The Board noted that the minutes of the Dyfed Pension Fund Pension Board meeting held on 3rd May, 2022 had been received by the Dyfed Pension Fund Committee on the 11th October, 2022.

4.2. BUDGET MONITORING 1ST APRIL 2022 TO 30 JUNE 2022

The Board considered the Dyfed Pension Fund Budget Monitoring report which provided an update on the latest budgetary position in respect of the period 1st April 2022 – 30th June 2022.

The Treasury and Pensions Investment Manager referred to the budget forecast column in the report as being for 2022-2022 and advised that it should read '2022-2023'

In response to a question on higher than budgeted income levels, the Board was advised it was attributable to higher contributions. By way of explanation, it was advised that when budget profiles were prepared in January/February 2022 for the forthcoming year it was not possible to accurately profile the budget due to changing circumstances and many variables. However, in year adjustments would be made as required in response to changes within those variables e.g. pay awards and incremental pay awards that may result in increased contributions.

AGREED that the report be noted.

4.3. CASH RECONCILIATION AS AT 30 JUNE 2022

The Board considered the Cash Reconciliation report which provided an update on the cash position in respect of the Dyfed Pension Fund as at 30th June 2022.

Reference was made to the reliance on investment income to meet benefits payments and to whether there were any implications for the budgets moving forward as the gap grew between contributions received and benefits payable.

The Treasury and Pensions Investments Manager advised there was £10-£12m contribution shortfall which was being met by investment income. When the inflation figures for September 2022 were announced and the pension increase for next year known, a cash flow analysis and scenario testing would be undertaken to assess how much additional income would be required to meet future pension requirements

AGREED that the report be noted.

4.4. PENSIONS ADMINISTRATION REPORT

The Board received a report providing an update on Pensions Administration.

The report included updates on the activities within the Pensions Administration service and included regulatory matters, new employer, breaches register, i-Connect, GMP reconciliation and workflows.

In response to concerns regarding the use of i-Connect, the Pensions Manager advised that they continued to provide encouragement to those scheme employers that are yet to become active on i-connect.

AGREED that the Pension Administration Report in relation to the Dyfed Pension Fund be noted.

4.5. BREACHES REPORT 2022/23

The Board received for consideration the Breaches Report in relation to the Dyfed Pension Fund. It was noted that Section 70 of the Pension Act 2004 sets out the legal duty to report breaches of the law. In the Code of Practice No. 14, published by the Pensions Regulator in April 2015, paragraphs 241 to 275 provide guidance on reporting these breaches.

As there were no implications of the breaches and no report had been sent to the Pensions Regulator.

AGREED that the Breaches Report in relation to the Dyfed Pension Fund be noted.

4.6. RISK REGISTER

The Board was advised that the Risk Register was a working document that highlighted all the risks identified in relation to the functions of the Dyfed Pension Fund. It was advised that the risk register was regularly monitored and reviewed to ensure risks had been identified and assessed. It was reported that there had been no changes since the previous committee meeting.

In response to a question on risk of Wales Pension Partnership, the Treasury and Pensions Investment Manager advised that whilst, initially there was a risk as the funds were established, they were operating effectively and that Russell Investments, who managed most of the Sub Funds, had undertaken the appropriate due diligence. All eight of the Welsh Pension Funds had invested in the WPP and as the level of investment increased, the level of risk reduced.

Reference was made to risk reference DPFOP0016 and to the prolonged failure of investment managers to achieve specified returns. The Treasury and Pensions Investment Manager assured the Board that regular monitoring was undertaken and that any indication of prolonged failure over the long term would be addressed early

Agreed that the risk register report be noted.

4.7. TRAINING PLAN 2022- 2023

The Board received the Dyfed Pension Fund Training Plan for the period 2022-2023 detailing meetings, training events and the members and officers anticipated to attend the events.

AGREED that the Dyfed Pension Fund Training Plan for the period 2022-23 be noted.

4.8. WALES PENSION PARTNERSHIP - OPERATOR UPDATE

The Board received an update on the milestones and of the Wales Pension Partnership in relation to the Sub Funds together with a Corporate and Engagement Update including, the engagement protocol and key meeting dates

AGREED that the Operator Update report be received and the milestones and progress of the Wales Pension Partnership be noted.

4.9. EQUITY RESTRUCTURE PHASE III

The Board received a report on Phase III of the equity restructure of the Dyfed Pension Fund and the agreement of the Dyfed Pension Fund Committee to allocate of 5% of the Fund to the Wales Pension Partnership Sustainable Equity Sub Fund.

AGREED that the Equity Restructure Phase III report be noted.

AGREED to note the Pension Board Workplan for 2022.

6. PENSION BOARD WORK PLAN 2023

The Board received the Pension Board Budget Monitoring report as at 30th September 2022. Total actual expenditure incurred was £13.5k. The forecasted expenditure for the year was a £3k underspend compared to budget.

AGREED that the report be noted.

Following the application of the public interest test it was UNANIMOUSLY RESOLVED, pursuant to the Act referred to in Minute Item 8 above, to consider this matter in private, with the public excluded from the meeting as disclosure would adversely impact upon the Pension Fund by putting investment performance at risk.

The Board received the Independent Investment Adviser Performance and Risk Report that provided information in relation to the investment managers' performance for the quarterly, 12 month and rolling 3-year period ending 30th June 2022 together with the global market background and issues for consideration.

Audit of Accounts Report

Introduction

- 1 We summarise the main findings from our audit of your 2021-22 accounts in this report.
- 2 We have already discussed these issues with the Director of Corporate Services and his team.
- 3 Auditors can never give complete assurance that accounts are correctly stated. Instead, we work to a level of 'materiality'. This level of materiality is set to try to identify and correct misstatements that might otherwise cause a user of the accounts into being misled.
- 4 We set this level at £32.3 million for this year's audit.
- 5 There are some areas of the accounts that may be of more importance to the reader and we have set a lower materiality level for these, as follows:
 - Key Management Personnel Disclosures – £1,000
 - Related Party disclosures – £10,000
- 6 We have now substantially completed this year's audit but at the time of drafting this report, the following work is outstanding:
 - the final review of our audit file; and
 - our final review of the revised 2021-22 financial statements.
- 7 We will provide a verbal update on these outstanding items at the Audit and Governance Committee at its meeting on 21 October 2022.
- 8 In our professional view, we have complied with the ethical standards that apply to our work; remain independent of yourselves; and our objectivity has not been compromised in any way. There are no relationships between ourselves and yourselves that we believe could undermine our objectivity and independence.

Impact of COVID-19 on this year's audit

- 9 The COVID-19 pandemic has had a continuing impact on how our audit has been conducted. We summarise in **Exhibit 1** the main impacts. Other than where we specifically make recommendations, the detail in **Exhibit 1** is provided for information purposes only to help you understand the impact of the COVID-19 pandemic on this year's audit process.

Exhibit 1 – impact of COVID-19 on this year’s audit

Timetable	<ul style="list-style-type: none">• We received the draft accounts on 9 August 2022.• The statutory deadline for completion of the 2021-22 audited accounts was 30 November 2022.• The Auditor General will sign the Audit Opinion on 1 November 2022 following receipt of the signed approved accounts.
Audit evidence	<p>We received the majority of audit evidence in electronic format and have used various techniques to ensure its validity. Where we have been unable to obtain certain audit evidence due to it not being available electronically, we have devised alternative audit methodologies to obtain sufficient audit evidence. Specifically:</p> <ul style="list-style-type: none">• officers provided electronic working papers in accordance with our agreed working paper schedule;• officers provided audit evidence to the audit team via email; and• officers were available by video conferencing for discussions, and for the sharing of on-screen information/evidence.
Electronic signatures	<p>The current plan is for the Governance and Audit Committee to approve the 2021-22 financial statements at its meeting on 21 October 2022. If still necessary at the time of approval and signing, we will accept electronic signatures. We anticipate that your audit report will be signed electronically.</p>

Proposed audit opinion

- 10 We intend to issue an unqualified audit opinion on this year’s accounts once you have provided us with a Letter of Representation based on that set out in **Appendix 1**.
- 11 We issue a ‘qualified’ audit opinion where we have material concerns about some aspects of your accounts; otherwise we issue an unqualified opinion.
- 12 The Letter of Representation contains certain confirmations we are required to obtain from you under auditing standards along with confirmation of other specific information you have provided to us during our audit.
- 13 Our proposed audit report is set out in **Appendix 2**.

Significant issues arising from the audit

Uncorrected misstatements

- 14 There are no misstatements identified in the accounts, which remain uncorrected.

Corrected misstatements

- 15 There were initially misstatements in the accounts that have now been corrected by management. However, we believe that these should be drawn to your attention and they are set out with explanations in **Appendix 3**.

Other significant issues arising from the audit

- 16 In the course of the audit, we consider a number of matters relating to the accounts and report any significant issues arising to you. There were no significant issues arising in these areas this year.

Proposed audit report

The independent auditor's report of the Auditor General for Wales to the members of Carmarthenshire County Council as administering authority for Dyfed Pension Fund

Opinion on financial statements

I have audited the financial statements of Dyfed Pension Fund for the year ended 31 March 2022 under the Public Audit (Wales) Act 2004. Dyfed Pension Fund's financial statements comprise the fund account, the net assets statement and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and international accounting standards as interpreted and adapted by the Code of Practice on Local Authority Accounting in the United Kingdom 2021-22.

In my opinion the financial statements:

- give a true and fair view of the financial position of Dyfed Pension Fund as at 31 March 2022 and of the amount and disposition at that date of its assets and liabilities, other than the liabilities to pay pensions and benefits after the end of the year; and
- have been properly prepared in accordance with legislative requirements and international accounting standards as interpreted and adapted by the Code of Practice on Local Authority Accounting in the United Kingdom 2021-22.

Basis of opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK (ISAs (UK)) and Practice Note 10 'Audit of Financial Statements of Public Sector Entities in the United Kingdom'. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report. I am independent of the pension fund in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Conclusions relating to going concern

In auditing the financial statements, I have concluded that the use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work I have performed, I have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the pension fund's ability to continue to adopt the going concern basis of accounting for a period of at least 12 months from when the financial statements are authorised for issue.

My responsibilities and the responsibilities of the responsible financial officer with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements. The Responsible Financial Officer is responsible for the other information contained within the annual statement of accounts. My opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in my report, I do not express any form of assurance conclusion thereon. My responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact.

I have nothing to report in this regard.

Report on other requirements

Opinion on other matters

In my opinion, based on the work undertaken in the course of my audit:

- the information contained in the annual report for the financial year for which the financial statements are prepared is consistent with the financial statements and the annual report has been prepared in accordance with the Local Government Pension Scheme Regulations 2013.

Matters on which I report by exception

In the light of the knowledge and understanding of the pension fund and its environment obtained in the course of the audit, I have not identified material misstatements in the annual report.

I have nothing to report in respect of the following matters, which I report to you, if, in my opinion:

- adequate accounting records have not been kept, or returns adequate for my audit have not been received from branches not visited by my team;
- the financial statements are not in agreement with the accounting records and returns; or
- I have not received all the information and explanations I require for my audit.

Responsibilities

Responsibilities of the responsible financial officer for the financial statements

As explained more fully in the Statement of Responsibilities for the Statement of Accounts set out on pages 61-62, the responsible financial officer is responsible for the preparation of the statement of accounts, which give a true and fair view, and for such internal control as the responsible financial officer determines is necessary to enable the preparation of statements of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the statement of accounts, the responsible financial officer is responsible for assessing the pension fund's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless deemed inappropriate.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. I design procedures in line with my responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

My procedures included the following:

- enquiring of management, the pension fund's head of internal audit and those charged with governance, including obtaining and reviewing supporting documentation relating to Dyfed Pension Fund's policies and procedures concerned with:
 - identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance;
 - detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud; and
 - the internal controls established to mitigate risks related to fraud or non-compliance with laws and regulations.
- considering as an audit team how and where fraud might occur in the financial statements and any potential indicators of fraud. As part of this discussion, I identified potential for fraud in the posting of unusual journals.
- obtaining an understanding of Dyfed Pension Fund's framework of authority as well as other legal and regulatory frameworks that Dyfed Pension Fund operates in, focusing on those laws and regulations that had a direct effect on the financial statements or that had a fundamental effect on the operations of Dyfed Pension Fund.

In addition to the above, my procedures to respond to identified risks included the following:

- reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with relevant laws and regulations discussed above;
- enquiring of management, the Governance and Audit Committee and legal advisors about actual and potential litigation and claims;
- reading minutes of meetings of those charged with governance and the pension committee; and
- in addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

I also communicated relevant identified laws and regulations and potential fraud risks to all audit team and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

The extent to which my procedures are capable of detecting irregularities, including fraud, is affected by the inherent difficulty in detecting irregularities, the effectiveness of Dyfed Pension Fund's controls, and the nature, timing and extent of the audit procedures performed.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of my auditor's report.

Certificate of completion of audit

I certify that I have completed the audit of the accounts of Dyfed Pension Fund in accordance with the requirements of the Public Audit (Wales) Act 2004 and the Auditor General for Wales' Code of Audit Practice.

PENSIONS ADMINISTRATION REPORT – 23rd November 2022

This report provides a progress update on a number of projects being simultaneously undertaken, along with providing information on relevant issues in the administration of scheme benefits.

1. Regulatory update –

- a. McCloud/Sargeant update – You will recall from the previous report that the remedy would require the recalculation all pensions (including dependants pensions), death grants, and deferred benefits calculated since 1st April 2014 for those that were active on 31st March 2012. This will require all employers to provide the hours each part time scheme member, including any changes, they have worked between 1st April 2014 to 31st March 2022. All Employers have also been provided with data extracts to undertake data comparisons and identify any issues. Data reconciliation and validation is progressing well and query resolution is underway. Once amending regulations are issued our software supplier will be in a position to reflect the changes in the pensions system. Regulatory clarity is also required to deal with data discrepancies and cases where the employer no longer exists or is not able to provide data.
- b. Pru – It was identified at the UK Technical Group that there had been a deterioration in service levels experienced by funds nationally. This was raised at the both the Local Government Pensions Committee and the National Scheme Advisory Board who met with representatives from Pru. Pru have acknowledged the issues experienced by funds and detailed the actions they are taking to improve the quality of service by the end of November 2022 when their system will be fully implemented. UK Technical Group representatives will meet directly with PRU in February 2023 to review service levels during the intervening period.

2. Breaches Register

Regulation 18(5) of the LGPS Regulations 2013 prescribes that there is a time limit for payment of a refund of pension contributions:

“An administering authority shall refund contributions to a person entitled under paragraph (1) when the person requests payment, or on the expiry of a period of five years beginning with the date the person’s active membership ceased if no request is made before then or, if the person attains age 75 before then, on the day before attaining age 75.”

The National Technical Group recommend to SAB, to change the regulations concerning the payment of a refund to reflect the position prior to 1 April 2014 i.e. to remove the prescription that requires an administering authority to pay a refund on the expiry of a period of five years beginning with the date the person's active membership ceased if no request is made before then.

In making this recommendation the group acknowledged that interest would be added up to the date of payment, as opposed to on the expiry of 5 years and if a fully completed mandate is not returned by the member, no further action would take place i.e. the group agreed not to waste time or money on using Tracing services in respect of members who have been contacted repeatedly and do not reply. The SAB have made recommendations to MHCLG.

The refunds scheduled to be automatically paid in September 2022 and October 2022 have been included on the breaches register as the scheme members have not replied in order for the refund to be paid.

3. I-connect

In order to improve the timeliness of data flow from scheme employers to the administration section, a monthly update system called 'i-connect' has been implemented.

Further development work has continued with employers to 'on board' them in order that data can be transferred electronically. The table below shows the employers who are active on i-connect. In order to expedite the transition to electronic transmission of data, Pembrokeshire College, Coleg Ceredigion and Coleg Sir Gar have all be provided with a spreadsheet template to provide updates similar to i-connect. This process is known colloquially as 'Monthly Updates'. Many of the other smaller employers already utilise 'Monthly Updates'.

Coleg Ceredigion and Coleg Sir Gar are continuing to work with their payroll provider to ensure the data required is extracted and inputted into the correct fields on the spreadsheet. Pembrokeshire College have provided test extracts and are working on resolving the outstanding queries identified with their payroll provider.

4. GMP Reconciliation

When a scheme member attains State Pension Age, they will be advised of the amount of Guaranteed Minimum Pension (GMP) which is included in their pension. The GMP relates to the part of the pension for the period between April 1978 and April 1997 for which they were 'contracted-out'. For this period, the Scheme has to guarantee that their pension will be at least the same as it

would have been, had they not been 'contracted-out'. Contracting out ceased in April 2016. HMRC have now stated that they will not be sending a statement to all individuals affected specifying who is responsible for paying their Guaranteed Minimum Pension (GMP). The pensions section will continue to reconcile the GMP values it holds for members with those calculated by HMRC. It ensures that all individuals recorded by HMRC against the fund are correct. The pensions section has reconciled 99.76% of the records held. Further information has also been issued to HMRC in order that they can amend their records, unfortunately, a response remains outstanding. Reconciliation work has also been undertaken in respect of active scheme members and 99.40% have been reconciled. Unfortunately HMRC have not responded to all the outstanding queries and therefore the reconciled data remains the same as the previous report.

5. Workflow

The tables overleaf detail the workflow statistics for the key tasks undertaken in the section for the period 1st July 2022 to 30th September 2022 in respect of the LGPS only. Please note that in circumstances where multiple iterations for the same calculation date have been undertaken, this is recorded as a single estimate. The workflow statistics are recorded on a quarterly basis.

- Lisa Reynolds replacement for James Wilson starts early August
- As mentioned in the previous Joint Governance Committee held on 8 July 2022 Link Fund Solutions Limited (LFSL) is aware that two law firms have filed a claim in relation to the LF Equity Income Fund (formerly, the LF Woodford Equity Income Fund). The law firms have submitted an application for a Group Litigation Order. LFSL has not yet been served with any proceedings and will vigorously defend itself in such an event. There has been no further update since then.
- As mentioned in the previous Joint Governance Committee held on 8 July 2022 the proposed acquisition of Link Group by Dye & Durham Corporation (D&D) has moved slightly in that D&D made a counter offer which Link rejected. Two further offers were made, of which the second was approved by the Group Board subject to shareholder vote. The date for the meeting of Link Group shareholders to consider and vote on this is yet to be set. This is still subject to certain approvals being received including the decision of the Australian Competition and Consumer Commission due 8 September 2022 and the Financial Conduct Authority.

The Committee welcomed to the meeting Jason Blewitt, Audit Wales Representative who presented the Audit of Financial Statements Report for the Dyfed Pension Fund detailing the matters arising from the audit which required reporting under ISA 260.

It was noted that the Auditor General was responsible for providing an opinion on whether the financial statements of the Dyfed Pension Fund gave a true and fair view of their financial position as at 31 March 2022 and of its income and expenditure for the year end.

The Committee was advised that an unqualified audit report on the financial statements had been issued and the finalised report had been considered by the Governance and Audit Committee at its meeting held on 21st October 2022 [Minute 3.1 refers].

The Committee was pleased to note that Audit Wales intended to issue an unqualified audit opinion on the accounts. In addition, the Committee was pleased to note that there were no misstatements identified in the financial statements which remained uncorrected.

The Committee wished to express their sincere thanks to Audit Wales for undertaking the Audit and to the Pension Investment and Administration teams for all their hard work in what had resulted in a successful audit.

UNANIMOUSLY RESOLVED that the Audit of Financial Statement Report 2021-22 (ISA260) be received.

6. BUDGET MONITORING 1 APRIL 2022 - 30 SEPTEMBER 2022

The Committee received the Dyfed Pension Fund Budget Monitoring report which provided an update on the latest budgetary position in respect of the 2022/23 financial year. It was noted that the current position, as at 30 September 2022, forecasted an under-spend of £3.8m in cash terms.

In terms of income, the net effect of contributions and investment income was an increase of £3.6m, due mainly to higher than budgeted investment income forecast.

Overall total expenditure was estimated at £107.6m and total income estimated at £111.4m resulting in a positive cash flow position of £3.8m.

UNANIMOUSLY RESOLVED that the Dyfed Pension Fund Budget Monitoring Report for the period 1st April 2022 to 30th September 2022 be received.

7. CASH RECONCILIATION AS AT 30 SEPTEMBER 2022

UNANIMOUSLY RESOLVED that the Dyfed Pension Fund Cash Reconciliation report be received.

8. PENSIONS ADMINISTRATION REPORT

The Committee received a report providing an update on Pensions Administration. The report included updates on the activities within the Pensions Administration service and included regulatory matters, valuation, annual benefits statements, breaches register, i-Connect, GMP reconciliation and workflows.

In response to a request regarding the Pension scheme and the eligibility of Community Councils Clerks, the Pensions Manager explained that the Community Council would need to make an application to the Pensions Fund Committee for approval.

UNANIMOUSLY RESOLVED that the Pension Administration Report in relation to the Dyfed Pension Fund be noted.

9. BREACHES REPORT 2022-2023

The Committee received for consideration the Breaches Report in relation to the Dyfed Pension Fund. It was noted that Section 70 of the Pension Act 2004 sets out the legal duty to report breaches of the law. In the Code of Practice No. 14, published by the Pensions Regulator in April 2015, paragraphs 241 to 275 provided guidance on reporting these breaches.

The Dyfed Pension Fund Breaches Policy had been approved by the Dyfed Pension Fund Panel in March 2016. Under the policy breaches of the law were required to be reported to the Pensions Regulator where there was a reasonable cause to believe that:

- a legal duty which is relevant to the administration of the scheme has not been, or is not being, complied with;
- the failure to comply was likely to be of material significance to the Regulator in the exercise of any of its functions.

The Committee noted that since the last meeting there had been a few instances where employee/employer contributions had not been received on time. No report had been sent to the Pensions Regulator as there had been no implications of those breaches.

UNANIMOUSLY RESOLVED that the Breaches Report in relation to the Dyfed Pension Fund be noted.

10. RISK REGISTER

The Committee was advised that the Risk Register was a working document that highlighted all the risks identified in relation to the functions of the Dyfed Pension Fund.

It was advised that the risk register had been reviewed and no changes to individual risks had been identified since the previous Committee meeting.

The risks would continue to be reviewed on a quarterly basis and any amendments would be drawn to the Committee's attention.

In response to a query raised in regard to budget impact of the anticipated drift of employees over the next few years, the Director of Corporate Services explained that the impact of the reduction in the scale of membership would not be of significance for it to be highlighted on the risk register.

UNANIMOUSLY RESOLVED that the risk register report be approved.

11. WALES PENSION PARTNERSHIP - OPERATOR UPDATE

The Committee received an update report on the milestones and progress of Wales Pension Partnership (WPP) including the following Sub Funds:-

- Tranche 1 – Global Equity
- Tranche 2 – UK Equity
- Tranche 3 – Fixed Income
- Tranche 4 – Emerging Markets

UNANIMOUSLY RESOLVED that the Wales Pension Partnership Link and Russell Update be received.

12. TRAINING PLAN 2022-2023

The Committee received for consideration the Training Plan for the period 2022-2023 detailing meetings, training events and the members and officers anticipated to attend the events.

In response to a query raised regarding future opportunities for the Committee to view direct investments, the Treasury and Pension Investments Manager explained that discussions were currently taking place to visit Schroders officers and their investments in London. Details would be circulated to Committee Members in due course.

UNANIMOUSLY RESOLVED that the Training Plan for the period 2022-23 be approved.

13. EXCLUSION OF THE PUBLIC

UNANIMOUSLY RESOLVED, pursuant to the Local Government Act 1972, as amended by the Local Government (Access to Information) (Variation) (Wales) Order 2007, that the public be excluded from the meeting during consideration of the following items as the reports contained exempt information as defined in paragraph 14 of Part 4 of Schedule 12A to the Act.

14. INDEPENDENT ADVISOR PERFORMANCE & RISK REPORT TO 30 SEPTEMBER 2022

Following the application of the public interest test it was **UNANIMOUSLY RESOLVED**, pursuant to the Act referred to in Minute Item 13 above, to consider this matter in private, with the public excluded from the meeting as disclosure would be likely to cause financial harm to the Pension Fund by prejudicing ongoing and future negotiations.

The Committee received the Independent Investment Adviser Report which provided information in relation to the investment managers' performance for the quarterly, 12 month and rolling 3 year periods ending 30 September, 2022.

The report also included the global market background and issues for consideration.

UNANIMOUSLY RESOLVED that the Independent Investment Adviser Report as at 30 September 2022 be noted.

15. NORTHERN TRUST PERFORMANCE REPORT TO 30 SEPTEMBER 2022

Following the application of the public interest test it was **UNANIMOUSLY RESOLVED**, pursuant to the Act referred to in Minute Item 13 above, to consider this matter in private, with the public excluded from the meeting as disclosure would be likely to cause financial harm to the Pension Fund by prejudicing ongoing and future negotiations.

The Committee considered the Northern Trust Performance report for the Dyfed Pension Fund as at 30 September 2022, which provided performance analysis at a total fund level and by investment manager for the periods since inception.

UNANIMOUSLY RESOLVED that the Northern Trust Performance report for the Dyfed Pension Fund as at 30 September 2022 be received.

- BlackRock – Quarterly Report 30 September 2022
- Schroders – Q3 2022 Investment Report
- Partners Group – Quarterly Financials Q3 2022
