5. BUSINESS GRANT APPLICATIONS

Following the application of the public interest test it was **RESOLVED**, pursuant to the Act referred to in minute no. 5 above, not to publicise the content of the report as it contained exempt information relating to the financial or business affairs of any particular person (including the Authority holding that information) (Paragraph 14 of Part 4 of Schedule 12A to the Act). The public interest test in this matter related to the fact that the report contained detailed information about the business and financial affairs and ambitions of the applicants. In this case, the public interest in maintaining transparency and accountability is outweighed by the public interest in maintaining confidentiality, as disclosure would be likely to place persons and businesses named in the report at an unfair disadvantage in relation to their commercial competitors.
