2. Legal

The law states that:-

- a) We must carry out sustainable development, improving the economic, social, environmental and cultural well-being of Wales. The sustainable development principle is
'... the public body must act in a manner which seeks to ensure that the needs of the present are met without compromising the ability of future generations to meet their own needs.'
- b) We must demonstrate 5 ways of working:
Long term, integrated, involving, collaborative and preventative
- c) We must work towards achieving all of the 7 national well-being goals in the Act. Together they provide a shared vision for public bodies to work towards.
 1. A prosperous Wales
 2. A resilient Wales
 3. A healthier Wales
 4. A more equal Wales
 5. A Wales of cohesive communities
 6. A Wales of vibrant culture and thriving Welsh Language
 7. A globally responsible Wales

3. Finance

We need to continue to strengthen the links between Strategic and Financial Planning.

The Act requires the publication of a statement detailing how a public body proposes to ensure that resources are allocated annually for the purpose of taking such steps to meet the well-being objectives. Para 53 SPSF 1

Our Annual Governance Statement (AGS) has been revised to take account of the new CIPFA/SOLACE*, 7 Principles of Corporate Governance. The Building a Better Council and Use of Resources action plans are set against the 7 Principles. Internal Audit undertook a stocktake during 2017/18 against the guidance specifications and identified any gaps to be addressed.

*Chartered Institute of Public Finance and Accountancy/Society of Local Authorities Chief Executives

4. ICT

ICT implications are being taken forward within our Digital Transformation Strategy and feature within the *Well-being Objective 15: Building a Better Council and Making Better Use of Resources*

5. Risk Management Issues

Our key strategic risks are identified and addressed within Service Business Plans that underpin our Well-being Objectives

6. Physical Assets

The key strategic Asset Management Plan incorporates our Well-being Objectives, Capital prioritisation takes into account the Objectives.

7. Staffing Implications

People Management Strategy issues are identified in Well-being Objective 15: *Building a Better Council and Making Better Use of Resources*
