Appendix 1 – Final Letter of Representation	7
Appendix 2 – proposed audit report of the Auditor General to the Members of Carmarthenshire County Council as Administering Authority for Dyfed Pension Fund	10
Appendix 3 – summary of corrections made to the draft financial statements which should be drawn to the attention of those charged with governance	13

# Summary report

## Introduction

- 1 The Auditor General is responsible for providing an opinion on whether the financial statements give a true and fair view of the financial position of Dyfed Pension Fund at 31 March 2019 and its income and expenditure for the year then ended.
- 2 We do not try to obtain absolute assurance that the financial statements are correctly stated, but adopt the concept of materiality. In planning and conducting the audit, we seek to identify material misstatements in your financial statements, namely, those that might result in a reader of the accounts being misled.
- 3 The quantitative levels at which we judge such misstatements to be material for Dyfed Pension Fund is £25.7 million. Whether an item is judged to be material can also be affected by certain qualitative issues such as legal and regulatory requirements and political sensitivity.
- 4 International Standard on Auditing (ISA) 260 requires us to report certain matters arising from the audit of the financial statements to those charged with governance of a body in sufficient time to enable appropriate action.
- 5 This report sets out for consideration the matters arising from the audit of the financial statements of Dyfed Pension Fund, for 2018-19, that require reporting under ISA 260.

## Status of the audit

- 6 We received the draft financial statements for the year ended 31 March 2019 on 14 June 2019, seven days later than the date agreed in the closure timetable.
- 7 We have now substantially completed the audit work. We are reporting to you the more significant issues arising from the audit, which we believe you must consider prior to approval of the financial statements. The audit team has already discussed these issues with the Director of Corporate Services.

## Proposed audit report

- 8 It is the Auditor General's intention to issue an unqualified audit report on the financial statements once you have provided us with a Letter of Representation based on that set out in [Appendix 1](#).
- 9 The proposed audit report is set out in [Appendix 2](#).

## Significant issues arising from the audit

### Uncorrected misstatements

- 10 There are no misstatements identified in the financial statements, which remain uncorrected.

### Corrected misstatements

- 11 There are misstatements that have been corrected by management, but which we consider should be drawn to your attention due to their relevance to your responsibilities over the financial reporting process. They are set out with explanations in [Appendix 3](#).

### Other significant issues arising from the audit

- 12 In the course of the audit, we consider a number of matters both qualitative and quantitative relating to the accounts and report any significant issues arising to you. There were no issues arising in these areas this year:

- **We have no concerns about the qualitative aspects of your accounting practices and financial reporting.**

We found the information provided to be relevant, reliable, comparable, material and easy to understand. We concluded that accounting policies and estimates are appropriate and financial statement disclosures unbiased, fair and clear.

- **We did not encounter significant difficulties during the audit.**

We received information in a helpful manner and were not restricted in our work.

- **There were no significant matters discussed and corresponded upon with management which we need to report to you.**

- **There is one other matter significant to the oversight of the financial reporting process that we need to report to you.**

The Pension Fund's closure of accounts timetable set a date of 7 June 2019 for the draft statement of accounts and all supporting working papers to be provided for audit. We planned to commence the audit the week commencing 10 June 2019.

We were advised prior to this date by Council officers that the draft accounts were not going to be completed as at 7 June 2019 and we had to delay the start of the audit. We received the draft accounts on 14 June 2019, but several supporting working papers were not available until later in the month. As a result, the audit did not start until 24 June 2019.

We will work with officers during the Autumn to learn lessons from the 2018-19 accounts preparation and audit processes. This exercise will help ensure that the Pension Fund delivers a high-quality set of financial statements and a full set of supporting working papers next year in line with its account's closedown deadlines.

- **We did not identify any material weaknesses in your internal controls**
- **There are no other matters specifically required by auditing standards to be communicated to those charged with governance.**

## Independence and objectivity

- 13 As part of the finalisation process, we are required to provide you with representations concerning our independence.
- 14 We have complied with ethical standards and in our professional judgment, we are independent, and our objectivity is not compromised. There are no relationships between the Wales Audit Office and Dyfed Pension Fund that we consider to bear on our objectivity and independence.

## Final Letter of Representation

[Audited body's letterhead]

Auditor General for Wales  
Wales Audit Office  
24 Cathedral Road  
Cardiff  
CF11 9LJ

[Date]

### Representations regarding the 2018-19 financial statements

This letter is provided in connection with your audit of the financial statements of Dyfed Pension Fund for the year ended 31 March 2019 for the purpose of expressing an opinion on their truth and fairness and their proper preparation.

We confirm that to the best of our knowledge and belief, having made enquiries as we consider sufficient, we can make the following representations to you.

### Management representations

#### Responsibilities

We have fulfilled our responsibilities for:

- the preparation of the financial statements in accordance with legislative requirements and CIPFA's Code of Practice for Local Authority Accounting in the United Kingdom 2018-19; in particular the financial statements give a true and fair view in accordance therewith; and
- the design, implementation, maintenance and review of internal control to prevent and detect fraud and error.

#### Information provided

We have provided you with:

- Full access to:
  - all information of which we are aware that is relevant to the preparation of the financial statements such as books of account and supporting documentation, minutes of meetings and other matters;
  - additional information that you have requested from us for the purpose of the audit; and

- unrestricted access to staff from whom you determined it necessary to obtain audit evidence.
- The results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- Our knowledge of fraud or suspected fraud that we are aware of and that affects Dyfed Pension Fund and involves:
  - management;
  - employees who have significant roles in internal control; or
  - others where the fraud could have a material effect on the financial statements.
- Our knowledge of any allegations of fraud, or suspected fraud, affecting the financial statements communicated by employees, former employees, regulators or others.
- Our knowledge of all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing the financial statements.
- The identity of all related parties and all the related party relationships and transactions of which we are aware.

### Financial statement representations

All transactions, assets and liabilities have been recorded in the accounting records and are reflected in the financial statements.

Significant assumptions used in making accounting estimates, including those measured at fair value, are reasonable.

Related party relationships and transactions have been appropriately accounted for and disclosed.

All events occurring subsequent to the reporting date which require adjustment or disclosure have been adjusted for or disclosed.

All known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to the auditor and accounted for and disclosed in accordance with the applicable financial reporting framework.

The financial statements are free of material misstatements, including omissions.

## Representations by those charged with governance

We acknowledge that the representations made by management, above, have been discussed with us.

We acknowledge our responsibility for the preparation of true and fair financial statements in accordance with the applicable financial reporting framework. The financial statements were approved by Audit Committee on 13 September 2019.

We confirm that we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant audit information and to establish that it has been communicated to you. We confirm that, as far as we are aware, there is no relevant audit information of which you are unaware.

Signed by:

Director of Corporate Services - signed on behalf of management

## Proposed audit report of the Auditor General to the Members of Carmarthenshire County Council as Administering Authority for Dyfed Pension Fund

### Report on the audit of the financial statements

#### Opinion

I have audited the financial statements of Dyfed Pension Fund for the year ended 31 March 2019 under the Public Audit (Wales) Act 2004. Dyfed Pension Fund's financial statements comprise the fund account, the net assets statement and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the Code of Practice on Local Authority Accounting in the United Kingdom 2018-19 based on International Financial Reporting Standards (IFRSs).

In my opinion the financial statements:

- give a true and fair view of the financial transactions of the pension fund during the year ended 31 March 2019, and of the amount and disposition at that date of its assets and liabilities; and
- have been properly prepared in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom 2018-19.

#### Basis for opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK (ISAs (UK)). My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report.

I am independent of the pension fund in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### Conclusions relating to going concern

I have nothing to report in respect of the following matters in relation to which the ISAs (UK) require me to report to you where:

- the use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the responsible financial officer has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the pension fund's ability to continue to adopt the going concern basis of accounting for a period of at least 12 months from the date when the financial statements are authorised for issue.

### Other information

The responsible financial officer is responsible for the other information in the statement of accounts. The other information comprises the information included in the narrative report. My opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in my report, I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by me in the course of performing the audit. If I become aware of any apparent material misstatements or inconsistencies, I consider the implications for my report.

## Report on other requirements

### Opinion on other matters

In my opinion, based on the work undertaken in the course of my audit:

- the information contained in the narrative report for the financial year for which the financial statements are prepared is consistent with the financial statements.

### Matters on which I report by exception

I have nothing to report in respect of the following matters, which I report to you, if, in my opinion:

- adequate accounting records have not been kept;
- the financial statements are not in agreement with the accounting records and returns; or
- I have not received all the information and explanations I require for my audit.

## Certificate of completion of audit

I certify that I have completed the audit of the accounts of Dyfed Pension Fund in accordance with the requirements of the Public Audit (Wales) Act 2004 and the Auditor General for Wales' Code of Audit Practice.

## Responsibilities

### Responsibilities of the responsible financial officer for the financial statements

As explained more fully in the Statement of Responsibilities for the financial statements set out on pages 1 to 2, the responsible financial officer is responsible for the preparation of the financial statements, which give a true and fair view, and for such internal control as the responsible financial officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the responsible financial officer is responsible for assessing the pension fund's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless deemed inappropriate.

### Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of my auditor's report.

## Summary of corrections made to the draft financial statements which should be drawn to the attention of those charged with governance

During our audit we identified the following misstatements that have been corrected by management, but which we consider should be drawn to your attention due to their relevance to your responsibilities over the financial reporting process.

### Exhibit 1: summary of corrections made to the draft financial statements

Value of correction	Nature of correction	Reason for correction
£71.845 million (2018-19) £65.010 million (2017-18)	International Pooled Fund values were reclassified as European Equities in Note 11.4 Geographical Analysis of Investments.	To ensure that the most appropriate geographical analysis was disclosed in the financial statements.
£2.255 million	Transition Costs deducted at source as part of the transfer of investments to the Wales Pension Partnership arrangements were included in investment income rather than being recognised in the movement in the net asset balance.	To ensure compliance with CIPFA requirements.
£33 million	The draft financial statements were prepared before the Supreme Court denied the Government's application for leave to appeal the legal judgement about age discrimination in public sector pension schemes, including the local government pension scheme. As a result, the actuarial statement was updated to disclose the probable impact on pension fund liabilities.	To disclose the increased actuarial value of promised retirement benefits due to the McCloud judgement.
Various	Several minor narrative and disclosure amendments were made to the financial statements.	To ensure compliance with CIPFA requirements.
