Finance:

As a Council, we need to ensure ongoing funding for our School Improvement Service (in partnership with ERW) and all services working in support of vulnerable learners e.g. Inclusion and Education Child Psychology. Without these resources, further improvement and high quality support for all our Carmarthenshire learners will be greatly challenged.

Staffing Implications:

As a Council, we need to ensure sufficient staffing levels are achieved both within our school improvement service (including all support services for our most vulnerable learners) and across our schools. Without these key resources, the delivery and enhancement of high quality provision to support all Carmarthenshire learners achieve the greatest potential will be greatly challenged.
