# EXECUTIVE SUMMARY <br> LICENSING COMMITTEE 

$27^{\text {TH }}$ JUNE 2017

## LICENSING ACT 2005 APPOINTMENT OF LICENSING SUB-COMMITTEES

Council, at its meeting held on the $6{ }^{\text {th }}$ January, 2005, gave consideration to the arrangements to be made to ensure the efficient discharge of its duties under the provisions of the Licensing Act 2003. As part of those considerations, it resolved to amend the constitution Part 3 Table 3 (Responsibility for Functions)(Licensing Committee) under the heading "Membership" to add the following words:-
"To act when so required by the provisions of the Licensing Act 2003 through SubCommittees consisting of three members."

In view of the Council's decision, the Committee will now need to formally appoint its SubCommittees in readiness for the determination of applications received under the Act. The Committee previously considered the issue of the establishment of Sub-Committees and felt that the optimum solution would be to establish three Sub-Committees, politically balanced, comprising five members each, with the membership of a Sub-Committee on any given day being drawn from those five members on a rotational basis (subject to the procedures for the appointment of substitute members as provided for within Council Procedure Rules 4(9) and 4(10).

However, at the Council meeting held on $24^{\text {th }}$ May, 2017 the composition of the Licensing Committee was reduced to 14 members and the Committee therefore needs to consider whether to establish two Sub-Committees comprising 5 members and 1 Sub-Committee comprising 4 members or alternatively to establish 2 Sub-Committees comprising 7 members each, as politically balanced as possible.

Suggested membership of each Sub-Committee for both scenarios is detailed below. The appointment of Chairs for each Sub-Committee will be considered under the next item on the agenda.
