conduct yourself as you would in any public meeting.
- When attending Councillors need to ensure that they remain in the meeting throughout debates and during voting in order to maintain the integrity of the decision-making process and to reduce the opportunity for legal challenge of any decision. If a Councillor needs to leave the meeting temporarily they should make sure they notify the Chair or Democratic Services Officer in person or via the chat function within Zoom.
- Given the nature of hybrid meetings, the Chair will use his/her absolute discretion as to the order in which Members are given the opportunity to contribute to the debate on a specific item. The Chair will ensure that every member has the opportunity to participate in the meeting.
- If Members lose connection during the live meeting, they should make every effort to re-connect, however the meeting will continue as long as the meeting is quorate. If a Member joins the meeting at a later time they must make themselves known immediately to the Chair or Democratic Services Officer, and comment and vote only on those complete agenda items remaining. This can be done using the chat function within Zoom.
- If the numbers present, fall below the quorum required, the meeting will end immediately.

Declarations of Interest

If a Councillor or officer declares a Prejudicial Interest at a Multi-Location meeting, that person should withdraw from the meeting unless a specific dispensation has been granted by the Standards Committee.

For remote attendees, the Councillor or Officer will be removed from the meeting by the Democratic Services Officer and placed in the 'waiting room' for the duration of the relevant item. If attendees are in the chamber, they will physically leave the chamber for the duration of the item. On conclusion of that item that person will be invited back into the meeting, once the item relating to the prejudicial item has concluded. Should that person not respond to the call to re-join, the meeting will continue without them providing it is quorate.

Voting

Voting shall be decided by a simple majority of those voting and present at the meeting. This will be carried out by show of hands via the Zoom app for large meetings, or for smaller committees a mix of physical and virtual hand. For full Council meetings, members attending in person will be asked to bring their laptops to the meeting with the camera and microphone switched off. All members will be asked to vote using the 'raise hand' function on Zoom. If a recorded vote is requested, a roll-call of all Members present will be undertaken (this means that the name of each member will be called and they will be asked if they are for, against or abstaining from the vote).

The Chair or Democratic Services will announce whether the vote has been carried or rejected. No voting numbers will be announced unless a recorded vote has been called - (CPR 16.5) or a member has asked for their individual vote to be recorded CPR 16.6).

As is normal procedure, details of how Members voted will not be kept or minuted unless a Recorded Vote is called.

Voting on Staff Appointments will be by ballot.

Exempt Items

If a Committee agenda includes an exempt report and following any decision to move into private session the broadcast will be stopped. Individuals who are not entitled to be present during the item will physically leave the Chamber those attending remotely will be removed from the virtual meeting by the Democratic Services Officer. No attendee is permitted to film, photograph or audio record any part of the proceedings which are exempt ('in camera').

Attendance by members of the public

The public gallery will be open as normal with a maximum capacity of 50 persons. Member of the public can also choose to view proceedings [online](#)

Members of the public who are making representations/asking questions or presenting a petition will be given the option to either attend the meeting in person or remotely. If attending remotely, the Authority's Remote attendance guidance will apply. If attending in person arrangements for physical attendance will be provided by the Democratic Services Team.

Press will be asked to view the [livestream](#) of the meeting.

COUNCIL

SURVEY – TIMING OF MEETINGS

In accordance with the Local Government (Wales) Measure 2011, the Council is required to survey Members in respect of the times and intervals at which meetings of a local authority are held. All local authorities should review the times at which meetings are held at least once in every term, preferably shortly after the new council is elected.

Issues to be taken into account in conducting a survey should include : (i) Whether daytime or evening meetings are preferred. (ii) Whether meetings are to be multi-location. (iii) The preferred meeting length. (iv) Whether particular times cause difficulties for councillors with particular characteristics, such as age, gender, religion, having caring responsibilities or being in employment.

The Timing of Meetings Survey was open to all Elected Members to complete between 19th May 2022 and 30th May 2022 and 53 members responded.

The results of the survey suggest that the majority of members would prefer meeting arrangements to remain as at present, a copy of the full results is attached for the Committee's consideration.

Starting Time

Work full time. Feel it unfair preferences of retired members take precedence over full time workers who have no choice!

To enable working members to participate fully in Council business holding meetings in the evenings starting at 6pm (maximum three hour duration as at present) would be of benefit during

Morning meetings that normally finish by lunchtime free up the rest of the day and also allow you to attend to the concerns of constituents .

Employment partly but am meeting should leave time later in the day for other activities etc

Afternoon meetings would allow me to work during the busy time of business, rather than taking a whole day off

My business operates in the evening mainly so day time is perfect for me.

Gwell cynnal cyfarfodydd yn foreol.

I am employed full-time, I am taking flexi and leave at the moment to attend meetings and training but I will want to have some leave and I don't want to run out of leave.

Locations

Be nice to have the occasional meeting in Llanelli

Shared locations as and when needed with the majority of meetings held in the hybrid system

County Hall, Carmarthen. Good meeting facilities. Carmarthen is central and County hall has adequate parking facilities.

Zoom or hybrid meetings would be Beneficial. Whilst attending personally I think is essential some of the times having the other option would be useful

I am happy with both forms but feel more discussion available face to face

Where possible, I'd like to see hybrid scrutiny and committee sessions promoted

Easy to zoom in

Nid oes gennyf wahaniaeth. Er hynny, dwi'n teimlo fyddai tua hanner o gyfarfodydd ar lein a hanner yng Nghaerfyrddin yn ddelfrydol.

Zoom / Teams. Rhwyddineb, arbed tramwyo, arbed amser

If not Zoom then Carmarthen is easiest option for me

Hybrid if needed. however there is a need to be face to face on occasions where interaction to ideas and goals.

Mae angen i rhoi ohonom fod yn Neuadd y Sir er mwyn cyfathrebu'n effeithiol gyda swyddogion, ond mae'n hefyd yn bwysig cymysgu gyda'n gilydd.

I have indicated that my preferred location is Carmarthen because I would prefer where possible to attend meetings in person rather than via zoom. It would be valuable however to consider

Mae cael yr opsiwn hybrid i ymuno a chyfarfodydd yn hwyluso trefniadau'n fawr ag yn galluogi ymuno a chyfarfodydd pe bai achos i fethu ymuno wyneb-yn-wyneb e.e. salwch neu gofal teuluol

Locations

Feel physical meetings are required as whilst zoom meetings can be useful it is not the same as actually being in the room. Appreciate that zoom would work better for some members, there

Gwell gennyf yn Neuadd y Sir o ran awyrgylch ond sdim gwahaniaeth a dweud y gwir.

I mi mae'n bwysig bod yn y siambr os ydych yn Cadeirio neu'n Is-gadeirio. Fel arall mae ymuno ar ZOOM yn golygu y gallwn reoli ain hamser llawer gwell a pheidio bod yn gyrru nol a mlaen

Committee Cycle

Good as it is.

Current cycle seems to work well

The current Committee cycle is not too frequent and not too long between meetings. It allows officers to produce reports within an acceptable time frame. Why change something that isn't br

Think the existing frequency should be right. If the frequency was increased the workload would increase and the meetings would essentially just take longer

Happy with the cycle

No experience so I wouldn't feel confident to recommend change

Er mwyn bod yn effeithiol roeddwn i yn hapus gyda'r cylch y cyfarfod craffu. Yn hanesyddol, roeddent yn wahanol i'r hyn a nodir. Mae'r Pwyllgor Cynllunio wedi bod yn cyfarfod bob 12 d

The cycle must fit in with the operational standards of service of the county staff. To support them in delivering that standard. Each Committee must be tailored to meet that necessary

Employment

mae nhw'n berffaith.

Fel presennol

Mae angen i'r pwyllgorau gwrdd digon rheolaidd fel nad yw'r cyfarfodydd yn hir iawn ond heb fynd i gynnal gormod o gyfarfodydd nad sydd angen. Cyfarfodydd effeithlon sydd eu hangen.

Satisfied with current cycle which has proven to be flexible if needs be.

Planning should meet more often as it holds up the economy. If only one application then zoom it rather than wait four more weeks and maybe not fit on the agenda.

Hapus

4 weekly for Scrutiny to reduce volumes

I am happy for the cycles to remain as not yet experienced enough to make an informed judgement on changes.

Firstly It is imperative to look at the operational performance of the County and their operational procedures their "performance" to meet expected standards to deliver a quality service

Happy as is

Some should be more frequent as 8 weeks for some is too long in between and then too much crammed in to meetingb

No previous experience so nothing to compare against

Fel bo angen

Mae'r Pwyllgor Cynllunio'n cwrdd bob pythefnos fel rheol. Mae'n rhaid cynnal hyn i gwrdd a'r angen i benderfynu ceisiadau o fewn ein targedau. Efallai y dylai'r Pwyllgor Safonau gwrdd y
