Dear Sir,

**RE: Application for a Premises Licence**  
**12 Wind Street, Ammanford, Carmarthenshire, SA18 3DN**  
**Application Date 16/10/2019**

Further to the receipt of the above application, the Licensing Authority make the following representations:

**a) Previous Enforcement Action / Prosecutions**

There have been no previous prosecutions or enforcement action taken by the licensing authority in relation to these premises.

**b) Complaints.**

There have been no complaints received by the licensing authority in relation to these premises.

**c) Responsible Authority Referrals.**

The licensing authority has not received any referrals from the other responsible authorities in relation to the above premises.

**d) Relevant Sections of the Statutory Guidance.**

The Licensing Authority believes that the following sections of the Statutory Guidance are relevant to this licence application: - Section 1 Introduction, Section 2 relating to The Licensing Objectives, Section 5 relating to Premises licences, Section 8 relating to Applications for Premises Licences and Section 10 relating to Licence Conditions.

e) **Relevant Sections of the Local Licensing Policy.**

The Licensing Authority believes that the following sections of Carmarthenshire's Licensing Policy are relevant to this licence application:-  
Section 3 Fundamental principles, Section 4 Conditions of Licence, Sections 5 – 9 relating to The Licensing Objectives and Section 11 relating to Licensing Hours.

f) **Proposed Operating Schedule.**

Having considered the current application and the operating schedule put forward by the applicant, the Licensing Authority believes that, if the application were granted, the wording set out in the operating schedule is not sufficiently precise to enable it to form clear enforceable licence conditions in accordance with section 18(2)(a) of the Licensing Act .

The Police and Environmental Health have both submitted letters of representation in relation to the application. The Environmental Health representation requests that additional conditions be attached to the licence should the application be granted. The applicant has subsequently accepted those nine licence conditions should be attached to any licence granted. The Police representation also outlines twenty four licence conditions which they believe are appropriate to attach to the licence if the application is granted.

A further representation has been received from another person, which sets out their concerns regarding the application. The subcommittee will have to be satisfied that granting the application will not undermine the licensing objectives.

If the application is granted, I believe that given the hours and activities requested as well as the location of the premises in the centre of Ammanford, close to other licensed premises that have similarly late opening hours, it would be appropriate to replace all the statements made in the operating schedule with conditions numbered 1 - 24, requested by the Police along with conditions 1 - 9 requested by Environmental Health.

These representations have been prepared on the 12<sup>th</sup> of November with the benefit of viewing the original application and representations listed above.

I would be grateful if the applicant could contact me to discuss the above representations at the earliest opportunity and certainly prior to the application being referred to a Licensing Sub Committee hearing for determination.

If you require any further information or assistance, please do not hesitate to contact me.

Yours faithfully,

Dear Sir,

**RE: Application for a Premises Licence**

Further to the receipt of the above application and a site visit on the 25th of October 2019, I would like to make the following amended representations on behalf of the Environmental Health Section.

The premises has not been previously Licensed by the applicant, therefore we do not have a history of "Public Nuisance" or "Public Safety" complaints. Nevertheless, I would like to make the following comments which are based on my professional opinion, experience from dealing with similar venues across the county and also the following factors relating to this application;

- The nature of the application including the activities applied for.
- The proximity to residential properties
- The proposed operating schedule does not contain sufficient control measures.

Whilst considering the above I recommend that the following conditions should be attached to the Premises Licence in order to promote the "Prevention of Public Nuisance" and "Public Safety" Licensing Objective.

1. The consumption of alcohol shall be restricted to the Licensable area only.
2. After 22.00 the consumption of alcohol shall not be permitted in any outside location within the boundary of the premises.
3. No open glass or glass vessels to be removed from the curtilage of the premises.
4. The court yard located at the rear of the premises is to be designated as the smoking area for the premises and all patrons must use this area for smoking.

5. Access from the court yard into the rear lane shall only be used in the event of an emergency and not any other times.
6. All live music will cease by 12 midnight.
7. Recorded Music will cease at 12 midnight, however an extension will be permitted on 15 occasions within a calendar year for recorded music to cease at 2am. On occasions where recorded music is extended to 2:00am, notification must be given to the Licensing Section at least 48 hours before the event takes place.
8. During periods of regulated entertainment all external windows and doors shall be kept closed, other than for access and egress to the premise.
9. No music or speakers shall be provided to external areas of the premises.

Accepting the above will enable me to withdraw the representation and the above requirements will become conditions of your premises licence.

Dear Mrs S with

Objection for a Premise  
Licence at 12 Wind St  
Ammanford for the sale of  
alcohol & entertainment  
for the following reasons.  
I have lived at Bopit  
Lane since December 1994.  
Friday & Saturday nights  
were a problem until very  
late. Young people very  
noisy, Banging my window  
Kicking my door. Foot prints  
on the door and damage  
A large hole was made  
allowing water to come in

E2

One night a young girl was  
on the bonnet of a car  
slow moving & she fell  
off. 3 people tried to  
pick her up. They were  
so drunk & noisy.

I phoned the police. It  
took 1 hr before they came.  
They drove around  
the car park and left.  
I am surprised my window  
did not get broken.

So please deny the  
application

Yours faithfully  
Rosemary Beard.
