EXECUTIVE SUMMARY
LICENSING COMMITTEE
DATE: 16TH DECEMBER, 2015

REVIEW OF STATEMENT OF LICENSING POLICY

The current Licensing Policy was adopted by the authority in January 2011 and the Cumulative Impact Policy (CIP) in respect of Station Road, Llanelli in 2012. Legislation currently requires the Licensing Policy to be reviewed at least every five years to ensure that it reflects feedback from the local community that the statutory objectives are being met.

Since the current Licensing Policy was last reviewed, there have been a large number of amendments to the Licensing Act 2003. The authority's licensing section, in conjunction with the council's legal department have reviewed the policy document in light of these amendments, revised government guidance and recent case law. These statutory changes have been incorporated into the attached Policy document. The authority also hosted a collaboration meeting to discuss the review to local licensing policies with representatives of the local health board, Pembrokeshire and Ceredigion licensing authorities.

The key changes to the legislation include :-

- Making the local health board and the licensing section responsible authorities.
- Removing the test of vicinity for persons wishing to make representations.
- Deregulation of some types of entertainment under certain circumstances.
- Revisions to mandatory licence conditions.

As part of the review, the authority is required to undertake a consultation exercise aimed at responsible authorities, local residents, businesses, existing licence holders and their representatives, to ensure that their views can be formally considered by the Authority. The responsible authorities include, The Licensing Authority, Dyfed Powys Police, Mid and West Wales Fire and Rescue Service, Trading Standards, Environmental Health (Public Health Section), Planning Authority, Health and Safety Authority, Children Services, Local Health Board.

The consultation began on the 7th of July and finished on the 13th of September 2015.

Approximately two thousand individuals and organisations, including licence holders and their representatives, town and community councils, members of parliament, assembly members, county councillors, council departments and responsible authorities received consultation documents.

On this occasion the survey was undertaken using the iLocal consultation facility on the Council's web site. This enabled the majority of consultees to be contacted via e-mail, thus reducing the cost whilst increasing the accessibility of the consultation. A total of 89 responses were received.

The following is a brief summary of the key consultation responses :-

Responsible Authority Responses.

Dyfed Powys Police

- Noticeable increase in alcohol related crime and disorder as well as anti social behaviour in Lammas Street, Carmarthen, linked to the late night economy. Cumulative Impact Policy should be adopted for the street.
- Station Road, Llanelli continues to be an area identified with the highest number of alcohol related crime and disorder as well as alcohol related anti social behaviour in Carmarthenshire. The existing cumulative impact policy should be retained for the street.

Hywel Dda University Health Board.

- Support for the adoption of a Cumulative Impact Policy where there is evidence that an area is saturated with licensed premises and alcohol related problems.
- The Policy should be amended to include specific reference to the use of new psychoactive substances.

Public Health Services

- Applications for premises licences should be accompanied by a risk assessment detailing how the applicant intends to promote the licensing objectives or a statement indicating why an assessment is not needed.
- The usefulness of multi agency meetings to respond to problem premises.

Other Consultation Responses

- Ann Street, Llanelli and Nott square Carmarthen highlighted as Hot Spots of alcohol related crime and disorder.
- Strong support for the retention of the existing Hot Spot areas listed within the Policy.
- Strong support for the retention of the existing cumulative impact policy for Station Road Llanelli.
- Consideration should be given to adopting a Cumulative Impact Policy for all or part of Carmarthen town centre.
- Support for the policy to encourage events and businesses which do not undermine the licensing objectives.
- Slight overall support for maintaining the current policy not to limit permitted hours in certain parts of the County.

A revised licensing policy document, incorporating amendments to reflect the relevant consultation responses is attached.
