

ANNUAL REPORT 2014/15
COUNCILLOR Tyssul Evans
Llangyndeyrn
Electoral Area

Dear Resident

The purpose of this report is to keep you informed of some of the issues I have dealt with on your behalf during 2014/15. Real progress has been made in respect of these and I hope that you will find this information of interest.

During the year I attended meetings regularly to discuss important matters within the community with AMs, MPs, MEPs, Dyfed-Powys Police, and senior officers of the Mid and West Wales Fire Service.

Once again we saw continued improvements this year in the condition of our private and council housing, we ensured that our roads were kept in the best possible condition albeit in a period of financial crisis, and we made certain that services to young and elderly people in our community were protected to the greatest possible extent.

Speeding in the community's villages continues to cause concern, along with littering and the growing problem of dog fouling in our villages. Action was taken in partnership with the Police in an effort to reduce these problems in the area.

The local produce market in Pont-iets went from strength to strength and on average there were around two dozen stalls present every month. I supported the monthly market at Carway Hall.

I organized a weekly whist drive at Pont-iets Hall, as well as a monthly whist drive in aid of a number of local, county-wide, and national charities.

Finally, I wish to thank my fellow members of Llangyndyern Community Council for their support of me as the local county council member. I would also like to thank them for their positive attitude towards supporting, maintaining, and strengthening local services as much as possible - services that are so important to the everyday lives of our electors.
